**Outer Hebrides**-Mark Rowe 2017-04-10 adt's new guide to the Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra, by experienced writer and journalist Mark Rowe is the only full-size guide to focus solely on the islands of Lewis, Harris, St Kilda, North Uist, Benbecula, South Uist, Eriskay, Barra and Vatersay. Masses of background information is included, from geography and geology to art and architecture, with significant coverage of wildlife, too, as well as all the practical details you could need: when to visit, suggested itineraries, public holidays and festivals, local culture, plus accommodation and where to eat and drink. Walkers, bird-watchers, wildlife photographers, beach lovers and genealogists are all catered for, and this is an ideal guide for those who travel simply with curious minds to discover far-flung places of great cultural, historical and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. Huge variations in landscape are found across the islands, from Lewisian gneiss, which dates back almost three billion years, to rugged Harris with its magnificent sands running down its western flanks and the windswept, undulating flatness and jagged sea lochs of the Uists. This is a land where Gaelic is increasingly spoken and ancient monuments abound, where stunning seabird colonies and birds of prey can be watched, and where the grassy coastal zones known as the machair are transformed into glorious carpets of wildflowers in late spring and summer. Whether visiting the Standing Stones of Callanish, the Uig peninsula, Barra's Castle Bay, or historic St Kilda, or if you just want to experience the romance of the Sound of Harris, one of the most beautiful ferry journeys in the world, Bradt's Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra has all the information you need.

**The Hebridean Traveller**-Denis Rixson 2004 For centuries the Highlands and Islands of Scotland were regarded as culturally as well as physically distinct. Highlanders had a bad reputation, or suffered from a bad press,

depending on perspective. This imaginative and stimulating book explores the various attitudes to the area through the writing of those who travelled there over the centuries. In it Denis Rixson examines a huge a variety of sources, from early lists of the islands to Dean Munro, Timothy Pont and Martin Martin; from maps and charts to official records of the Church and State and the dozens of individual accounts by those who visited the area and encountered its people. These records enable us to build up a remarkably detailed composite picture of a remote area which was long hidden from the rest of Britain, sheltered by distance, obscured by differences of language and culture and often politically and militarily opposed. The Hebridean Traveller concentrates on the period from earliest times to around 1800, when the modern tourist industry was beginning to develop.

#### **The Death and Resurrection of a Coherent Literature Curriculum**

Sandra Stotsky 2012-06-16 Unless experienced and well-read English teachers can develop coherent and increasingly demanding literature curricula in their schools, average high school students will remain at about the fifth or sixth grade reading level--where they now are to judge from several independent sources. This book seeks to challenge education policy makers, test developers, and educators who discourage the assignment of appropriately difficult works to high school students and make construction of a coherent literature curriculum impossible.

#### **ABC Dinosaurs**-Jan Pieńkowski 1993-01-01

**An ABC of Equality**-Chana Ginelle Ewing 2019-09-03 A is for Ability, B is for Belief, C is for Class. All people have the right to be treated fairly, no matter who they are, what they look like, or where they come from. An ABC of Equality introduces complicated concepts surrounding social justice to the youngest of children. From A to Z, simple explanations accompanied by engaging artwork teach children about the world we live in and how to navigate our way through it. Each right-hand page includes a brightly decorated letter with the word it stands for and an encouraging slogan. On the left, a colorful illustration and bite-size text sum up the concept. Cheerful people from a range of backgrounds, ethnicities, and abilities lead the way through the alphabet. L is for LGBTQIA. Find the words that make you, you. N is for No. No means no. P is for Privilege. Be aware of your advantages. X is for Xenophobia. Ask questions and you'll see there's nothing to be afraid of. Celebrate your Differences, ask more Questions, share your Kindness, and learn to Understand the world.

**The Summer of the Bear**-Bella Pollen 2011-06-07 "A gently absorbing tale which smoothly splices poignant family drama with suspenseful Cold War thriller," from the author of *Hunting Unicorns*. (Daily Mail). In 1980 Germany, under Cold War tension, a mole is suspected in the British Embassy. When the diplomat Nicky Fleming dies—suddenly and suspiciously—some find it convenient to brand him the traitor. As the government digs into Nicky's history, his wife Letty hopes to salvage their family by taking their three children to live on an island in Scotland's Outer Hebrides. But the isolated shores of her childhood retreat only intensify their distance, and it is Letty's youngest child, Jamie, who alone holds on to the one thing he's sure of: his father promised to return. And he was a man who never broke a promise. Named an O Magazine Summer Reading Pick and a selection for NPR's "Books with Personality," *The Summer of the Bear* reads like "García Márquez meets le Carré meets A.A. Milne at times, with hints of William Golding at others" (Kirkus Reviews, starred review).

**The Use of Sacred Books in the Ancient World**-Leonard Victor Rutgers 1998 In this volume a number of scholars from Israel, the USA, and England have joined forces with the well-known Utrecht University Research Unit "The Cultural Milieu of Early Christianity" to investigate in an unprecedentedly interdisciplinary fashion how sacred books functioned in pagan, Jewish, and Christian circles. The 16 essays cover a wide range of topics including a discussion of emergence of canonical scriptures in late antiquity, an investigation of parallels between exegesis of Homer by the Greeks and that of the Bible by the Jews, a study of the rise of Virgil's Aeneid to the status of "canonical" book; a discussion of the use of sacred books as instant oracles; an investigation of the role of the Bible in polemics between Jews and Christians; an analysis of the wide variety of quotation formula's used by New Testament authors, a discussion of the role of biblical interpretation in the thought world of Jesus' brother, James; an investigation of the function of Scripture in the midrash Aggadat Bereshit, and other topics.

**That Close**-Suggs, 2014-11-04 Suggs is one of pop music's most enduring and likeable figures. Written with the assured style and wit of a natural raconteur, this hugely entertaining and insightful autobiography takes you from his colorful early life on a North London council estate, through the heady early days of Punk and 2-Tone, to the eighties, where Madness became the biggest selling singles band of the decade. Along the way he tells you what it's like to grow up in sixties Soho, go globetrotting with your best mates, to make a dead pigeon fly and cause an earthquake in Finsbury Park.

#### **Songs of the Hebrides**-Marjory Kennedy-Fraser 1921

**The Book of Unconformities**-Hugh Raffles 2020-08-25 From the author of the acclaimed *Insectopedia*, a powerful exploration of loss, endurance, and the absences that permeate the present When Hugh Raffles's two sisters died suddenly within a few weeks of each other, he reached for rocks, stones, and other seemingly solid objects as anchors in a world unmoored, as ways to make sense of these events through stories far larger than his own. A moving, profound, and affirming meditation, *The Book of Unconformities* is grounded in stories of stones: Neolithic stone circles, Icelandic lava, mica from a Nazi concentration camp, petrified whale blubber in Svalbard, the marble prized by Manhattan's Lenape, and a huge Greenlandic meteorite that arrived with six Inuit adventurers in the exuberant but fractious New York City of 1897. As Raffles follows these fundamental objects, unearthing the events they've engendered, he finds them losing their solidity and becoming as capricious, indifferent, and willful as time itself.

**Body in the Transept**-Jeanne M. Dams 2012-12-22 For Dorothy Martin, a widowed American who's moved to the England she so loves, the Christmas service is painful enough. It is her first holiday without Frank. And stumbling over the body of Canon Billings does nothing to improve her mood. Of course, she does get to meet Chief Constable Alan Nesbitt, and a good mystery on a chilly English night does have some appeal . . .

**Life in Five Seconds**-H-57 2013-10-01 Winner of the 2013 Cannes Bronze Book Design Lion and the Epica awards, *Life in Five Seconds* is a gift for

anyone with a good sense of humor and a short attention span. H-57 is a design and advertising with two decades of award-winning work in advertising and the masterminds behind the online infographic "History of..." series, which has amassed worldwide popularity. Told in ingenious pictographs that are witty, provocative, and to the point, Life in 5 Seconds takes on 200 important events, inventions, great lives, wonders of the natural world, and cultural icons and boils away the useless details to give you the pure essence of knowledge in a bold and irreverent set of illustrations that speak to today's caffeine-charged, jet-fueled, information-overloaded society. You'll laugh out loud as you finally understand the differences between Satan and Santa Claus; explore the vibrancy of artists from Beethoven to Banksy; compare the masonry in the Great Wall of China to that of the Berlin Wall; weigh the importance of Elvis; deconstruct the genius of Ikea; play with the history of video games; and plumb other vitally important holes in your knowledge. From the Hardcover edition.

**The Underpainter**-Jane Urquhart 2014-09-18 The Underpainter is a novel of interwoven lives in which the world of art collides with the realm of human emotion. It is the story of Austin Fraser, an American painter now in his later years, who is haunted by memories of those whose lives most deeply touched his own, including a young Canadian soldier and china painter and the beautiful model who becomes Austin's mistress. Spanning decades, the setting moves from upstate New York to the northern shores of two Great Lakes; from France in World War One to New York City in the '20s and '30s. Brilliantly depicting landscape and the geography of the imagination, The Underpainter is Jane Urquhart's most accomplished novel to date.

**The British Book Trade**-Sue Bradley 2010 The book trade underwent a radical change at the end of the twentieth century that mirrored our cultural fascinations with electronic media and consumer culture, as old family firms were replaced by corporations, the ending of the Net Book Agreement gave shops a new freedom to compete by cutting their prices, and booksellers saw patrons increasingly influenced by the rise of the Internet. The British Book Trade is more than a book about books that considers the influence of these events and others- it also describes the heyday of book publishing and how that world has changed. This volume provides access to a culture often perceived as glamorous, incestuous, and hard to enter, through the words of insiders across the board—from sales representatives and shop assistants to secretaries, editors, and executives. Their experiences range from the 1920s to the present and include recollections of the British trade at home and overseas as far as Australia, South East Asia, and India. The British Book Trade draws on accounts from the Book Trade Lives collection of in-depth oral history interviews recorded by the National Life Stories and accessible through the British Library Sound Archive—which presents a wealth of seldom-heard materials on book and publishing culture.
