Foundations of Classical Ballet-Agrippina Vaganova 2014-10-01 The definitive guide to the Russian Method of ballet, this complete, unabridged original version is the basis for all other classical ballet textbooks. It contains expanded text, entirely new sections, and corrections. Agrippina Vaganova articulates her own role in the rebirth of Russian ballet, discusses the body and its expressive capabilities, and explains how to attain a harmonious totality in dance. With additional documentation, photos, and contextual analysis, this edition contains a new biographical essay, a comprehensive summary of Vaganova’s lifetime achievements, photos of her as a dancer in some of her greatest roles and as a teacher with her students, and important new research into the influence of the Italians, led by Enrico Cecchetti, on the development of Russian ballet. Penetrating, insightful, and authoritative, this is much more than a textbook; it is the best guide available to Russian ballet technique and the Vaganova Method.

Child Exploitation in the Global South-Jérôme Ballet 2018-06-13 This edited volume examines child exploitation in the Global South. It introduces several case studies and interviews articulated around two features: exploitation within the family and exploitation in relation to social contexts. The research shows that both of the features are linked and, generally, they are not separate. It makes several important arguments which challenge the most common view on how children are perceived and exploited in Africa, Latin America, and the Middle East. Additionally, it explores the social representation of exploited children as well as their general well-being.

Life in Motion-Misty Copeland 2014-03-04 Profiles the life and career of the professional ballerina, covering from when she began dance classes at age thirteen in an after-school community center through becoming the only African American soloist dancing with the American Ballet Theatre.

Orchard Ballet Stories for Young Children-Saviour Pirota 2016-10-06 Discover all the magic of the ballet with this collection of classic tales and meet enchanted princesses, magical birds, dancing dolls and wicked witches. Travel to a magical kingdom of sweets, twirl at an enchanted fairytale ball, and discover the story of a sleeping princess, woken after 100 years by her true love's kiss. This beautiful gift collection contains six of the best-loved stories from the ballet: The Nutcracker, Swan Lake, Sleeping Beauty, Cinderella, Coppelia and The Firebird. Award-winning storyteller Saviour Pirota retells the classic tales in an accessible style that's perfect for young children, while New York Times bestselling artist Brigette Barrager's beautiful full-colour illustrations bring each magical scene to life. The perfect gift for little ballet dancers and ballet fans.

The Story Orchestra: Swan Lake-Katy Flint 2019-10-01 Discover the spellbinding magic of Swan Lake in this musical retelling of the ballet - push the button on each beautiful scene to hear the vivid sound of an orchestra playing from Tchaikovsky's score. This tale of a prince, a beautiful swan princess and an evil sorcerer begins in a woodland clearing far, far away. It is Prince Siegfried’s 21st birthday. He is playing games with his friends when his mother, the Queen, arrives to tell him he needs to stop having fun and start looking after the kingdom. Prince Siegfried dreams of running away. He follows an enchanting flock of swans to a clearing by a lake, where four of the little cygnets begin to dance. The most beautiful swan transforms into the Princess Odette, who tells him that she has been cursed to turn into a swan by day and return to her natural form at night by the evil sorcerer Von Rothbart. As the prince and Odette dance, they begin to fall in love. The story follows Prince Siegfried as he attends his birthday party, is tricked into proposing to Von Rothbart’s daughter Odile and returns to the lake to battle the evil sorcerer. Will the prince be reunited with his swan princess? As you and your little one journey through the magical scenes, you will press the buttons to hear 10 excerpts from the ballet’s music. At the back of

the book, find a short biography of the composer, Pyotr Ilyich Tchaikovsky, with details about his composition of Swan Lake. Next to this, you can replay the musical excerpts and, for each of them, read a discussion of the instruments, rhythms and musical techniques that make them so powerful. A glossary defines musical terms. The Story Orchestra series brings classical music to life for children through gorgeously illustrated retellings of classic ballet stories paired with 10-second sound clips of orchestras playing from their musical scores. Manufacturer's note: please pull the white tab out of the back of the book before use. Sound buttons require a firm push in exact location to work, which may be hard for young children. All sound clips are 10 seconds long.

The Orchard Book of Stories from the Ballet-Geraldine McCaughrean 2011 The ten stories included here are 'Swan Lake', 'The Sleeping Beauty', 'Cinderella', 'Gisele', 'Coppelia', 'The Nutcracker', 'Petrouchka', 'Romeo and Juliet', 'La Sylphide', and 'The Firebird'. A Child's Introduction to African American History-Jabari Asim 2018-01-02 A comprehensive, entertaining look at heroes, heroines, and critical moments from African American history -- from the slave trade to the Black Lives Matter movement -- by award-winning author Jabari Asim. Jabari Asim goes beyond what's taught in the classroom to reveal a fact-filled history of African American history through politics, activism, sports, entertainment, music, and much more. You'll follow the road to freedom beginning with the slave trade and the middle passage through the abolitionist movement and the Civil War where many African Americans fought as soldiers. You'll learn how slave songs often contained hidden messages and how a 15-year-old Jamaican-born young man named Clive Campbell helped to create hip-hop in the early 1970's. You'll experience the passionate speeches, marches, and movements of the Civil Rights era along with and the sacrifices of Martin Luther King, Rosa Parks, Medgar Evers, and many others. Along the way there are dozens of profiles of political trailblazers like Shirley Chisholm, the first black woman elected to Congress in 1968; dominants athletes like Tiger Woods who, in 1995, was only the second African American to play in a Master's Golf Tournament which he went on to win in 1997; popular musicians like Miles Davis, one the most influential artists of the twentieth century; and inspiring writers like Toni Morrison, the first African American to win the Nobel Prize in literature. Filled with beautiful illustrations by Lynn Gaines that bring these figures and events to life, plus a removable historical timeline poster, A Child's Introduction to African American History is a fascinating and comprehensive guide to this often overlooked yet immensely important part of American history.

The Story of the Orchestra-Robert Levine 2001 Describes the orchestra and includes information on composers, instruments, and the conductor.

I Know This Much Is True-Wally Lamb 1999 With his stunning debut novel, She's Come Undone, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with I Know This Much Is True, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathetakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the sostegno del famiglia, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, I Know This Much Is True is an extraordinary reading experience that will leave no reader

untouched.

The Creation of iGiselle-Nora Foster Stovel 2019-01-24 The unusual marriage of Romantic ballet and artificial intelligence is an intriguing idea that led a team of interdisciplinary researchers to design iGiselle, a video game prototype. Scholars in the fields of literature, physical education, music, design, and computer science collaborated to revise the tragic narrative of the nineteenth-century ballet Giselle, allowing players to empower the heroine for possible "feminine endings." The eight interrelated chapters chronicle the origin, development, and fruition of the project. Dancers, gamers, and computer specialists will all find something original that will stimulate their respective interests. Contributors: Vadim Bulitko, Wayne DeFehr, Christina Gier, Pirkko Markula, Mark Morris, Sergio Poo Hernandez, Emilie St. Hilaire, Nora Foster Stovel, Laura Sydora
