Corelli's Mandolin-Louis De Bernières 1995 The idyllic world of the Greek island of Cephallonia is forever changed by the inexorable changes of World War II, as the inhabitants struggle to cope with the Axis invasion and occupation

Captain Corelli's Mandolin-Louis de Bernieres 2011-08-01 It is 1941 and Captain Antonio Corelli, a young Italian officer, is posted to the Greek island of Cephallonia as part of the occupying forces. Ostracised at first, he proves in time to be peace-loving, humorous - and a consummate musician. A burgeoning love with the local doctor's daughter, whose letters to her fiancé - and members of the underground - go unanswered, seems inevitable. But can it survive as a war of bestial savagery gets closer and the lines are drawn between invader and defender?

Captain Corelli's Mandolin-Louis De Bernières 2001-04 A tragicomedy on a Greek island during World War II. The hero is Antonio Corelli, a mandolin-playing captain of the occupying Italian army, the heroine is Pelagia Iannis, daughter of a local doctor, who is engaged to a Greek resistance leader, Corelli's enemy. The novel follows their adventures as Italy switches sides, the Germans invade and the war turns into a free for all.

Birds Without Wings-Louis de Bernières 2011-11-30 Set against the backdrop of the collapsing Ottoman Empire, Birds Without Wings traces the fortunes of one small community in south-west Anatolia - a town in which Christian and Muslim lives and traditions have co-existed peacefully for centuries. When war is declared and the outside world intrudes, the twin scourges of religion and nationalism lead to forced marches and massacres, and the peaceful fabric of life is destroyed. Birds Without Wings is a novel about the personal and political costs of war, and about love: between men and women; between friends; between those who are driven to be enemies; and between Philothei, a Christian girl of legendary beauty, and Ibrahim the Goatherd, who has courted her since infancy. Epic in sweep, intoxicating in its sensual detail, it is an enchanting masterpiece. 'A mesmerising patchwork of horror, humour and humanity' Independent

Captain Corelli's Mandolin-Steve Clark 2001 The island of Cephallonia is now familiar as the setting of the novel Captain Corelli's Mandolin. This book explores the turbulent history of the island, focusing on the World War II years of Italian occupation, as well as telling the behind-the-scenes story of how the film version was made. The filmmakers have added their own visions, carefully explained here in an official companion to the movie, and de Bernieres' introduction shows how he anticipated that. All he could do to ensure respectful treatment of his novel was insist it should not be sold to Hollywood. The history of the filming is itself fascinating--the search for the cast, the locations, even the guns for the battle sequences. Film journalist Steve Clark has done a good job here, aided and abetted by the stunning Greek island setting and ample action and character stills from the film.

The Troublesome Offspring of Cardinal Guzman-Louis de Bernieres 2012-06-13 With the same ebullient storytelling, luxuriant prose, and irrepressible eroticism he brought to The War of Don Emmanuel s Nether Parts

and Señor Vivo and the Coca Lord, Louis de Bernières continues his chronicle of Cochadebajo, the Andean village where macho philosophers, defrocked priests, and reformed (though hardly inactive) prostitutes cohabit in cheerful anarchy. But this unruly utopia is imperiled when the demon-harried Cardinal Guzman decides to inaugurate a new Inquisition, with Cochadebajo as its ultimate target. On his side, the Cardinal has an army of fanatics who are all too willing to destroy bodies in order to save souls. The Cochadebajeros have precious little ammunition, unless you count chef Dolores's incendiary Chicken of a True Man, and a civil defense that deems nothing more crucial than the act of love. Part epic, part farce, The Troublesome Offspring of Cardinal Guzman confirms de Bernières's reputation as England's answer to Gabriel García Márquez.

Notwithstanding-Louis de Bernieres 2016-10-18 As the world around it marches forward, the bucolic English village of Notwithstanding remains unchanged. It is, as it always has been, a place of pubs and cricket pitches, where local eccentrics—a retired colonel who has eschewed clothes, a spiritualist living with the ghost of her husband, and a dog named Archibald Scott-Moncrieff—almost fit in. In this delightfully evocative collection of stories, in which a young couple falls in and out of love by letter alone, an eleven-year-old boy battles a monstrous fish, and a man of the cloth has a premonition of death, Louis de Bernières conjures up a rural idyll long since forgotten. Funny, bittersweet, and deeply felt, Notwithstanding is the bestselling author of Corelli's Mandolin at his most enchanting.

The Dust That Falls from Dreams-Louis de Bernieres 2015-08-04 From the acclaimed author of Corelli's Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father's hand at breakfast and address him as "sir." On the other side is the Pitt family: a "resolutely French" mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly "going to grow up into a pair of daredevils and adventurers." In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending "snaps" of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as "the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty," everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, The Dust That Falls from Dreams also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

The War of Don Emmanuel's Nether Parts-Louis de Bernieres 2012-06-20 This rambunctious first novel by the author of the bestselling Corelli's Mandolin is set in an impoverished, violent, yet ravishingly beautiful country somewhere in South America. When the haughty Dona Constanza decides to divert a river to fill her swimming pool, the consequences are at once tragic, heroic, and outrageously funny. "Walks a precarious edge between slapstick and pathos, never once losing its balance."--Washington Post Book World.

Walking the Dog: And Other Stories-Bernard MacLaverty 1996-08-17 A rich collection of short stories by one of Ireland's contemporary literary masters. This long-awaited new collection from the noted Irish writer Bernard MacLaverty examines worlds in collision, relationships fragmenting, innocence coming face to face with real life and real death. A Catholic schoolboy playing football has a theological debate with a Protestant policeman; a chess game in Spain is a catalyst for grief and redemption; in the haunting title story a Belfast man out walking his dog is kidnapped at gunpoint. As always, MacLaverty's writing is vivid, exact, and pellucid, his characters perfectly observed, the surface of the prose deceptively still. It is only after we enter the world of the stories that we begin to make out the huge shapes that move there: loss, love, disappointment, fierce joy. This is a powerful, honest, and moving book by one of the great storytellers of our age.

Birdsong-Sebastian Faulks 2010-10-01 While staying as the guest of a factory owner in pre-First World War France, Stephen Wraysford embarks on a passionate affair with Isabelle, the wife of his host. The affair changes them both for ever. A few years later Stephen finds himself back in the same part of France, but this time as a soldier in the Battle of the Somme, the bloodiest encounter in British military history. As his men die around him, Stephen turns to his enduring love for Isabelle for the strength to continue and to save something for future generations. For the first time, this beautiful and terrible story about love, courage and the endurance of the human spirit is brought to the stage in a version by Rachel Wagstaff, directed by famed director Trevor Nunn.

A Partisan's Daughter-Louis de Bernieres 2010-07-01 Set in North London during the Winter of Discontent, A Partisan's Daughter features the relationship between Chris, an unhappily married, middle-aged Englishman and Roza, a young Serbian woman who has recently moved to London. While driving through Archway in the course of his job as a medical rep, Chris is captivated by a young woman on a street corner. Clumsily, he engages her in conversation, and he secures an invitation to return one day for a coffee. His visits become more frequent and Roza starts to tell him the story of her life, drawing him increasingly into her world - from her childhood as a daughter of one of Tito's Partisans through her journey to England and on to her more recent colourful and dangerous past in London. A Partisan's Daughter is about the power of storytelling. It is also a beautifully wrought and unlikely love story which is both compelling and moving to read. Here is another wonderful novel from the author of the bestselling Birds Without Wings and Captain Corelli's Mandolin.

Senor Vivo & The Coca Lord-Louis de Bernières 2012-04-24 Dionisio Vivo, a South American lecturer in philosophy, is puzzled by the hideously mutilated corpses that keep turning up outside his front door. To his friend, Ramon, one of the few honest policemen in town, the message is all too clear: Dionisio's letters to the press, exposing the drug barons, must stop; and although Dionisio manages to escape the hit-men sent to get him, he soon realises that others are more vulnerable, and his love for them leads him to take a colossal revenge.

Amy Snow-Tracy Rees 2016-06-07 Winner of the UK's Richard & Judy Search for a Bestseller Competition, this page-turning debut novel follows an orphan whose late, beloved best friend bequeaths her a treasure hunt that leads her all over Victorian England and finally to the one secret her friend never shared. It is 1831 when eight-year-old Aurelia Vennaway finds a naked baby girl abandoned in the snow on the grounds of her aristocratic family's magnificent mansion. Her parents are horrified that she has brought a bastard foundling into the house, but Aurelia convinces them to keep the baby, whom she names Amy Snow. Amy is brought up as a second-class citizen, despised by Vennaways, but she and Aurelia are as close as sisters. When Aurelia dies at the age of twenty-three, she leaves Amy ten pounds, and the Vennaways immediately banish Amy from their home. But Aurelia left her much more. Amy soon receives a packet that contains a rich inheritance and a letter from Aurelia revealing she had kept secrets from Amy, secrets that she wants Amy to know. From the grave she sends Amy on a treasure hunt from one end of England to the other: a treasure hunt that only Amy can follow. Ultimately, a life-changing discovery awaits...if only Amy can unlock the secret. In the end, Amy escapes the Vennaways, finds true love, and learns her dearest friend's secret, a secret that she will protect for the rest of her life. An abandoned baby, a treasure hunt, a secret. As Amy sets forth on her quest, readers will be swept away by this engrossing gem of a novel—the wonderful debut by newcomer Tracy Rees.

Sing Yer Heart Out for the Lads-Roy Williams 2014-01-22 Saturday 7 October 2000. England v Germany, The King George v The Duke of York. Keegan resigns and Barry plays a blinder. Tensions erupt in a South London pub as England lose again. First produced at the National Theatre in 2002, Sing Yer Hearts Out for the Lads became a controversial classic exploring racial tension against the backdrop of an England football match watched in a south London pub. The play highlights how a surface acceptance of racial differences is easily destroyed leading to violent escalation and the polarisation of racial groups.

Imagining Alexandria-Louis de Bernières 2013-08-15 Poetry was Louis de Bernières' first literary love and Imagining Alexandria is his debut poetry collection. Here the author of the much-loved Captain Corelli's Mandolin returns us to the vivid Mediterranean landscape of his fiction. De Bernières was introduced to Greek poetry while in Corfu in 1983, and since then he has always travelled with a book of Cavafy's poetry in his pocket. Not surprisingly, his own poems about the distant past, the erotic and the philosophical owe much to the influence of the great Alexandrian poet. Beautifully illustrated with line drawings by Donald Sammut, this is a collection rich in sensuality, nostalgia, and music.

The White Flag-Marcello Venturi 1969 "Passionate and emotional story of an Italian looking for his father who died on the island of Kefalonia during the Second World War. Intense journey in search of the why of one of the blackest pages in history."--Goodreads

I, in the Membership of My Days-Richard Harris 1973

Red Dog-Louis de Bernieres 2012-09-12 In 1998, Louis de Bernieres—acclaimed author of Corelli's Mandolin—came upon a bronze statue in a town on Australia's northwestern coast and was immediately compelled to know more about "Red Dog." He did not have to go far: everyone for hundreds of miles in every direction seemed to have a story about Red Dog. He was a Red Cloud Kelpie, a breed of sheepdog known for its energy and cleverness. But Red Dog was a kind of ultra-Kelpie, energetic and clever enough for an entire breed in himself. Dubbed a "professional traveler" rather than a stray, Red Dog established his own transportation system, hitchhiking between far-flung towns and female dogs in cars whose engine noises he'd memorized and whose drivers he'd charmed. The call of the wild was matched by the call of the supper dish; Red Dog's appetite was as legendary as his exploits. Everyone wanted to adopt him (one group of workers made him a member of their union), but Red Dog would be adopted by—or, more precisely, he would adopt—only one man: a bus driver whose love life quickly began to suffer and who never quite recovered from Red Dog's relentlessly affectionate presence. Independent, clever, sly, stubborn, courageous and foolhardy, impatient with boredom and the boring, Red Dog endeared himself to (almost) everyone who crossed his path. These funny, surprising, and touching stories of his life are certain to endear him to every reader.

Epitaphs for Underdogs-Andrew Szepessy 2020-08-06 'A wonderful discovery' (Ian McEwan), this is a beguiling dystopian tale of a young man confronted with the truth about freedom. On a hot summer night, a young man sits in a dark cell in a Hungarian prison. The guards do not explain why he is here; he does not know if he will ever be released. But he is far from alone. Others, too, are trapped within the stone walls - singers and students, sages and spies. As he witnesses their outlandish acts of rebellion, he decides it's time to play their game. Drawing on lived experience, Epitaphs for Underdogs is a beguiling and exhilarating novel about power, justice and freedom, and about the solidarity that can be found in even the most unexpected places. 'Beautiful... With its sense of the absurd, its laughter in the dark, it belongs in the great tradition of dystopian literature, with echoes of early Kundera and Nabokov' IAN McEWAN

Covenant with Death-John Harris 2014-09-04 Stirring told from the view of everyday soldiers, Covenant with Death is acclaimed as one of the greatest novels about war ever written. When war breaks out in 1914, Mark Fenner and his Sheffield friends immediately flock to Kitchener's call. Self-Barry Dainton 2014-04-24 In the third in a new series of short, provoking books of original philosophy, acclaimed thinker Barry Dainton takes us through the nature of Self When you think 'What am I?', what's actually doing the thinking? Is it a soul, or some other kind of mental entity separate from your body, or are 'you' just a collection of nerve-endings and narratives? In the third in a new series of short, provoking books of original philosophy, acclaimed thinker Barry Dainton takes us through the nature of Self and its relation to the rest of reality. Starting his journey with Descartes' claim that we are non-physical beings (even if it seems otherwise), and Locke's view that a person is self-conscious matter (though not necessarily in human form), Dainton explores how today's rapid movement of people, and information affects our understanding of self. When technology re-configures our minds, will it remake us, or kill us? If teleportation becomes possible, would it be rational to use it? Could we achieve immortality by uploading ourselves into virtual worlds? Far-reaching and witty, Self is a spirited exploration of the idea that in a constantly-changing world, we and our bodies can go their separate ways.

Dreamers, Discoverers & Dynamos-Lucy Jo Palladino, Ph.D. 2010-12-01 Does your imaginative, computer-proficient daughter tune out in the classroom? Does your spirited son become headstrong and aggressive when faced with the simplest decisions? Does your bold, energetic child have trouble focusing on basic tasks? Millions of children--one in five--have what psychologist Lucy Jo Palladino, Ph.D., calls the Edison trait: dazzling intelligence, an active imagination, a free-spirited approach to life, and the ability to drive everyone around them crazy. Named after Thomas Edison--who flunked out of school only to harness his talents and give the world some of its finest inventions--the Edison trait is on the rise in our younger generation. The heart of the issue is that they think divergently--they overflow with many ideas--while schools, organized activities, and routines of daily living reward convergent thinking, which focuses on one idea at a time. Drawing on examples from more than two decades of private practice, Dr. Palladino helps us cope with this challenging aspect of our child's intellect and personality, explaining in clear terms: - The three Edison-trait personality types: dreamers, discoverers, and dynamos - The eight steps to understanding, reaching, and teaching your Edison-trait child - The connection between the Edison trait and A.D.D.
