**Justin Time**-Brandon James Scott 2012 Justin loves locomotives. Now can he, Squidgy, and Olive pilot a train to deliver valuable cargo? Official book adaptation from the popular animated TV show. All aboard! Like kids everywhere, Justin loves playing with trains. Now he and his pal Squidgy imagine themselves behind the wheel of a classic steam train. Plus their friend Olive has important cargo for them to deliver! Wooo hooo! Learning how a tank engine works is exciting. But they discover it's not easy getting through the railroad tracks in the Canadian wilderness. Will their barrel of delicious maple syrup make it to Flap Jack Falls in time for the popular Pancake Festival? Never give up! Kids and parents appreciate how the Justin Time TV series highlights the importance of creativity. Teachers and librarians like how Justin travels around the world and into different eras to learn about history, social interaction, and life lessons. Global cultures inspire co-creator Brandon James Scott to stoke kids' imaginations to broaden their horizons and learn about new animals, customs, and places. Scott illustrated all new original art for this book adaptation. This book series is based on episodes from a popular animated television show, which airs on Netflix and PBS Sprout in the USA, NBC Kids on Saturday mornings, and on Disney Junior channels in Canada, Australia, New Zealand, Germany and Italy. The series also airs on Discovery Kids Latin America, Discovery Familia in the U.S., Finland's YLE, Israel's Hop!, South Korea, and Super RTL (SRTL) Germany. - - - "As the Justin Time TV series gains popularity...this series of books is sure to appeal to preschoolers...Boys, in particular, will enjoy following Justin to different places and times around the world on his magical steam engine. Highly Recommended." - CM magazine "Remember as a kid when possibilities seemed endless and a cardboard box could transform into a fort, a tank, a mountain, or a Super Mario pipe?... Justin Time is a new animated program for pre-schoolers that brings that boundless creativity to the small screen. The show centers on Justin, a young boy who imagines himself traveling around the world at different points in history." - Torontoist "Tired of preschool cartoons spending an inordinate amount of time on boring matching games, talking down its audience, or afraid of going out on a creative limb? If so, then meet Justin Time...The series is about trust and teamwork -whether nestled deep in the jungle or perched high on top of a snowcapped mountain - and the many other elements of friendship most conducive to having a great time (and learning a thing or two along the way). Justin Time encourages a kind of freewheeling imagination that hopes to leave the didactic and lazy storytelling of yester-animation in the dust." - Animation Insider "Justin Time is a wonderful series that gives preschoolers a sense of history and all the great things in the world around them - these delightful stories are sure to charm young readers." —Andrew Beecham, Senior Vice President, Programming for PBS KIDS Sprout

**Wall**-Tom Clohosey-Cole 2017-01-26 This spectacular book follows one boy's struggle to reunite his family from the two sides of the Berlin Wall. Although based around true stories, the wall is symbolic of separations around the world, whether it be between whole communities or two individuals. Powerful illustrations teamed with an emotive storyline makes this an impressive debut picture book.

**No Fixed Address**-Susin Nielsen 2018-10-04 Felix Knutsson is nearly thirteen, lives with his mother and pet gerbil Horatio, and is brilliant at memorising facts and trivia. So far, pretty normal. But Felix and his mom Astrid have a secret: they are living in a van. Astrid promises it's only for a while until she finds a new job, and begs Felix not to breathe a word about it. So when Felix starts at a new school, he does his very best to hide the fact that most of his clothes are in storage, he only showers weekly at the community centre, and that he doesn't have enough to eat. When his friends Dylan and Winnie ask to visit, Felix always has an excuse. But Felix has a plan to

turn his and Astrid's lives around: he's going to go on his favourite game show Who, What, Where, When and win the cash prize. All he needs is a little luck and a lot of brain power . . . Susin Nielsen deftly combines humour, heartbreak, and hope in this moving story about people who slip through the cracks in society, and about the power of friendship and community to make all the difference.

**The Devil and the Dark Water**-Stuart Turton 2020-10-06 "Compulsively readable."—New York Times Book Review The extraordinary new thriller from Stuart Turton, author of the bestselling murder mystery *The 7 1/2 Deaths of Evelyn Hardcastle*, winner of the Costa Best First Novel Award. A murder on the high seas. A remarkable detective duo. A demon who may or may not exist. It's 1634, and Samuel PIPPS, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With PIPPS imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. For fans of Steven King, *The Devil and the Dark Water* brings a chilling new spin to the Sherlock Holmes detective duo in a thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.

**Oceanology**-Emily Hawkins 2009 Oceanology purports to be the true account of a voyage of discovery beneath the waves, undertaken by a Captain Nemo in his submarine the Nautilus in 1866. Accompanied by a crew that included a number of scientists, naturalists and artists, the objective of the expedition was to circumnavigate the globe, exploring the world's great oceans to uncover their many mysteries. The book was compiled by de Lesseps, a 16 year-old assistant to Nemo's marine biologist Professor Pierre Aronnax. He was the only member of the expedition to return alive, some three years later. His next position of employment was as an assistant to the fledgling writer Jules Gabriel Verne in Paris but ill-health, which had dogged de Lesseps since his return from the voyage, caused him to be admitted to a sanatorium in 1869. He died that same year.
