Obtaining the LPIC-1 with your CompTIA Linux+ (Powered by LPI) The Linux+ Powered by LPI certification, is functionally identical to the LPIC-1 version 4.0 from Linux

Professional Institute. LPIC-1 is the first of a three-tier, comprehensive jobs-oriented Linux skills assessment program.

The Best Portable Linux Distributions (Updated 2021)

12/04/2021 · Linux has blossomed into dozens and dozens of different distributions (or “distros”) over the decades since it was first created. Each one has its own fanbase, as well as a set of uses that are its particular forte. Linux is also popular as a portable operating system, bootable from a USB drive to turn any computer you encounter into your own temporary Linux workstation. However, some
