Transcension-Damien Broderick 2020-05-21

Aleph is a machine mentality overseeing a future Earth largely bereft of humans, most of whom have sublimed into a virtuality. Remaining are the smug but cautious adherents of science. Amanda, still a teen at age 30, is a skilled violinist and mathematician but craves the applause of the Mall for some daring exploit. In a nearby enclave live the rustic, non-scientific people who worship the god of their choice. In the center of their poly-religious valley a wicked tower has emerged, surely a tool of evil temptation. Far below, a supersonic railroad is being constructed. Amanda conceives a dangerous feat: to enter the valley and descend to the rushing train, hitching a mad ride to the next city. Using a cyber "Liar bee," she buzzes the ear of young Matthewmark, who chafes under the restrictions of his own narrow society. He agrees to aid Amanda and her friend Vikram Singh, but the scheme goes horribly wrong. Vik dies; Matthewmark's brain is seriously damaged, although he recovers with advanced neurological prostheses. This treatment, condemned by his own people, allows him contact with the AI Aleph. In a series of startling moves, Amanda graduates to adulthood (and her modish clipped speech patterns give way to this new sophistication), while Matthewmark explores uncanny and sometimes very funny opportunities in the Alephverse, climaxing in the dismantling of the solar system and its embrace by the hyperuniverse beyond ours. This is the Singularity, at last, the Transcension, and everyone lives happily ever after, for rather mindboggling values of "lives" and "happily."

Georgie-Robert Bright 1999-01-01 Georgie the friendly ghost is happy living with the Whittakers, but then things change and he decides to find a new place to haunt.

The House of the Scorpion-Nancy Farmer 2013-08-01 Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

The Scariest Book Ever-Bob Shea 2017-07-18 Reader beware! This is the scariest book ever! Or so claims its melodramatic ghost narrator. You can go ahead and turn the page, but don't expect him to come with you. Anything might pop out of that black hole in the middle of the forest. What do you mean it's just a bunny? Well, it's probably a bunny with big fangs. Watch out, it's--picking pumpkins with its friends, you say? Actually, despite the ghost's scare-mongering, none of the animal characters in the illustrations seem scary at all. . . . What's up with that? Many delights, such as surprises after the page turn, an alarmist narrator, and punch lines to anticipate make this book a scream for both kids and parents.

Miss Wyoming-Douglas Coupland 2010-10-08 From the bestselling author of Generation X and Microserfs, comes the absurd and tender story of a hard-living movie producer and a former child beauty pageant contender who only find each other by losing themselves. Waking up in an L.A. hospital, John Johnson is amazed that it was the flu and not an overdose of five different drugs mixed with cognac that nearly killed him. As a producer of high-adrenaline action flicks, he's led a decadent and dangerous life, purchasing his way through every conceivable variant of sex. But each variation seems to take him one notch away from a capacity for love, and while movie-

making was once a way for him to create worlds of sensation, it now bores him. After his near-death experience, John decides to walk away from his life. Susan Colgate is an unbankable former tv star and child beauty pageant contender. Forced to marry a heavy metal singer in need of a Green Card after her parents squander her sitcom earnings, she becomes the alpha road rat. But when the band's popularity dwindles, the marriage dissolves. Flying back to Los Angeles in Economy, Susan's plane crashes and only she survives. As she walks away from the disaster virtually unscathed, Susan, too, decides to disappear. John and Susan are two souls searching for love across the bizarre, celebrity-obsessed landscape of LA, and are driven, almost fatefully, toward each other. Hilarious, fast-paced and ultimately heart-wrenching, Miss Wyoming is about people who, after throwing off their self-made identities, begin the fearful search for a love that exposes all vulnerabilities.

The Unwanted Sound of Everything We Want-Garret Keizer 2010-05-04 Noise is usually defined as unwanted sound: loud music from a neighbor, the honk of a taxicab, the roar of a supersonic jet. But as Garret Keizer illustrates in this probing examination, noise is as much about what we want as about what we seek to avoid. It has been a byproduct of human striving since ancient times even as it has become a significant cause of disease in our own. At heart, noise provides a key for understanding some of our most pressing issues, from social inequality to climate change. In a journey that leads us from the Tanzanian veldt to the streets of New York, Keizer deftly explores the political ramifications of noise, America's central role in a loud world, and the environmental sustainability of a quieter one. The result is a deeply satisfying book—one guaranteed to change how we hear the world, and how we measure our own personal volume within it.

He'll Come Knocking at Your Door-Robert R. McCammon 2017-10-31

Fancy Dress Jungle-Nick Sharratt 2015-04-01 All the jungle animals love wearing fancy dress - but who's hiding under each disguise? Children will love lifting the sturdy, die-cut pages to find out. Tiger has come as a cowgirl, Lion is a pop

star, and Parrot's dressed as a pineapple! A brilliantly colourful follow-up to the popular FANCY DRESS FARMYARD and FANCY DRESS CHRISTMAS.

Nightbooks-J. A. White 2019-06-25 A boy is imprisoned by a witch and must tell her a new scary story each night to stay alive. This thrilling contemporary fantasy from J. A. White, the acclaimed author of the Thickety series, brings to life the magic and craft of storytelling. Alex's original hair-raising tales are the only thing keeping the witch Natacha happy, but soon he'll run out of pages to read from and be trapped forever. He's loved scary stories his whole life, and he knows most don't have a happily ever after. Now that Alex is trapped in a true terrifying tale, he's desperate for a different ending—and a way out of this twisted place. This modern spin on the Scheherazade story is perfect for fans of Coraline and A Tale Dark and Grimm. With interwoven tips on writing with suspense, adding in plot twists, hooks, interior logic, and dealing with writer's block, this is the ideal book for budding writers and all readers of delightfully just-dark-enough tales.

Double Act-Jacqueline Wilson 2008-09-04 Ruby and Garnet are ten-year-old twins. They're identical, and they do EVERYTHING together, especially since their mother died three years earlier - but they couldn't be more different. Bossy, bouncy, funny Ruby loves to take charge, and is desperate to be a famous actress, while quiet, sensitive, academic Garnet loves nothing more than to curl up with one of her favourite books. And when everything around the twins is changing so much, can being a double act work for ever?

Ghosters 2-Diane Corbitt 2018-10 It's been a year since Theresa and her English friend, Kerry, won the Ghosters contest. Now her little brother, Joey, has stumbled on a mystery in the school library. Blasts of cold air, lights that flicker, and books flying off the shelves start Joey and his friend, Elbie, searching for the reason. Elbie lives above his family's mortuary and is very comfortable around the ghosts that troop through its halls. He's a prankster and doesn't mind Joey's Asperger's behaviors. When the boys discover a ghost holding Joey's bug book hostage,

they team up with Theresa and Kerry to decode the ghostly messages found in the titles of the books thrown by the library ghost.

The Fold-Peter Clines 2016-03 An old friend presents Mike Erikson with an irresistible mystery to solve: a team of DARPA scientists has invented a device that "folds" dimensions, promising to make mankind's dreams of teleportation a reality. Yet evidence is mounting that this miraculous machine isn't quite what it seems--and that its creators are harboring a dangerous secret.--
