Doctor Who: Father Time-Lance Parkin 2011-08-31 'I love her.' The Doctor said. 'Of course you do, she's your daughter.' Earth in the nineteen-eighties is a battleground. Rival alien factions have travelled from the far future to pursue their vendetta. With UFOs filling the skies, a giant robot stalking the Derbyshire hills, and alien hunters searching for the mysterious Last One, the Doctor is the only man who can protect the innocents caught in the crossfire. But old scores are being settled, the fate of a Galactic Empire is at stake and, against his will, the Doctor is drawn into a decade-long war that will strike at those he holds most dear. The Doctor has lost his memory, his friends, his past and his TARDIS. All he has now is the love of his daughter. But will even that be taken from him? A Classic Doctor Who Adventure featuring the Eighth Doctor as played by Paul McGann.

Doctor Who: The Shining Man-Cavan Scott 2017-04-20 "Being scared is the least of your worries." The Shining Men are everywhere. You spot them out of the corner of your eye. Abnormally tall, with long lank hair, blank faces and blazing eyes. If they catch you, they'll drag you away to who knows where. No one is safe. They're on every street corner. Waiting. Watching. Shining bright. Of course it's a hoax. It has to be, right? It started as a joke, a prank for Halloween. Then it went viral. Idiots dressing up as monsters. Giving folk a scare. Silly masks and fright wigs. No one gets hurt. Because bogeymen aren't real. Until people start going missing and lights burn in the darkness. Burning like eyes. But help is on its way, in the form of a strange man called the Doctor and his friend, Bill. The Doctor will keep us safe. The Doctor will stop the monsters. Unless the monsters stop the Doctor first... An original novel featuring the Twelfth Doctor and Bill as played by Peter Capaldi and Pearl Mackie.

Doctor Who: The Day of the Doctor (Target Collection)-Steven Moffat 2018-04-05 Discover the new Doctor Who classics. When the entire universe is at stake, three different Doctors will unite to save it. The Tenth Doctor is hunting shape-shifting Zygons in Elizabethan England. The Eleventh is investigating a rift in space-time in the present day. And one other - the man they used to be but never speak of - is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor's different incarnations will come together to save the Earth... to save the universe... and to save his soul.

Damaged Goods-Russell T. Davies 1996 The Doctor's continuing investigation of human psi powers brings him to a council estate in Thatcher's Britain. He discovers that there's a lethal new batch of cocaine on the streets--and the man who's dealing it has been dead for two weeks.

Doctor Who: In the Blood-Jenny T Colgan 2016-05-12 All over the world, people are venting their fury at one another on social media. Dropping their friends, giving vent to their hatred, and everywhere behaving with incredible cruelty. Even Donna has found that her friend Hettie, with her seemingly perfect life and fancy house, has unfriended her. And now, all over the world, internet trolls are dying... As more and more people give in to this wave of bitterness and aggression, it's clear this is no simple case of modern living. This is unkindness as a plague. From the streets of London to the web cafes of South Korea and the deepest darkest forests of Rio, can the Doctor and Donna find the cause of this unhappiness before it's too late? An original novel featuring the Tenth Doctor and Donna, as played by David Tennant and Catherine Tate.

Doctor Who and the Daleks-David Whitaker 2011-07-07 The mysterious Doctor and his granddaughter Susan are joined by unwilling adventurers Ian Chesterton and Barbara Wright in an epic struggle for survival on an alien planet. In a vast metal city they discover the survivors of a terrible nuclear war - the Daleks. Held captive in the deepest levels of the city, can the Doctor and his new companions stop the Daleks' plan to totally exterminate their mortal enemies, the peace-loving Thals? More importantly, even if they can escape from the Daleks, will Ian and Barbara ever see their home planet Earth again? This novel is based on the second Doctor Who story which was originally broadcast from 21 December 1963-1 February 1964. Featuring the First Doctor as played by William Hartnell, and his companions Susan, Ian and Barbara

Doctor Who: Twice Upon a Time-Paul Cornell 2018-04-05 Discover the new Doctor Who classics. Still reeling from his encounter with the Cybermen, the First Doctor stumbles through the bitter Antarctic wind, resisting the approaching regeneration with all his strength. But as he fights his way through the snowdrifts, he comes across the familiar shape of a blue police box, and a mysterious figure who introduces himself as the Doctor... Thrown together at their most vulnerable moments, the two Doctors must discover why the snowflakes are suspended in the sky, why a First World War Captain has been lifted from his time stream moments before his death, and who is the mysterious Glass Woman who knows their true name. The Doctor is reunited with Bill, but is she all she seems? And can he hold out against the coming regeneration?

Doctor Who: The Visitation-Eric Saward 2016-04-28 Trying to get Tegan back to Heathrow in 1981, the Doctor brings the TARDIS to the right place, but over 300 years early - in 1666. They are not the only visitors as Death stalks the local woods, complete with cloak, scythe and a skull-like face. In fact, 'Death' is an android brought by a group of alien Terileptils whose spaceship has crashed. Criminals and fugitives from their own race, they now plan to take over Earth. With Adric and Tegan captured, the Doctor and Nyssa try to deal with the deadly android, and a group of local villagers under the control of the Terileptils. But even if they succeed, can they prevent the Terileptils from unleashing an even more deadly from of the Black Death? This novel is based on a Doctor Who story which was originally broadcast from 15-23 February 1982. Featuring the Fifth Doctor as played by Peter Davison with his companions Adric, Nyssa, and Tegan

The Legends of River Song-Jenny T. Colgan 2016-05-30 'Hello, sweetie!' Melody Pond, Melody Malone, River Song...She has had many names. Whoever she really is, this archaeologist and time traveller has had more adventures (and got into more trouble) than most people in the universe. And she's written a lot of it down. Well, when you're married to a Time Lord (or possibly not), you have to keep track of what you did and when. Especially as it may not actually have happened to both of you yet. These are just a few of River Song's exploits, extracted from her journals.

Sometimes, she is with the Doctor. Sometimes she's on her own. But wherever and whenever she may be, she is never far from danger and excitement. This is just a tiny portion of her impossible life. But it will reveal more than you've ever known about the legend that is River Song.

More Doctor Who and Philosophy-Courtland Lewis 2015-10-15 More Doctor Who and Philosophy is a completely new collection of chapters, additional to Doctor Who and Philosophy (2010) by the same editors. Since that first Doctor Who and Philosophy, much has happened in the Whoniverse: a new and controversial regeneration of the Doctor, multiple new companions, a few creepy new enemies of both the Doctor and planet Earth. And the show's fiftieth anniversary! We've learned some astounding new things from the ever-developing story: that the Doctor's number one rule is to lie, that he claims to have forgotten his role in the mass extermination of the Time Lords and the Daleks, that the Daleks do have a concept of divine beauty (divine hatred, of course), and that Daleks may become insane (didn't we assume they already were?) Oh, and the cult of the Doctor keeps growing worldwide, with more cultish fans in the US, more and bigger Who conventions, more viewers of all ages, and more serious treatment by scholars from many disciplines. New questions have been raised and new questioners have come along, so there are plenty of new topics for philosophical scrutiny. Is the "impossible" girl really impossible? Is there anything wrong with an inter-species lesbian relationship (the kids weren't quite ready for that in 1963, but no one blinks an eye in 2015)? Can it really be right for the Doctor to lie and to selectively forget? We even have two authors who have figured out how to build a TARDIS—instructions included! (Wait, there's a catch, no . . . ?) And then there's that old question that just won't go away: why does the Doctor always regenerate as a male, and is that ever going to change? An added feature of this awesome new volume is that the editors have reached out to insiders of Who fandom, people who run hugely successful Who conventions, play in Who-inspired bands, and run wildly popular podcasts and websites, to share their privileged insights into why the Doctor is so philosophically deep. No more spoilers. It's time for the truly thoughtful travelers in both time and space to rev up the TARDIS once more. . . . Allons-y, Alonzo!

Smart Questions to Ask Your Doctor-Dorothy Leeds 1992-03 A guide to making the most of a physician's knowledge deals with such issues as choosing a doctor, tests and exams, diagnoses, treatment and medication, second opinions, specialists, surgery, anesthesia, hospitals, and travel. Original.

Dear Doctor-Marilyn McEntyre 2021-03-02 In the form of an open letter from patients to their doctors, spiritual writer and professor of medical humanities Marilyn McEntyre brings to light the hidden fears, desperate needs, deepest hopes, and heartfelt truths that many feel doctors overlook in their approach to health care. It's a clarion call for doctors to attend to the whole person and listen deeply, rather than rush to assess a set of symptoms. And it's a letter that informs doctors of the many things that patients already know about themselves and their health. Engaging and candid, Dear Doctor covers the basics of how patients view their time with doctors, how they want doctors to collaborate on health issues, and even how patients bring their faith and spirituality to their view of their health and their bodies. Ultimately, this book is an important first step to begin a dialogue between two communities that often have a very large disconnect.

Doctor Who - The Triple Knife-Jenny T. COLGAN 2018-07-19 Short stories that are bigger on the inside. Join the women of the Whoniverse for five thrilling Doctor Who adventures by Sunday Times bestselling author Jenny T. Colgan. Ashildr, a young Viking girl, died bravely helping the Doctor save the village she loved - so the Doctor used alien technology to bring her back to life. Ashildr became immortal and, since that day, has kept journals to chronicle her extraordinary life. 'The Triple Knife' is a glimpse into the life of a woman who lived longer than anyone ever should - and lost more than she can even remember. 'Picnic at Asgard' drops in on another woman of the Whoniverse who never fails to find herself too far from danger and excitement. And when you're married to a Time Lord, what more can you expect? This adventure, extracted from her journal, reveals still more about the legendary River Song. 'Into the Nowhere' follows the Eleventh Doctor and Clara as they land on an unknown alien planet. To the Doctor's delight and Clara's astonishment, it really is unknown. It's a planet the Doctor has never seen. It's not on any maps, it's not referenced on any star charts or in the TARDIS data banks. It doesn't even have a name. What could be so terrible here that has been erased? This collection also includes two further adventures 'All The Empty Towers' and 'A Long Way Down' - a short story never published in volume form before.

I Really Didn't Want to Become a Doctor-Howie C. Wolf 2017-08-08 This book is a story of becoming and being a family physician, now retired after nearly 54 years of practice. Examples of Dr. Howie Wolf's challenges, joys, and humor are sprinkled throughout and included are his views on racism, medical malpractice, and health care reform.

Doctor Who: Scratchman-Tom Baker 2019-01-24 THE SUNDAY TIMES BESTSELLER What are you afraid of? In his first-ever Doctor Who novel, Tom Baker's incredible imagination is given free rein. A story so epic it was originally intended for the big screen, Scratchman is a gripping, white-knuckle thriller almost forty years in the making. The Doctor, Harry and Sarah Jane Smith arrive at a remote Scottish island, when their holiday is cut short by the appearance of strange creatures - hideous scarecrows, who are preying on the local population. The islanders are living in fear, and the Doctor vows to save them all. But it doesn't go to plan - the time travellers have fallen into a trap, and Scratchman is coming for them. With the fate of the universe hanging in the balance, the Doctor must battle an ancient force from another dimension, one who claims to be the Devil. Scratchman wants to know what the Doctor is most afraid of. And the Doctor's worst nightmares are coming out to play...

Doctor Who: The Christmas Invasion (Target Collection)-Jenny T Colgan 2018-04-05 Discover the new Doctor Who classics. Earth is under attack by power-hungry aliens. This is no time for the Doctor to be out of action. When a British space probe is intercepted by a sinister alien vessel on the eve of Christmas, it marks the beginning of an audacious invasion of the Earth by the Sycorax - horrifying marauders from beyond the stars. Within hours, a third of humanity stands on the brink of death with not a single shot fired. Our planet needs a champion - but the Doctor is not fit for service. He's just regenerated, delirious in a new body and a dressing gown. Forced into his battered shoes is his friend, Rose Tyler, a girl from a London council estate. Will she save the world from this nightmare before Christmas - or see it destroyed?

The Doctor-James Goss 2013 "I'm the Doctor. I'm a Time Lord. I'm from the planet Gallifrey in the constellation of Kasterborous. And I'm the man who's going to save your life." He's made a mark on almost every era of history, and he's touched millions of lives across space and time. In these pages you'll find just some of the stories behind those brief encounters, each of them addressing the question that must never, ever be answered: 'Doctor Who?' This is the story of an impossible life "of a man who borrowed a spaceship, travelled through time and continually saved the universe - as told by the Doctor's friends, by his enemies, and by the man himself. Letters, journals, trial records, secret government files and the occasional bit of tabloid journalism reveal the never-before-told story of Gallifrey's last Time Lord.

Doctor Who: How to be a Time Lord - The Official Guide- 2018-08-30 This ancient Time Lord manual has been kicking around the TARDIS for thousands of years, giving the Doctor plenty of time to 'improve' it with scribbles, doodles and post-it notes as a gift for his successor, the Twelfth Doctor. He's even ripped out the middle of the book and replaced it with a scrapbook packed with everything important to our hero, and how to be just like him! So if you have ever wondered if you'd cut it in the Time Lord Academy, how to fly the TARDIS, or the correct way to dip a fish finger into custard, this is the book for you! Essential reading for all aspiring Time Lords!
