Believing Jesus-Lisa Harper 2015-08-04 Are you

truly willing to risk everything? In *Believing Jesus*, Bible teacher and author Lisa Harper retraces the steps of the apostles in the book of Acts, while throwing in a few of her own crazy adventures along the way. The disciples didn't have much of a road map after Jesus ascended to heaven, but God's grace and spirit filled in the gaps as they moved forward. It required their willingness to risk everything to establish a new community that would change the future world. As a regular speaker on the Women of Faith® tour, Lisa has earned a reputation as a true theological scholar and hilarious storyteller—not necessarily in that order! Best-selling author and pastor Max Lucado calls Lisa one of the “best Bible tour guides around.” *Believing Jesus* will highlight both of Lisa's strengths as she tackles every chapter of the Book of Acts with biblical wisdom and modern wit. Lisa keeps it real, telling stories on herself and pointing readers back to Jesus, the only one who can truly lead.

Crazy Love-Francis Chan 2013-04-01 Revised &

Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com.

1 John-Kristen He 2017-03-16 Studying the Bible doesn't have to be boring. It doesn't have to be difficult. And it definitely shouldn't feel like a bad homework assignment. Yet so often we end up dreading it. Slogging through. Until eventually, we shove the book to the back corner of the closet where we can avoid it without feeling too guilty. This Bible study is different. No daily assignments. No lists of questions. No teacher talking down to you. In this study, you'll read 1 John, studying the meaning by looking up words, making lists, understanding the context, and comparing what you read with other parts of the Bible. You'll ponder some really good questions (that have more than one right answer!) and take time to pray. Along the way you'll express your creative side by using a notebook to record your learning with doodles, fun fonts, journaling, and maybe a splash of color (if that's your thing). Through this process you'll experience real joy from discovering that the Bible has real meaning for your real life, right where you are today.

Long Story Short-Marty Machowski 2010-11-03 Transform Your Family with Ten Minutes a Day in the Gospel Story Christian parents know the importance of passing the gospel story on to their children, yet we live in a busy world filled with distractions. Schedules collide, there is homework and yard work and dishes and laundry, the car's oil should be changed, there are phone calls to make and before you know it, everyone is getting to bed late again. The Bible can seem like a long story for an active family to read, but when you break it down into short sections, as Marty Machowski does, family devotions are easy to do. Long Story Short will help busy parents share with their children how every story in the Old Testament points forward to God's story of salvation through Jesus Christ. You won't find a more important focus for a family devotional than a daily highlighting of the gospel of grace. Clever stories and good moral lessons may entertain and even help children, but the gospel will transform children. The gospel is deep enough to keep the oldest and

wisest parents learning and growing all their lives, yet simple enough to transform the heart of the first grader who has just begun to read. Ten minutes a day, five days a week is enough time to pass on the most valuable treasure the world has ever known. Long Story Short is a family devotional program designed to explain God's plan of salvation through the Old Testament and is suitable for children from preschool through high school.
