Barron's Dictionary & Thesaurus -Robert Allen 2007-04-01 Here’s an especially handy two-in-one reference volume for middle school and high school students. The top half of every page serves as a standard dictionary, while the bottom half is a thesaurus that presents selected words from the dictionary section and gives a list of synonyms for each. This dictionary-thesaurus combination offers definitions of more than 40,000 words and phrases, augmented with over 100,000 synonyms. Headwords in both sections are printed in color. Each dictionary headword is designated by its part-of-speech and comes with one or more definitions. Every thesaurus headword—in addition to its list of synonyms—comes with an example sentence that uses the word in context. Corresponding dictionary and thesaurus entries are always cited on the same page for fast, easy reference.
American Slang Dictionary and Thesaurus -Mary Elizabeth 2009-09-01 This unique reference volume is two books in one: a dictionary of slang and a slang thesaurus, with both sections treating the same words and phrases. Entries are arranged alphabetically in the dictionary and thematically in the thesaurus, and include definition, pronunciation, part of speech, —and origins, usage information, and usage alerts when applicable, —in both the thesaurus and the dictionary. All entry words are visually coded to help you distinguish slang that is potentially objectionable from other slang, and all synonyms are coded for the level of formality (formal, informal, no register) and separated by part of speech. This gives you more information about the potential effects of your word choice on your audience, so you have a much better chance than with a , “regular,” thesaurus of picking the right word for your particular context the first time. Graphics and brief articles are added to show you slang , “under the hood,” —the patterns and features that characterize slang usage. With this book, you’ll be able to find out how the screaming meemies got their name, why someone might be offended if you use the apparently inoffensive word crumbs, which words that mean , “to kill,” also mean , “to cause riotous laughter,” and easily distinguish whether someone is an old fart, a son of a bitch, or just a silly ass. Here is a handy reference book for students, word buffs, and professional writers, — a title that merits a place in every reference library. Printed throughout in two colors.
Children's Books in Print, 2007 - 2006
School Library Journal - 2005
Children's Book Review Index -Gary C. Tarbert 2006

Federal supplement. [First Series.] - 1983

Barron's 500 Flash Cards of American Sign Language-Geoffrey S. Poor 2009-04-10 Full-color photos on flash cards present close-ups of a model demonstrating 500 American Sign Language (ASL) signs. The meanings, brief descriptions of hand and arm motions, and related words are listed on the reverse side of each card. Correct formations of hand shapes and facial expressions are clearly shown to eliminate any possible confusion regarding intended word meanings. Where appropriate, photos include directional arrows that show hand or arm movements. Each flash card has a hole in one corner to accommodate a metal ring included with the boxed set. Users can select and fit any combination of cards they please to combine relevant words and create statements, or to review signs that they have difficulty identifying. Here is an ideal method for recognizing and memorizing American Sign Language vocabulary--a fine learning resource for all who plan to work with deaf people.

Libro de sinónimos y antónimos-Harriet Wittels 1996 Although much progress has been made in recent years in teaching Spanish to elementary-grade English-speaking children, no reliable book of Spanish words, synonyms, and definitions has been available to them on their own level. Since it's unlikely that most children will go an adult-level Spanish word book, the need in schools for this reference is obvious. Approximately 2,000 Spanish words with their synonyms and hundreds of antonyms are presented and translated into English in this volume.

Radio Daily- 1946 vols. for 1945- include: Shows of tomorrow annual ed.

Library Journal- 1996-04
