**Life-Study of First Corinthians**-Witness Lee 1984-05-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

**A Brief Introduction to the New Testament**-Bart D. Ehrman 2009 The concise and more pedagogical version of The New Testament: A Historical Introduction to the Early Christian Writings, Fourth Edition, Bart D. Ehrman's A Brief Introduction to the New Testament, Second Edition, is the intriguing story of the early Christian writings - their authors, their subject, and their influence. How were they formed? Why were they written? What do they mean? How do they differ? And how did they come to be collected into a canon of Scripture as the New Testament? Presenting challenging material in a way that is both accessible and understandable, Ehrman takes

ahistorical approach to these questions and builds his discussion based on context; he situates the writings of the New Testament in the social, cultural, and literary world of the early Roman Empire. His approach is also comparative, emphasizing similarities and differences between the texts. Bringing forth a multitude of perspectives, including those of various scholars in the field, he raises critical issues while also exemplifying the richness and diversity to be found in the study of early Christian literature. Further enhancing the text, Ehrman incorporates time lines, maps, an extensive box program, a comprehensive glossary of over 200 hundred key terms that are also boldfaced at their first appearance in each chapter and conveniently collected at the end of that chapter, and over seventy photos - now in full color throughout.

**1 Corinthians**-Ralph F. Wilson 2014-02 The church at Corinth was troubled. It was five years old, but had divisions, doctrinal problems, and all kinds of disorder. One faction tried to justify going to prostitutes, which was widely accepted in their culture. Others thought they were so spiritual that they should avoid sex in marriage in favor of celibacy. Speaking in tongues was rampant, while most other spiritual gifts were being neglected. Idolatry was reclaiming some of the new believers. Observing the Lord's Supper was a farce. This church had serious problems. More than that, many of the Corinthians resented Paul's influence and tried to minimize his apostolic authority. This is one of his most spirited letters -- harsh in spots as Paul seeks to steer this young congregation away from pitfalls that threaten to destroy it. More than anywhere else in Paul's letters, you'll find instruction on church unity, balanced worship, the Lord's Supper, church discipline, the resurrection and Christ's coming, divorce and marriage. The Letter contains numerous notable verses: "I have become all things to all men so that by all possible means I might save some" (9:22). "No temptation has seized you except what is common to man..." (10:13). "The Lord Jesus, on the night he was betrayed, took bread..." (11:23-26). "Love is patient, love is kind..." (13:4-8). "We shall all be, changed, in a moment, in the twinkling of an eye, at the last trumpet..." (15:51-52). And many, many more.... 1 Corinthians is a long letter -- sixteen chapters -- but Paul's most important epistle for shaping the Christian church. This study explores First Corinthians in 15 lessons. Helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.
