The Genius of Islam-Bryn Barnard 2013-04-24 The Middle Ages were a period of tremendous cultural and scientific advancement in the Islamic Empire—ideas and inventions that shaped our world. Did you know that:
• The numbers you use every day (Arabic numerals!) are a Muslim invention?
• The marching band you hear at football games has its roots in the Middle East?
• You are drinking orange juice at breakfast today thanks to Islamic farming innovations?
• The modern city's skyline was made possible by Islamic architecture?
The Muslim world has often been a bridge between East and West, but many of Islam’s crucial innovations are hidden within the folds of history. In this important book, Bryn Barnard uses short, engaging text and gorgeous full-color artwork to bring Islam’s contributions gloriously to life. Chockful of information and pictures, and eminently browsable, The Genius of Islam is the definitive guide to a fascinating topic.

Contemporary Bioethics-Mohammed Ali Al-Bar 2015-05-27 This book discusses the common principles of morality and ethics derived from divinely endowed intuitive reason through the creation of al-fitri' a (nature) and human intellect (al-'aql). Biomedical topics are presented and ethical issues related to topics such as genetic testing, assisted reproduction and organ transplantation are discussed. Whereas these natural sources are God’s special gifts to human beings, God’s revelation as given to the prophets is the supernatural source of divine guidance through which human communities have been guided at all times through history. The second part of the book concentrates on the objectives of Islamic religious practice – the maqal' sid - which include: Preservation of Faith, Preservation of Mind (intellect and reason), Preservation of Progeny (al-nasl) and Preservation of Property. Lastly, the third part of the book discusses selected topical issues, including abortion, assisted reproduction devices, genetics, organ transplantation, brain death and end-of-life aspects. For each topic, the current medical evidence is followed by a detailed discussion of the ethical issues involved.

Muslim Girl, Growing Up-Natalia Nabil 2018-01-05 “How can I prepare her for this new phase? I wanted to find a resource that can explain the details of this special stage while also integrating the important aspects of it from the Islamic religion. Being from the West, most books I found only explained the physiological changes. But I found that Muslim girls, especially ones from Western countries, need to know more about the religious implications of this stage. So I decided to write this guide to help young girls understand the basic things a Muslim girl should know about puberty, including the religious aspects that come along with it. However, this guide is just a starter to the journey ahead. I encourage parents to talk with your teens and pre-teens about this important stage of life to have a full and thorough understanding.” - Natalia Nabil Includes: What is puberty and its stages. Hygiene tips. Religious duties to perform. And ones to stay away from. And much more

Discover the Power of Salah-Farheen 2018-10-17 Do you want your children to understand the power and the success salah brings in our life?Do you want your children to understand the reasons we pray, so they are even more motivated to pray?Do you want your children to love their salah even more and look forward to the incredible blessings it brings in our lives?Then this is the book you MUST give your child.Why do we have to pray? Why do we have to wake up so early for fajr? Why pray everyday? How will my salah help me? Why do I have to pray early?Don't just tell your children to pray but strenthen their emaan and love for it, by helping them understand “Why” we pray.This book is not like the multitudes of great books out there, on the topic of “HOW we pray” or to simply to tell children that they must pray. Rather this is a book that goes DEEP into reasons, uses exciting and relatable anecdotes, engaging stories to help children understand the various benefits they will enjoy from prayingPage count: 201Age group: 7 to 15 Parents can read to children younger than 7 and help them in understanding the concepts.

Cinderella-Fawzia Gilani 2016-12-11 "It's easy to feel a sense of peace after completing Fawzia Gilani's Cinderella. This humble version of the classic fairy tale is a gentle reminder that victory comes as much from a peaceful soul as a beautiful dress and a dramatic confrontation." - Luxury Reading Cinderella is one of the oldest, best-known, and most loved stories worldwide, with hundreds of cultural variants and re-tellings from ancient Egypt and China to the present day. In this version we follow the trials and tribulations of the sweet, gentle, and pious Zahra when her parents die and she is left at the mercy of an uncaring stepmother and stepsisters. This is a well-crafted Islamic version of the classic tale in which faith, goodness, and prayer are rewarded in the end. The charming, richly detailed illustrations of Shireen Adams, set in medieval Andalusia, help bring the text to life.

Islam-John L. Esposito 1988 Provides a survey of the Islamic experience, introducing the faith, belief, and practice of Islam from its origins to the present day.
