Celebrate Today (Guided Journal)-Jessica MacLeish 2018-09-04 Celebrate Today is a guided journal that provides a reason to revel every day of the year. It is inspired by the National Day Calendar, a compilation of appreciation days for everything from pizza to popsicles. Beginning in January and ending in December, each page is dedicated to trying something new, enjoying the little things, and feeling a sense of accomplishment by marking the passage of time in a journal. For example, March 5 is "Learn What Your Name Means Day," so do a little research into your moniker and then write an acrostic poem based on its letters. Some days involve performing good deeds, others require eating a donut, and a few recommend a little soul searching. Illustrated by Hello!Lucky, a trendsetting design studio, the entire Celebrate Today collection includes a dot-gridded journal, a paperback notebook, and a book of stickers designed for decorating a planner.

365 Days With Self-Discipline-Martin Meadows 2017-12-28 How to Build Self-Discipline and Become More Successful (365 Powerful Thoughts From the World's Brightest Minds) Its lack makes you unable to achieve your goals. Without it, you'll struggle to lose weight, become fit, wake up early, work productively and save money. Not

embracing it in your everyday life means that you'll never realize your full potential. Ignoring it inevitably leads to regret and feeling sad about how more successful and incredible your life could have been if you had only decided to develop it. What is this powerful thing? Self-discipline. And if there's one thing that self-discipline is not, it's instant. It takes months (if not years) to develop powerful self-control that will protect you from impulsive decisions, laziness, procrastination, and inaction. You need to exhibit self-discipline day in, day out, 365 days in a year. What if you had a companion who would remind you daily to stay disciplined and persevere, even when the going gets tough? 365 Days With Self-Discipline is a practical, accessible guidebook for embracing more self-discipline in your everyday life. You'll learn how to do this through 365 brief, daily insights from the world's brightest minds, expanded and commented upon by bestselling personal development author Martin Meadows. This isn't just an inspirational book; most of the entries deliver practical suggestions that you can immediately apply in your life to become more disciplined. Here are just some of the things you'll learn: - why living your life the hard way makes it easy (and other suggestions from a successful entrepreneur and longevity scientist); - how to overcome your initial resistance and procrastination based on the remark made by one of the most renowned Renaissance men; - why, according to an influential neurosurgeon, it's key to see problems as hurdles instead of obstacles (and how to do that); - how to embrace an experimental mindset to overcome a fear of failure (a technique recommended by a successful entrepreneur and musician); - how to quit in a smart way, according to a world-famous marketing expert; - how to improve your productivity at work by implementing the advice from one of the most successful detective fiction writers; - how a trick used by screenwriters can help you figure out the first step needed to get closer to your goals; - how to maintain self-discipline in the long-term by paying attention to what a bestselling non-fiction author calls necessary to survive and thrive; - how your most common thoughts can sabotage your efforts (and other valuable insights from one of the most respected Roman Stoics); and - how to overcome temporary discouragement and look at your problems from the proper perspective, as suggested by a well-known public speaker and author. If you're ready to finally change your life and embrace self-discipline — not only for the next 365 days, but for the rest of your life — buy this book now and together, let's work on your success! Keywords: self-discipline handbook, self-control book, willpower book, success journal, mental resilience, become successful, achieve your goals

Mike Mulligan and More-Virginia Lee Burton 2002-10-28 Best known for the ever popular Mike Mulligan and His Steam Shovel and the Caldecott Medal winner The Little House, Virginia Lee Burton wrote and illustrated stories that have been entertaining children, parents, and grandparents for more than sixty years. Many of her books—with themes that honor a simple way of life and celebrate heroes who endure through determination and by adapting to change—have become classic American tales. With an introduction by Barbara Elleman, author of Virginia Lee Burton: A Life in Art, this handsome collection commemorates four of Burton's most popular stories, each featured complete and unabridged. Their appeal today, as strong as when the books were first published, is a tribute to one of America's most innovative illustrators, designers, and writers of stories for children.
