**Afro-Caribbean Religions-**Nathaniel Samuel Murrell 2010-01-25 Religion is one of the most important elements of Afro-Caribbean culture linking its people to their African past, from Haitian Vodou and Cuban Santeria—popular religions that have often been demonized in

popular culture—to Rastafari in Jamaica and Orisha-Shango of Trinidad and Tobago. In Afro-Caribbean Religions, Nathaniel Samuel Murrell provides a comprehensive study that respectfully traces the social, historical, and political contexts of these religions. And, because Brazil has the largest African population in the world outside of Africa, and has historic ties to the Caribbean, Murrell includes a section on Candomble, Umbanda, Xango, and Batique. This accessibly written introduction to Afro-Caribbean religions examines the cultural traditions and transformations of all of the African-derived religions of the Caribbean along with their cosmology, beliefs, cultic structures, and ritual practices. Ideal for classroom use, Afro-Caribbean Religions also includes a glossary defining unfamiliar terms and identifying key figures.

**Good News-**John MacArthur 2018 Everything the Bible has to say about the gospel is simply an exposition of its central message: Jesus Christ lived and died to save sinners. The gospel is about Him, and it answers Jesus' key question: "Who do you say that I am?" It is good news. In Good News: The Gospel of Jesus Christ, Dr. John MacArthur examines the Bible's revelation of Christ and encourages Christians with the vast implications of all that Christ accomplished for them. This is a book to rekindle love and awe for the Savior.

**The Ultimate Catholic Student Bible-**Rainbow Studies International 2003

**Redeemed Sexuality-**Andrew A. Boa 2017-12-12 Sexual brokenness permeates our culture and has found its way into the church. Even though Christians are called to value and celebrate sexuality as sacred and good, it is often a source of fear, shame, or secret sin. But it doesn't have to be that way. Healthy sexuality concerns what we pursue, not just what we avoid, so Redeemed

Sexuality invites emerging adults to seek sexual maturity and discipleship in the context of community. As we experience love, joy, and intimacy with God and others, sexual shame and sin lose their power. Integrating theology, psychology, and spiritual formation, participants engage the process of transformation by practicing vulnerability embracing their identity in Christ learning healthy intimacy Incorporating peer-to-peer leadership, this field-tested small group curriculum is suitable for use in both men's or women's groups. The process is neither linear nor easy, but change is possible because Christ is able. The only question is, Do you want to be healed?

**Assessment for Equity and Inclusion**-A. Lin Goodwin 2012-12-06 How students are assessed can determine not only the quality, type, and degree of education they receive, but has long-term consequences for their future. Assessment by standardized testing often labels poor and minority children in ways that exclude them from opportunities, while failing to measure their true potential. Assessment for Equity and Inclusion confronts the debate between standardized testing and alternative assessment methods, locating strategies of assessment by which students are included rather than excluded.

**Breaking Loose**-Sarah Jansson 2017-06-16 In this book, we will address almost every form of bondage, both mentally and physically that may have been holding you back and holding you down. This would also apply equally to others that you may minister to. You will also find tools that can be used to set you and others free in the Holy Name of Jesus. We will talk about many of the devil's schemes that have been in your life for years and have kept you or others in bondage. The Word of God says, 'Whom the Son sets free is free indeed'. Jesus came to set you free, spirit,

soul, and body. Jesus also said, "My people perish for lack of knowledge". I lay out many of the Scriptures that go along with each of the headings we will be discussing. We will explore what the Word of God reveals that we can do to be set free from the enemy's many tactics that he places against us. You'll also find that I wrote out for you some Word prayers you can utilize for yourself and others. I have been set free in many of these areas myself and have been used by Holy Spirit in my ministry, especially out in the streets, to set others free. It is my prayer that Holy Spirit will speak to you, guide you, direct you, and empower you as you make your way through this book to be totally set free to the glory of God. I also pray that as you are set free that Jesus through the Holy Spirit of God will open many doors for you and use you to set others free in His Holy Name. May you also empower them to go forth as they are set free to set others free. Free from all that the enemy has kept them from fulfilling. Blessings to you as you BREAK LOOSE and go forth to the Glory of God!

**Poisonous2pets**-Nicole O'Kane 2011 Allows rapid access to visual and written information about plants which are poisonous to dogs and cats. It enables owners to identify the dangerous plant and know what to do if their pet is poisoned. The book outlines potential toxicity to pets by categorising the plants into four levels with each toxic level identified by colours found on the edge of each page. However, prevention is better than cure and the information in this book also helps pet owners and garden designers "poison proof" the home and garden.

**Diversification in the Language Industry**-Nicole Y. Adams 2013 Technology and globalization are changing the environment for translators today. Is it possible to maintain a viable career in a climate of increased automation of translation and downward pressure on rates? Nicole Y. Adams' book brings together the experiences of successful language

professionals who have explored ways of capitalizing on their different skills to enter new areas and ensure viability and variety in their working lives. Among other ideas, learn how: machine translation can be on your side a translator can be creative language teaching is not confined to the classroom voiceover is not the exclusive domain of actors advanced technical skills can give you the edge a translator can become the hero of a cartoon strip. This book will inspire today's translators and set them up for 'success beyond translation.'
