Communicating Science-Toss Gascoigne

2020-09-14 Modern science communication has emerged in the twentieth century as a field of study, a body of practice and a profession—and it is a practice with deep historical roots. We have seen the birth of interactive science centres, the first university actions in teaching and conducting research, and a sharp growth in employment of science communicators. This collection charts the emergence of modern science communication across the world. This is the first volume to map investment around the globe in science centres, university courses and research, publications and conferences as well as tell the national stories of science communication. How did it all begin? How has development varied from one country to another? What motivated governments, institutions and people to see science communication as an answer to questions of the social place of

science? Communicating Science describes the pathways followed by 39 different countries. All continents and many cultures are represented. For some countries, this is the first time that their science communication story has been told.

Fun In Devlok: Saraswati's Secret River-

Devdutt Pattanaik 2011-07-01 An unusual collection of stories from the myths by the author of *Jaya: An Illustrated Retelling of the Mahabharata* and *Myth=Mithya* which will bring the gods right into the world of children! Filled with delightful illustrations each book in this new series will introduce thoughts and aspects from our ancient treasure trove of stories for today's children. Why did River Saraswati disappear? Will the vanished river ever reappear? Can you make a river flow in your school? Mrs Sivakami, principal of Madame Mira High School, is astonished when she finds Goddess Saraswati wandering the corridors of her school. The goddess is in search of a missing river! To show her the ancient river and what happened to it, Saraswati puts Mrs. Sivakami on the back of Hansa, her goose, and off they go flying. The teacher sees some schools where students come and go as they please, and others where everyone has a parrot head! She then begins to understand why it is important to make the river flow again, and how she can bring the secret river to her very own school.

A Mama for Owen-Marion Dane Bauer 2010-11-16 Owen the baby hippo and his mama were best friends. They loved to play hide-and-seek on the banks of the Sabaki River in Africa. That was all before the tsunami came and washed Owen's world away. But after the rain stops, Owen befriends Mzee, a grayish brown tortoise. He plays with him, snuggles with him, and decides he just might turn out to be his best friend and a brand-new mama. Inspired by the tsunami of 2004, acclaimed storyteller Marion Dane Bauer and celebrated illustrator John Butler depict this heartwarming true tale of healing, adoption, and rebirth -- with splendid illustrations and oodles of love.

Fun In Devlok: Shiva Plays Dumb Charades-

Devdutt Pattanaik 2011-07-01 Five children are having fun one evening, playing dumb charades, when Shiva appears and wants to join in! Shiva turns out to be the best at dumb charades, as

well as in asking riddles. He can say so much with only his actions! He also tells the children wonderful stories with the help of the many objects he carries with him, like the rattle drum, the crescent moon and a fountain of water that rises from his head. Soon, thanks to Shiva's playfulness, the children know much more about Shiva and the other gods—even more than their parents! How does Shiva talk to us without speaking? Who is the demon of forgetfulness? What is the secret of the Natraj statue?

Hinduism-Madhu Bazaz Wangu 2009 Discusses the history, beliefs, and traditions of Hinduism, dispelling misconceptions and providing understanding of the interconnection of religion and politics in India, the problems facing Hindu communities around the world and American movements in Hinduism.

White Girl Bleed a Lot-Colin Flaherty 2013

"Beat Whitey Night, the Knockout Game, flash mobs, flash robs, and black-on-white crime-or as one social worker put it, kids just "blowing off steam"--Are evidence of the persistent racial violence in modern-day America. More shocking, though, is the willingness of authority figures and the media to deny, ignore, explain away, and condone this violence. In this latest edition of 'White Girl Bleed a Lot', award-winning reporter Colin Flaherty breaks the code of silence on the explosion of racial violence in more than one-hundred cities since 2010 and makes an undeniable case for one of the largest and most underreported problems facing American today"-Page 4 of cover.

A Pebble for Your Pocket-Thich Nhat Hanh

2006-04-09 Drawn from Thich Nhat Hanh's Dharma talks given to young people, *A Pebble for Your Pocket* presents the basic teachings of the Buddha in accessible and modern language. Combining the stories and mediation practices from the previous edition of *A Pebble for your Pocket* with those collected in *Under the Rose Apple Tree* plus several new stories, this completely revised edition is written in a conversational style, and is comprised of Buddhist parables, and stories from the author's own childhood experiences. They elucidate principles of Buddhism and mindfulness practice, and give the young reader and their parents concrete advice on handling difficult emotions

such as anger, from which the title - a pebble for your pocket - is taken. Written in a highly accessible style that doesn't rely on lot of jargon or difficult vocabulary requiring breaks for explanation, Thich Nhat Hanh emphasizes the importance of the present moment through vivid metaphors, original allegories, and colorful stories. Young readers will learn about handling anger, living in the present moment, and "interbeing" — the interconnectedness of all things. Thich Nhat Hanh offers various practices that children can do on their own or with others that will help them to transform anger and unhappiness and reconnect to the wonders of nature and the joy of living in the present moment. This revised edition contains teachings and stories that the whole family can enjoy, as well as practices such as transforming anger in the family, instructions on how to invite the bell, breathing and sitting meditation, touching the Buddha inside, and others. This revised edition of *A Pebble for your Pocket* remains a unique and classic title in a market with few other substantial offerings on this topic. It's teachings on spirituality and awareness are thought provoking on a child's level. This significantly expanded version includes all stories and practices previously published in *Under the Rose Apple Tree* plus 3 never before published stories. With 10 b/w illustrations by Philippe Ames and Nguyen Thi Hop. Ages 6-13. (Second graders and up)

Hinduism-Nalini Rangan 2017 Hinduism is one of the world's oldest religions. It originated in the beliefs and practices of various civilizations and cultures that lived in the Indus River Valley more than 3,000 years ago. Hinduism is also one of the world's most complex and diverse religions, and its followers, known as Hindus, have a great variety of core beliefs and revere millions of different deities. Today, around 1 billion people follow Hinduism, making it the world's third-largest religion. Most Hindus live in India and Nepal. This book examines the origins and history of Hinduism, and explores its sacred texts—the Vedas, Upanishads, and other writings that include stories, hymns, poems, and rituals on which Hindus base their beliefs. The book also explores how beliefs differ among Hindu sects, and how the faith is practiced today. The MAJOR WORLD RELIGIONS series provides information about six of the most important religious faiths practiced around the world. More than 75 percent of the world's population over 5.2 billion

people observe the tenets of one of these six religions. Each book in the series describes the important beliefs of a particular religion, along with information about its history, practices, and rituals. Each title in this series includes color photos throughout, and back matter including: an index and further reading lists for books and internet resources, a timeline and organizations to contact. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. Key Icons in this series are as follows: Words to Understand are shown at the front of each chapter with definitions. These words are set in boldfaced type in that chapter, so that readers are able to refer

Synosaur-Guy Bass 2016-08

How to be Famous-Caitlin Moran 2018-06-28

The Sunday Times bestselling Richard & Judy Book Club favourite 'Being Moran, the jokes and one-liners fizz and crackle off the page' Richard's Review 'As usual, Moran writes fearlessly, openly, honestly and incredibly funnily about sex - especially bad sex' Judy's Review

I'm Johanna Morrigan. It's 1995. I'm nineteen and I live in the epicentre of Britpop. Parklife! My unrequited love, John Kite, is busy with a Number One album, world-tour, drugs, and a nervous breakdown. So, I've started hanging out with hot young comedian Jerry Sharp. Big mistake. "He's a vampire," my friend Suzanne warns. "One of those men who destroys bright young girls. Also, he's a total dick." Unfortunately, I've already had sex with him. Bad sex. And now, I'm one of the girls he is trying to destroy. I know I have to stop him. But how does one girl fight a famous, powerful man? A novel about friendship, feminism and finding your place in the world.

Is Nothing Something?-Thich Nhat Hanh

2014-03-20 In *Is Nothing Something?* Zen Master Thich Nhat Hanh answers heartfelt, difficult, and funny questions from children of all ages. Illustrated with original full-color artwork by Jessica McClure, *Is Nothing Something?* will help adults plant the seeds of mindfulness in the young children in their lives. Beginning with the most basic questions, "What is important in life?"

and "Why is my brother mean to me?" and progressing through issues that we all wrestle with, such as "How do I know if I really love somebody?", "How long am I going to live?", and "What does God look like?", each page presents a question with a short answer from Thich Nhat Hanh, appropriate for beginning readers to work with on their own. The back of the book has the first complete children's biography of Thich Nhat Hanh, along with basic, kid-friendly instructions for mindful breathing and mindful walking. Both humorous and profound, *Is Nothing Something?* is the perfect resource for kids with questions, adults looking to answer them, and anyone with questions of their own.

Arise Arjuna-David Frawley 2018-11-18 India faces a modern Kurukshetra as the forces of dharma and adharma clash again in a conflict that will determine the future of the nation. On one side are the forces of economic growth, cultural revival and a renewed vision of the country in harmony with its yogic values. On the other side are forces of religious prejudices, baseless propaganda, social division and materialistic political ideologies. Mere retreat, passivity or compromise cannot overcome past adversaries or the new dangers that are lurking in our conflicted media age, its invasive technology and the disruptive clash of cultures. India needs to benefit from the opportunities of the dawning knowledge era where its dharmic traditions can prosper once again. A new spiritual warrior, equipped with yogic power and Vedantic insights, is necessary like Arjuna was under the guidance of Sri Krishna. This book is a call for new Arjunas to emerge among us, learn the skills of the information age and uphold the cause of dharma with discernment and dedication on both intellectual and spiritual levels. Only through this can we awaken our spirit to uplift our world at this critical juncture of human history when the very foundations of life are threatened.

Yogi Heroes and Poets-David N. Lorenzen 2011-11-01 An exploration of the history, religion, and folklore of the Nāths, a Hindu lineage known for Hatha yoga practice. This book provides a remarkable range of information on the history, religion, and folklore of the Nāth Yogis. A Hindu lineage prominent in North India since the eleventh century, Nāths are well-known as adepts of Hatha yoga and alchemical practices

said to increase longevity. Long a heterogeneous group, some Nāths are ascetics and some are householders; some are dedicated to personified forms of Shiva, others to a formless god, still others to Vishnu. The essays in the first part of the book deal with the history and historiography of the Nāths, their literature, and their relationships with other religious movements in India. Essays in the second part discuss the legends and folklore of the Nāths and provide an exploration of their religious ideas. Contributors to the volume depict a variety of local areas where this lineage is prominent and highlight how the Nāths have been a link between religious, metaphysical, and even medical traditions in India. "This book has three merits: it fosters the interest in Nāths, it provides a summative evaluation of previous studies and it presents on-going research ... The many approaches ... used in this book may give the impression of an intimidating and somehow discordant pluralism of interpretations. This reviewer, however, found such richness fitting the multifaceted essence of Nāthism itself." — Fabrizio M. Ferrari, *Religions of South Asia* "Several of the contributions cast new and important light on specific aspects of the Nāths and will be of great interest to scholars and students of a variety of Indian religious traditions." — *Religious Studies Review* "There is no book on the market now that can compete directly with this volume. It brings out new data for a fresh understanding of the religious landscape of medieval India." — Pashaura Singh, author of *Life and Work of Guru Arjan* "Yogi Heroes and Poets expands our knowledge of historical, textual, and ethnographic issues related to the Nāth Yogis. These essays provide a strong sense of the context that helped them emerge, as well as their later evolution." — Gurinder Singh Mann, author of *The Making of Sikh Scripture*

What is Patriarchy?-Kamla Bhasin 1993 The massive pornography and cosmetics industries that objectify women, as well as popular media and other male-centric industries that promote dangerous gender roles and stereotypes all comprise what Kamla refers to as "capitalist patriarchy".

Catholic Christianity-Peter Kreeft 2011-02-21 For the first time in 400 years the Catholic Church has authorized an official universal

catechism which instantly became an international best-seller, the Catechism of the Catholic Church. Using this official Catechism, the highly-regarded author and professor Peter Kreeft presents a complete compendium of all the major beliefs of Catholicism written in his readable and concise style. Since the Catechism of the Catholic Church was written for the express purpose of grounding and fostering catechisms based on it for local needs and ordinary readers, Kreeft does just that, offering a thorough summary of Catholic doctrine, morality, and worship in a popular format with less technical language. He presents a systematic, organic synthesis of the essential and fundamental Catholic teachings in the light of the Second Vatican Council and the whole of the Church's Tradition. This book is the most thorough, complete and popular catechetical summary of Catholic belief in print that is based on the universal Catechism.

Philosophy of Gorakhnath-Akshaya Kumar Banerjea 2017-01-01 This volume contains the essence of the writings and teachings of Mahayogi Gorakhnath. It is well pointed out that while the ultimate object of the search is the same for a Yogi and a philosopher, their modes of approach are different, the latter's being intellectual and the former's intuitive and spiritual. The task of a Yogi does not require any subtle intellectual speculation or the framing of hypotheses and theories. The quest of the Yogi is a direct spiritual experience of truth on a high plane of consciousness. The highest state of Samadhi attained by the Yogi is neither purely subjective nor objective. It transcends both categories and it is an integrated experience beyond formal description. Such a transcendent state of consciousness is alone called Samadhi. This book analyses in detail the nature of Samadhi Experience. The term "Experience" is perhaps inaccurate because, in this state of Samadhi, there is no relation between subject and object, the experiencer and the experienced. It is the fulfilment of life as described in the Yogasutras. The Yogi who comes back from Samadhi may not have attained Kaivalya or Moksha, but he is illuminated by his experience. If he assumes the role of a teacher or preacher, he gives expression to his experience in such forms as may be easily intelligible to the people at large. Gorakhnath was a Maha-Yogi. The cult of the Kanphata Yogis is a definite unite within Hinduism, and its study is essential for

understanding this phase of the religious life of India. the book is divided into three sections. The first two sections comprising chapters 1 - 13 deal with the cult and history of this sec. the third section containing chapters 14 - 16 opens with the Sanskrit Text Goraksastaka and its English rendering and annotations. The book is fully documented. It has a preface, Glossary, Bibliography, Plates and General Index. This book is an attempt to present a systematic and consistent account of the philosophical background of the spiritual culture associated with the names of Yogi Gorakhnath and other adepts of the Natha school.

Reincarnation-Elizabeth Clare Prophet 1997 Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts, this groundbreaking work traces the history of reincarnation in Christianity--from Jesus and early Christians through Church councils and the persecution of so-called heretics.

Colloquial Nepali-G. G. Rogers 1991

Coasting-Susan Kurosawa 2012-03-01 Tired of soy milk lattes and eternal traffic snarls, journalist Susan Kurosawa and husband Graeme Blundell bought a 1920s fishing shack at Hardys Bay on the NSW Central Coast and set about transforming it into `Peacock Cottage? (named for resident bird Alfredo). This introduced them to the local coastal fraternity of builders, plumbers, painters and other amiable ferals?from Mother Mary the real estate matriarch to Adam the Gardener, who only works when the planets are properly aligned and there?s no surf. In the course of a year, Susan and Graeme go native: he buys a ute, she becomes foster mother to the local bird population and threatens to take up watercolours and pottery. Featuring black and white illustrations, snippets of local history, special recipes for local seafood and produce, as well as information on local plants and animals, COASTING is sure to appeal to everyone who dreams of acting out their own `Sea Change?.

The Historiography of Genocide-Anton Weiss-Wendt 2008-02-13 The Historiography of Genocide is an indispensable guide to the development of the emerging discipline of genocide studies and the only available assessment of the historical literature pertaining to genocides.

Understanding Gender-Kamla Bhasin 2000 A Handy Reference Guide To Gender And Feminist Issues By A Noted Feminist And Scholar.

Under the Bodhi Tree-Deborah Hopkinson 2018-09-01 Who was the Buddha? Once upon a time in ancient India, a prince was born. His name was Siddhartha, and one day he would inherit a powerful kingdom. His father tried to protect him from the suffering and hardship beyond the palace walls, but just like children everywhere, the prince longed to see the world. Under the Bodhi Tree is the story of a boy and his journey for understanding that eventually led him to the path of peace. Told in lyrical language, this excellent introduction to the story of the Buddha is beautifully illustrated and perfect for children who are curious about the real people who made history.

Buddhism for Kids-Emily Griffith Burke 2020-02-11 Easy, fun, and everyday Buddhism activities for kids With a busy schedule of school, sports, and time with family and friends, growing up can be stressful and confusing--but that confusion can transform into curiosity and excitement about the world and your place in it. Buddhism for Kids shows you how Dharma, or Buddhist principles, can help you find your center and feel more aware of the world around you. Using easy-to-follow meditations for kids, interactive projects, and illustrated versions of classic Buddhist stories, Buddhism for Kids makes learning Dharma easy and fun, categorizing each activity by Morning, Day, or Night so you can practice at your own pace. Buddhism for Kids includes: DIY Dharma-- Explore your own Truths through fun games and creative activities based on the teachings of Buddhism. Stepping stones--Find relaxation with unique meditations you can do on the way to school, at lunch time, or right before bed. Anytime story--Follow along with imaginative, illustrated retellings of Buddhism stories--each including a short moral to reflect on. Make your own spiritual path with Buddhism for Kids, the kid-friendly guide to everyday peace of mind.

The Supreme Gods of the Bosporan Kingdom-Yulia Ustinova 1998-12-10 The first systematic study of the religion of the Bosporan Kingdom. It examines the cults of Celestial Aphrodite and the Most High God, viewing them as a blend of Greek and indigenous Iranian traditions.

Hinduism-Ranchor Prime 2005-03-05 Discusses the origins, history, and practice of Hinduism, including information about various festivals and celebrations.

The Illustrated World's Religions-Huston

Smith 1995-08-18 Retaining all the beloved qualities of Huston Smith's classic The Religions of Man and the current fully revised and updated The World's Religions, this stunning pictorial presentation refines the text to its wonderful essentials. In detailed, absorbing, richly illustrated, and highly readable chapters on Hinduism, Buddhism, Confucianism, Taoism, Islam, Judaism, Christianity and primal religions, we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions. The approach is at once classic and contemporary, retaining all the empathy, eloquence and erudition that millions of readers love about the earlier editions, while being edited and designed for a contemporary general readership. This delightful marriage of winsome text and remarkable pictures vividly brings to life the scope and vision of Huston Smith's expertise and insight.

Native American Tribes-Charles River Charles River Editors 2018-01-11 *Includes pictures of important people, places, and events. *Explains the origins, religion, and social structure of the Cherokee *Comprehensively covers the Trail of Tears and includes eyewitness accounts of it. *Includes a Bibliography for further reading. "We are overwhelmed! Our hearts are sickened, our utterance is paralyzed, when we reflect on the condition in which we are placed, by the audacious practices of unprincipled men, who have managed their stratagems with so much dexterity as to impose on the Government of the United States, in the face of our earnest, solemn, and reiterated protestations." - Principal Chief John Ross From the "Trail of Tears" to Wounded Knee and Little Bighorn, the narrative of American history is incomplete without the inclusion of the Native Americans that lived on the continent before European settlers arrived in the 16th and 17th centuries. Since the first contact between natives and settlers, tribes like the Sioux, Cherokee, and Navajo have both fascinated and perplexed outsiders with their history, language, and culture. In Charles River Editors' Native American Tribes series, readers can get caught up to speed on the history and culture of North America's most famous native tribes in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Tragically, the Cherokee is one of America's best known tribes due to the trials and tribulations they suffered by being forcibly

moved west along the "Trail of Tears," but that overlooks the contributions they made to American society well before the 19th century. The Cherokee began the process of assimilation into European America very early, even before the establishment of the United States, and by the early 19th century they were one of the "Five Civilized Tribes." Ultimately, however, it is unclear what benefits "civilization" brought the tribe. Throughout the colonial period and after the American Revolution, the Cherokee struggled to satisfy the whims and desires of American government officials and settlers, often suffering injustices after complying with their desires. Nevertheless, the Cherokee continued to endure, and after being pushed west, they rose from humble origins as refugees new to the southeastern United States to build themselves back up into a powerhouse both economically and militarily. Even after being forced to leave their traditional homeland again, they once more rose to become a powerful tribe and nation, ruling themselves and building their economic power through wise and skillful leadership. Despite all of the hostilities, the Cherokee ultimately became the first people of non-European descent to become U.S. citizens en masse, and today the Cherokee Nation is the largest federally recognized tribe in the United States, boasting over 300,000 members. Given

what they overcame in the last 200 years, the story of the Cherokee Nation is a testament to the resiliency, cohesiveness, and power of the Cherokee people. *Native American Tribes: The History and Culture of the Cherokee* comprehensively covers the culture and history of the famous tribe, profiling their origins, their famous leaders, and their lasting legacy. Along with pictures of important people, places, and events, you will learn about the Cherokee like you never have before, in no time at all.

Where's Buddha?-Marisa Aragón Ware
2019-02-12 This playful picture book follows Buddha all over the world - from the depths of the ocean to a rocket in outer space. Author Marisa Argon Ware shows readers that Buddha can be found everywhere--both within the world and within oneself.

Buddhism-Sue Penney 2008 Explains the origins, evolution, teachings, and celebrations of the Buddhist religion.
