And there was the cloud and the darkness. And it lit up the night[a] without one coming near the other all night. 21 Then Moses stretched out his hand over the sea, and the LORD drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided." associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

**The 72 Names of God**-Katherine Bell 2018-10-28 A mystical place exists in the Universe where way-showers visit. Their visits occur in dreams, meditation, and contemplation. In the realms beyond Earth-time, these dimensions of higher consciousness present gifts for humanity to enhance living in matter. As a traveler through the dimensions, I am grateful to be a recipient of many modalities for healing and guidance from the realms of Spirit. I am an energy healer, a spiritual counselor, intuit, teacher, minister, and author. I most certainly give honor to the gifts the Shekinah has provided to me to pass on to others, such as yourself. The Timeless Cryptograms of Healing(R), guide the way to higher consciousness and experiences of the mysteries active in our daily life. These sacred images support our human endeavors Spiritually, Emotionally, Mentally, Physically, Ego-wise, and Soul-wise. Several years ago, the Divine Feminine inspired the vision of sacred cryptograms in my dreamtime. In more recent years, She urged me to explore the gifts inherent in the Hebrew 216-Letter Name of God divided

into 72 individual names. She directed the creation of cryptograms for each one. Please refer to "About the Author," to learn my story of becoming a cryptographer for the Divine. The 72 Names of God, derived from the 216-Letter Name of God, have existed for thousands of years. Ancient Hebrew Mystics revealed them. Divine inspiration led Moses to identify these names while studying the Zohar 11:51b. Other scholars recognize the same information in Exodus 14:19-21, when written in the Hebrew or Aramaic languages. Hebrew theologians conclude that Moses used these names to part the Red Sea, as well as to rule and meet the challenges he and his people endured. The secret mysteries of supernaturalism allowed Moses to break the yoke of human limitations. Moses passed this wisdom on to future generations. I received guidance to place each Name of God in the cryptograms you will see and use. CD recordings and Divination Cards can also enhance your use of the cryptograms to feel the mystical vibrations of Source that move through the currents of Sound and Light. As you review what the Names of God offer for healing and enlightenment, consider the remarkable balance the Divine offers and has offered for countless years through these iterations of sacred names revealed through Divine Guidance. Moses discovered these ever-present gifts. Over the centuries many scholars, religions, and healers aware of the miracles within the 72 names, continued to pass them on for generations. What mysteries and healing qualities of these cryptograms will you explore? Merely viewing the cryptograms with an open mind and heart results in relaxation, balance and activates Light and Sound. Adding the orchestration of tuning forks increases the vibration. As if by magick, the cryptograms evoke the Inner Healer. Balance, health and success are experienced. The Timeless Cryptograms of Healing(R) in this book represent the tip of the iceberg. Since 2013, the impetus to create hundreds of cryptograms consistently arises in my dream time, meditations, and when contemplating healing for a specific person. They are miraculous. They are timeless. They are the very active energy of the Light and Sound of Source. Each cryptogram consists of the three Hebrew Letters that represent a Sub-Name of God. Each letter corresponds to a specific musical tone. In addition to the tuning fork related to each letter, an additional fork stimulates the pineal gland. The I AM fork strikes the others to create an orchestration of tones and overtones within the Oneness of the Universe.

Seed-like vibrations of potential that help achieve healing and enlightenment are imbedded within each individual. The sight and sound of the cryptogram activates these seeds to grow and expand. The orchestra of Light and Sound initiates the power of the Name of God, and harmonious waves of healing and balance.

**The 42 Letter Name of God-**Baal Kadmon  
2015-08-16 In this book, we will be discussing an ancient Jewish prayer, often called the "The Kabbalists Prayer" and the "Genesis Prayer" called in Hebrew "Ana Bekoach". This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.

**Sepher Yetzirah-**William Wynn Westcott  
2018-10-26 The "Sepher Yetzirah," or "Book of Formation," is perhaps the oldest philosophical treatise which is yet extant in the Hebrew language. The great interest which has been evinced of late years in the Hebrew Kabbalah, and the modes of thought and doctrine allied to it, has induced me to translate this volume from the original Hebrew texts, and to collate with them the Latin versions of mediaeval authorities. Three important books of the "Zohar," or "Splendour," which is the great storehouse of Kabbalistic teaching, have been for the first time translated into English by that skilful and erudite Kabbalist, my fellow student in occult science, MacGregor Mathers, and the "Sepher Yetzirah" in an English translation is almost a necessary companion to these even more abstruse disquisitions: the two books indeed mutually explain each other.

**All the Names of the Lord-**Valentina Izmirlieva  
2008-09-15 Christians face a conundrum when it

comes to naming God, for if God is unnamable, as theologians maintain, he can also be called by every name. His proper name is thus an open-ended, all-encompassing list, a mystery the Church embraces in its rhetoric, but which many Christians have found difficult to accept. To explore this conflict, Valentina Izmirlieva examines two lists of God's names: one from *The Divine Names*, the classic treatise by Pseudo-Dionysius, and the other from *The 72 Names of the Lord*, an amulet whose history binds together Kabbalah and Christianity, Jews and Slavs, Palestine, Provence, and the Balkans. This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists' rhetorical potential to create order and to function as both tools of knowledge and of power. Despite the two different visions of order represented by each list, Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God's protection and the metaphysical desire to submit to his infinite majesty—a compelling claim sure to provoke discussion among scholars in many fields.

**The Unmistakable Touch of Grace**-Cheryl Richardson 2005-02-07 "Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives," says Cheryl Richardson, the New York Times bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book -- her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls "the unmistakable touch of grace" -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. The

Unmistakable Touch of Grace helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete.

**72 Demons of the Name**-Baal Kadmon 2015-08-16 In the second volume of the Sacred names series : "THE 72 ANGELS OF THE NAME - CALLING ON THE 72 ANGELS OF GOD " I discuss the 72 angels of God that correspond to the 72 Names of God. In this book, we will discuss the 72 demons of the name. Yes, there are 72 demons that are the shadow images of the 72 angels of the name. In this text, we will discuss the 72 demons that correspond to the 72 names of God. Each demon has its purpose. Working with the demons, differs in intensity. They are more , how shall we say, assertive. Whereas the angels appear in gentler forms ( with a few exceptions of course). In this book, we will discuss how to communicate with these demon. The rituals are similar to the ones we used for the 72 angels. However, there are a few differences. For one, we will do a quick protection ritual before we call on them and upon banishing them, we will give them an offering. It's this extra step that might make some a bit nervous. No worries, we will not be hurting anything, but we will offer something that had potential life in it. This step is crucial for your ritual to work. Let Us Proceed.

### **The Sword of Moses, an Ancient Book of Magic**

Moses Gaster 2005-11-01 They have... books with these terrible, awe-inspiring Names... they know that the use of these mysterious Names, without due and careful preparation, brings with it calamity and premature death. - from the introduction How much ancient wisdom was lost in the medieval years! here laments Moses Gaster, one of the most prominent Jewish theologians and folklorists of the late 19th century. In 1896, he translated a fragmentary relic of Gnostic literature, a manuscript concerned with the many secret names of God believed by Kabbalists to wield enormous magical power, but in the discussion that here precedes the translation, Gaster acknowledges that this document only hints at the texts that may be lost forever. It remains a tantalizing peek into archaic occult mysteries. Jewish scholar MOSES GASTER (1856-1939) was born in Romania but emigrated to England, where he lectured at Oxford University. His wrote numerous books of theology, folklore, history, and literature, including History of Rumanian Popular Literature (1883) and five-volume Sephardic prayer book (1901-6).

**The Hidden Names of Genesis**-Baal Kadmon 2015-08-16 In this book, you will learn, for the

first time, the 6 hidden names of God within the first few verses in the book of Genesis. The names are in Hebrew, but do not worry. I will transliterate as necessary. These names are known by VERY few people. Today, you will learn them for yourself. Although the old testament books are filled with secret names of the divine, the ones in the book of Genesis are of utmost importance. Why? The book of Genesis is the account of divine creation. God manifested the entire universe and it is recounted allegorically and some would say literally, within the pages of Genesis. This significant because the hidden names are the very names God used for creation. By tapping into these names, you will have a piece of the power used in the Genesis of the universe. You can use the power of Genesis, to manifest whatever it is you require in your life. It is, after all, the book of creation...Isn't it?
