The Chapo Guide to Revolution-Chapo Trap House 2019-10-15 Instant New York Times bestseller "Howard Zinn on acid or some bullsh*t like that." —Tim Heidecker The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like "a weirder, smarter, and deliciously meaner version of The Daily Show's 2004 America (The Book)" (Paste), Chapo Trap House shows you that you don't have to side with either sinking ships. These self-described "assholes from the internet" offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the "secret" history of the world, politics, media, and everything in-between that THEY don't want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that's "as intellectually serious and analytically original as it is irreverent and funny" (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, "never before seen" drafts of Aaron Sorkin's Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you're a fan of

sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we're in, then Chapo, let's go...

Dad Is Fat-Jim Gaffigan 2017 In Dad is Fat, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young children-everything from cousins (celebrities for little kidso) to toddlers' communication skills (they always sound like they have traveled by horseback for hours to deliver important news), to the eating habits of four year olds (there is no difference between a four year old eating a taco and throwing a taco on the floor). Dad is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home.

Hoot-Carl Hiaasen 2019-06-13 Hilarious, touching and thought-provoking, Hoot is a modern classic, now celebrating its fifteenth

anniversary. Winner of the Newbery Honor award and a New York Times bestseller, Carl Hiaasen's first novel celebrates the natural world with his trademark wit and warmth. Roy Eberhardt never wanted to move to Florida. In his opinion, Disney World is an armpit. Roy's family moves around a lot so he's used to the new-kid drill - he's also used to bullies like Dana Matherson. And anyway, it's because of Dana that Roy gets to see the mysterious running boy who runs away from the school bus and who has no books, no backpack and, most bizarrely, no shoes. Sensing a mystery, Roy starts to trail the mystery runner - a chase that will introduce him to many weird Floridian creatures: potty-trained alligators, cute burrowing owls, a fake-fart champion, a shoeless eco-warrior, a sinister pancake PR man, new friends and some snakes with sparkly tails. As the plot thickens, Roy and his friends realise it's up to them to save the endangered owls from the evil Mother Paula's pancake company who are planning to build a new restaurant on their home . . .

Loser-Jerry Spinelli 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Whale Season-N. M. Kelby 2006-01-17 One Christmas Eve, Whale Harbor is visited by a man who thinks he's Jesus and claims to be looking for a game of poker. But, as usual, things are not quite what they seem. Having some version of the Lord in town for his birthday creates a strange effect on the locals: unlikely couples are breaking up and making up and making out; a luxury mobile home that belonged to an elderly couple from New Jersey (until they disappeared after a run-in with "the Lord") is won by a down-on-his-luck gambler in an unbelievable hand of poker; the area's most well-known and long-forgotten tourist attraction is rising up from a hole in the ground; and a gun no one has used in years is suddenly in hot demand. In the steamy climes of southern Florida, you take your miracles where you can get them—and if that means being led to salvation by a schizophrenic with a rap sheet, so be it. In the rollicking tradition of Carl Hiaasen's Tourist Season, with the heart of Garrison Keillor's Lake Wobegon, and peopled by the kind of colorful characters who would be quite at home in any Tom Robbins novel, N. M. Kelby's Whale Season is a sharp and funny novel made up of equal parts comic adventure and serial-killer inspired mayhem.
