Easter Counting-Barbara Barbieri McGrath 2017-01-03 New text invites the reader to count the Easter eggs, found by the different animals, and add them up.

Come, Follow Me-Edwin Womack 2004-01-01 Acolytes can be much more than just cute little kids who light and extinguish the candles on Sunday morning -- they have a very important role as congregational worship leaders. But acolytes can only fulfill that responsibility if they understand what worship is, why it is important, and how we do it. *Come, Follow Me* is an excellent teaching tool that helps prepare young people to become effective acolytes. It provides a thorough overview of worship -- its specifics, its history, and its significance. Students will grow in knowledge and faith as they learn about the meaning of worship, the sanctuary, ritual and liturgy, Christian symbols, and the sacraments. The teacher's guide of this completely revised and updated edition includes extensive aids, such as practical suggestions on how to organize an acolyte program, a brief service of consecration, and several quizzes and tests that can be used "as is" or adapted to individual needs. And the material for students is presented in clear, easy-to-understand language appropriate for junior high age youth. Each chapter also includes a brief "How Much Do You Remember?" summary that facilitates review. Ed Womack has written a highly informative and interesting manual to help young people understand the liturgical traditions of the church as they seek to serve in worship as acolytes. The manual will aid both novice and seasoned acolytes in understanding their responsibilities and sharpening their skills. I highly recommend it. Tim Weitkamp Pastor, First

United Methodist Church Huntingdon, Pennsylvania At first glance, this book may look like just a training manual for acolytes. In actuality, it is a life-changing opportunity for young people. It not only teaches them a comprehensive understanding of worship, it will also deepen their spirituality and appreciation of all that we are when we "gather as God's people." Mary M. Bullis Central West District Superintendent Desert Southwest Conference, United Methodist Church We use acolytes each week; but not until I used *Come, Follow Me* did I have acolytes that wanted to be carriers of Christ's light in worship. The enthusiasm during the teaching sessions was high, and after our learning sessions the momentum to serve was impressive. I have certainly appreciated this thoughtful, well-organized resource. Constance Sidebottom Pastor, First United Methodist Church Missoula, Montana Edwin B. Womack served as pastor of United Methodist congregations in Arizona, California, and Hawaii for over 40 years. Now retired, he resides in Cottonwood, Arizona.

Sweden dress as "Easter witches." In the Caribbean, those who swim on Good Friday risk bad luck. In the Philippines, some penitents volunteer to be crucified. In some European countries, Easter Monday is the day for dousing women with water. With 240 entries, this book explores these and scores of other unusual and sometimes bizarre international Holy Week customs, both sacred and secular, from pilgrimages to Jerusalem to classic seasonal films and television specials.

The Division of Christendom-Hans Joachim Hillerbrand 2007 In *The Division of Christendom*, revered historian Hans J. Hillerbrand details the events and ideas of the sixteenth century and contends that the Protestant Reformation must be seen as an interplay of religious, political, and economic forces in which religion played a major role. Hillerbrand tells the fascinating story of the ways in which theological disagreements divided the centuries-old Christian church and the roles that leading characters such as Luther, Zwingli, Anabaptists, and Calvin played in establishing new churches, even as Roman Catholicism continued to develop in its own ways. The book covers all significant aspects of this period and interprets these important events in their own context while reflecting on the consequences of the Reformation for later periods and for today.

Harper's Encyclopedia of Religious Education-Iris V. Cully 1990 " ... one-volume reference to faith development, classroom management, teaching methods, the Bible and curriculum, contemporary social issues, home and family, and much more"-Jacket.

The Fetha Nagast--The Law of the Kings- Peter L. Strauss 1968 The Fetha Nagast, or The Law of the Kings, is the foundation of Ethiopian law, and was perhaps the first written law of sub-Saharan Africa. Derived from Roman Law and church canons of the Eastern Rite, it was brought up the Nile in the fifteenth or sixteenth century, and there translated into Ge'ez, the local church language. While its early use is uncertain, by the end of the nineteenth century it had become the basis for the development of national law. Translated into Italian then, this English translation by Abba (later Cardinal) Paulos Tzadua was first published in Ethiopia in 1968, edited by Peter Strauss. This new edition, with added historical notes by Cardinal Tzadua and the German scholar Peter Sand, faithfully reproduces the first edition and makes this historic text readily available to American readers.

Fairs and Festivals of India: Chandigarh,

Delhi, Haryana, Himachal Pradesh, Jammu and Kashmir, Punjab, Rajasthan, Uttaranchal, Uttar Pradesh-Krishna Gopal 2003

Holidays and Festivals Index-Helene Henderson 1995 A guide to some 3,000 holidays, festivals, celebrations, commemorative days, feasts, and fasts held in countries around the world, as found in 26 well-known and widely held dictionaries, encyclopedias, and other reference works on special days and observances.
