This book presents a broad range of original data on childhood in Victorian Britain. It combines a social science approach to data with historical context, resulting in a highly readable account based on sound historiography. Against a backdrop of the industrial revolution, an expanding economy, and a rising standard of living, Victorian Childhood explores life and death, child development, the family, work, education, social life, cities, crime, and advocacy and reform. children during the nineteenth century and on their increasing displacement of adults in the workplace, the author demonstrates that they did not share proportionately in the increased standard of living. Jordan's book is a unique piece of scholarship in its range, focus, and presentation. Original sources such as diaries and memoirs not previously cited elsewhere, literature from the period, and anecdotes from the children themselves animate the statistical background and provide vivid pictures of their lives.

Danny-Lori Beam 2011-02
Danielle MacArthur's stubborn streak doesn't endear her to her father. Not that being agreeable would change much-everything on the farm is under his strict control and, as the proverbial whipping child, she bears the bulk of his abuse. But no matter how unlikely it seems, Danny still dreams of escape. The wheels start rolling for Danny one day at the racetrack that the farm borders. Danny is invited across the red ropes for an

autograph from the elusive K.C. Burnum, the heartthrob of the racing industry. The chance encounter has unexpected results on many levels as Danny learns to become her own person and makes choices that will change her life forever. **Danny: A Tale of the #1 Fan** weaves together characters, romance and heart-pounding action on the racetrack in a story that will have readers cheering for more as they cross the finish line. About the Author: Lori Beam comes from a family that races stock, Enduro and drag cars, giving her first-hand knowledge of racing that she put to use in writing this novel. She lives in Sparrows Point, Maryland, and works as a longshoreperson at the Port of Baltimore. She is currently working on *The Wild Wind*, which is the sequel to her first book, *Cliff's Edge*.
