**Celebrate Chinese New Year**-Carolyn Otto 2016-01-14 "With dazzling photographs and lively, lyrical text, this book introduces young readers to the Chinese New Year and dives into the historical and cultural aspects of this festive holiday, which has become increasingly popular throughout the world, celebrated not only by Chinese and Chinese-American populations, but by many other food and multi-culture-loving people as well."

**Celebrating Chinese New Year**-Rosa Drew 1999-03 A Chinese-American boy and his family prepare for Chinese New Year.

**Chinese New Year**-Patricia Bjaaland Welch 1997 Orange trees and plum blossoms. Strings of firecrackers and clusters of gold coins. Dinners with family and offerings to ancestors. No event in the Chinese calender holds a greater importance, or is as richly celebrated, as the Lunar New Year.This complete introduction to the holiday explores its many symbols and rituals, tracing their history and meanings, and describing the differences in its celebration from Hong Kong to Taiwan, Singapore to mainland China. Beginning with notable days in the month preceding the holiday and extending to the Lantern Festival fifteen days into the New Year, the author guides the reader through the etiquette of gift-giving and the selection of special foods, holiday greetings, and popular decorations.Many Chinese traditions have been lost forever, but in communities throughout the world the anticipation, preparation, and celebration of the Lunar New Year endures.

**Chinese New Year**-Lisa J. Amstutz 2017-02-09 Out with the old and in with the new! It's time to celebrate Chinese New Year! Clean the house. Have a feast with relatives. Watch fireworks and dragon dances. Make paper lanterns. Chinese New Year, or Spring Festival, is a celebration of new beginnings.

**Lunar New Year**-Hannah Eliot 2018-12-11 Learn all about the traditions of Lunar New Year—also known as Chinese New Year—with this fourth board book in the Celebrate the World series, which highlights special occasions and holidays across the globe. After the winter solstice each year, it’s time for a celebration with many names: Chinese New Year, Spring Festival, and Lunar New Year! With beautiful artwork by Chinese illustrator Alina Chau, this festive board book teaches readers that Lunar New Year invites us to spend time with family and friends, to light lanterns, and set off fireworks, dance with dragons, and to live the new year in harmony and happiness.

**Ringin in the Western & Chinese New Year**-Betsy Richardson 2018 No matter where a person lives on Earth, approximately every 365 days one year ends and a new one begins. People all over the world—regardless of race, ethnic background, or religious beliefs—celebrate these two events. These holidays are an opportunity to acknowledge the passing of the old year and to look forward to the year to come. Typically, people reflect on the events of the previous year and set personal and family goals for the next year. It is common for people to serve special good-luck foods and to participate in rituals that symbolize the passing away or ending of the old year and the beginning of a new one. In some countries, New Year is also an occasion for exchanging gifts. This book focuses on New Year's Eve and New Year's Day—the two-day public holiday that is probably the most widely celebrated holiday in the world—and Chinese New Year, which is celebrated by more than 1 billion people every year. Unique New Year's traditions and customs can be found in countries all over the world. Each title in this series contains color photos and illustrations throughout, and back matter including: an index and further resource lists for books and online resources. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. **Encyclopedia of New Year**—**s Holidays Worldwide**-William D. Crump 2014-04-25 Among the world’s myriad cultures and their associated calendars, the idea of a “New Year” is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.

**Bringing In the New Year**-Grace Lin 2011-11-30 This exuberant story follows a Chinese American family as they prepare for the Lunar New Year. Each member of the family lends a hand as they sweep out the dust of the old year, hang decorations, and make dumplings. Then it’s time to put on new clothes and celebrate with family and friends. There will be fireworks and lion dancers, shining lanterns, and a great, long dragon parade to help bring in the Lunar New Year. And the dragon parade in our book is extra long—on a surprise fold-out page at the end of the story. Grace Lin’s artwork is a bright and gloriously patterned celebration in itself! And her story is tailor-made for reading aloud.

**Children and Their World**-David A. Welton 1999 Designed for preservice teachers, this text consolidates social studies content into a framework for practical instruction and lesson planning. It places social studies in a thoroughly modern context and explores how such factors as language diversity and standards affect the local, state, and national level affect teachers. The text retains its hallmark features, such as model unit lessons, teacher-tested activities, technology updates, and authentic children's work, and the Resource Handbook serves as a valuable tool for on-the-job use.The emphasis on current topics includes coverage of constructivist learning, cooperative learning, service learning, character education, and the teaching of children with limited English proficiency.Specific examples from the NCSS help students connect standards to the model lessons and activities presented in the text.

**Phoenix Claws and Jade Trees**-Kian Lam Kho 2015-09-29 Create nuanced, complex, authentic Chinese flavors at home by learning the cuisine’s fundamental techniques with more than 150 recipes. Phoenix Claws and Jade Trees offers a unique introduction to Chinese home cooking, demystifying it by focusing on its basic cooking methods. In outlining the differences among various techniques—such as pan-frying, oil steeping, and yin-yang frying—and instructing which one is best for particular ingredients and end results, culinary expert Kian Lam Kho provides a practical, intuitive window into this unique cuisine. Once you learn how to dry stir-fry chicken, you can then confidently apply the technique to tofu, shrimp, and any number of ingredients. Accompanied by more than 200 photographs, including helpful step-by-step images, the 158 recipes range from simple, such as Spicy Lotus Root Salad or Red Cooked Pork, to slightly more involved, including authentic General Tso’s Chicken or Pork Shank Soup or Winter Bamboo. But the true brilliance behind this innovative book lies in the way it teaches the soul of Chinese cooking, enabling home cooks to master this diverse, alluring cuisine and then to re-create any tempting dish you encounter or imagine.
