Operation: Golden Bum-Tommy Donbavand 2013 Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realising their evil plans. In 'Operation: Golden Bum', Agents Fangs and Brown are drafted in to investigate a string of high-profile robberies. The presence of an unidentifiable foul smell at all of the crime scenes leads MP1 to suspect that this is no ordinary robber but one with magical abilities. Can the world's greatest vampire spy and his sidekick sniff out the thief before he puts his stinker of a plan into action?

Codename: The Tickler-Tommy Donbavand 2013 Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realising their evil plans. In 'Codename: The Tickler', MP1's expensive mind-control technology, the Will Pill, has been stolen by an ogre named Snores. He is only a goon for hire, though - so who is the real culprit? Can Agents Enigma and Brown solve this ticklish case or will the mysterious Tickler have the last laugh?

Amber Fang: Hunted-Arthur Slade 2019-04-16
Amber Tyrell enjoys life's simple pleasures. A perfect evening for her includes a good book, a glass of wine and, of course, a great meal, preferably straight from the jugular. Raised to eat ethically, Amber dines only on delicious cold-blooded killers. But confirming that her chosen

victims deserve to die takes time. And patience. So it's a good thing Amber is studying to be a librarian. Her extraordinary research skills help her hunt down her prey, seek out other vampires and stay on the trail of her mother, who has been missing for over two years now. But one day while Amber is stalking a rather tasty-looking murderer, things go horribly wrong. Amber has walked into a trap. The hunter becomes the hunted. Now on the run, Amber receives the perfect job offer out of the blue. Someone wants to pay her to kill (and eat) the world's worst criminals. It sounds too good to be true. Amber Fang: Hunted is the first book in this exciting new vampire series.

Scream Street: Fang of the Vampire-Tommy Donbavand 2011-07-12
Welcome to Scream Street — a hilarious middle-grade series that will spook kids silly. When Luke Watson turns into a werewolf for the third time, the Government Housing of Unusual Lifeforms (G.H.O.U.L.) moves his family to Scream Street — a frightful

community of vampires, zombies, witches, and sundry undead. Though Luke quickly makes friends, he vows to find a way to take his terrified parents home. The secret to opening the exit, he learns, is collecting six powerful relics the founding fathers left behind. But with a sinister landlord determined to thwart Luke at every turn, will he even get past the first hurdle alive?

Dark Wine at Midnight-Jenna Barwin

2017-04-18 Dr. Cerissa Patel's a scientist, not a secret agent. But when the Lux order her to spy on the vampires she's trying to help, her duty to obey them leaves her no choice, not with the fate of humanity on the line. Her cover story seems easy as pie: become a vampire's envoy, move to Sierra Escondida, and sign-up investors from among the secret vampire communities to finance her biotech research lab. At least, it looks easy until an assassination attempt leaves the Hill vampires suspicious of her arrival. They don't want her--or her research lab--in their small town. Worse, she must ignore her growing

attraction to Henry Bautista, a vampire winemaker with eyes the color of dark bourbon and just as intoxicating--who's hiding his own deep secrets. He's rich, dangerous, and as complex as the wines he makes, and he will do anything to stop her from hurting his town. With him watching her every move, she must uncover who's behind the vampire movement to enslave mortals--before Henry discovers what's hidden beneath her skin...Dark Wine at Midnight is book 1 in the Hill Vampire series.

Blood Trial-Kelly St. Clare 2019-12 The dice are rolled at midnight. As the twenty-one-year-old heiress to the Le Spyre fortune, my life should consist of strawberry mojitos and golf carts. Right? But I'm determined to forge my own path. Desperate to escape the meaningless games of the rich, I flee my family's estate. Secret alias--check. Place to sleep--uh, kind of? Job--crap! I've bitten off more than I can chew, but that's the least of my worries. My city is a giant board game. The players are supernatural-- freakin'

vampires--including an overbearing crown prince whose unwanted attention could spell my demise. Now, I must play their deadly game, or my grandmother and best friend will pay the ultimate price. If you can't get enough of books by K.F. Breene, Annette Marie, Shannon Mayer, CN Crawford, Leia Stone, Jaymin Eve, and Laura Thalassa then lower your fangs and step into Vampire Towers. You're heading to Level 66!

Blood Oath-Christopher Farnsworth 2011-03-01
In 1867 a man accused of vampirism was tried for murder and sentenced to death. He was then pardoned by President Andrew Johnson. However, Nathaniel Cade's pardon came at a price. In return for his freedom Cade swore a blood oath to protect America and the presidential line from their supernatural enemies.

Prince of Dorkness-Tim Collins 2011-09-06 A follow-up to Notes from a Totally Lame Vampire

finds teen vampire Nigel Mullet embarking on a promising new school year with his girlfriend only to lose her to a handsome werewolf newcomer.

Sweetblood-Pete Hautman 2010-08-31 Sixteen-year-old Lucy Szabo is Undead -- at least according to her own theories about vampirism. Lucy believes that the first vampires -- with their pale skin, long teeth, and uncontrollable thirst -- were dying diabetics. And she should know. She's a diabetic herself. When Lucy becomes involved with Draco -- a self-proclaimed "real" vampire she meets in the Transylvania Internet chat room -- her world begins crashing down around her. Caught up in late-night parties and Goth culture, she begins to lose control of her grades, relationships, and health. Lucy realizes she needs to make some important choices, and fast. But it may already be too late.

Diary of a Wimpy Vampire-Tim Collins 2010

Nigel Mullet was transformed into a vampire when he was still a teenager, and so is doomed to remain this age forever. And because he became a vampire at the awkward age of 15, Nigel must spend eternity coping with acne, and a chronic ineptitude with girls. So how can he break this curse and get noticed by the love of his life, Chloe Sparrow?

My Babysitter Has Fangs-Ann Hodgman 1992

When Meg's new neighbor, Kelly Pitts, begins dating a mysterious boy named Victor, Meg suspects that the boy is actually Vincent, the vampire who had terrorized her last year on Moose Island. Original.

Dark Prince-Christine Feehan 2011-12-20
Carpathians are an immortal race of beings with animal instincts. Every Carpathian male is drawn to his life mate: a Carpathian or human female able to provide the light to his darkness. Without her, the beast within slowly consumes the man

until turning vampire is the only option.' Raven Whitney is a psychic who has used her gift to help the police track down a serial killer. Now she is determined to escape the glare of recent publicity for the peace and quiet of the Carpathian Mountains. Prince Mikhail Dubrinsky is the leader of his people but, as his ancient Carpathian race grows ever closer to extinction, he is close to giving in to the heavy weight of loneliness and despair. From the moment their minds touch, Raven and Mikhail form a connection. But there are those who incorrectly view all Carpathians as vampires, and are determined to give their extinction a helping hand.

The Strain-Guillermo Del Toro 2010-06-29 In one week, Manhattan will be gone. In one month, the country. In two months . . . the world. At New York's JFK Airport an arriving Boeing 777 taxiing along a runway suddenly stops dead. All the shades have been drawn, all communication channels have mysteriously gone quiet. Dr. Eph Goodweather, head of a CDC rapid-response team investigating biological threats, boards the darkened plane . . . and what he finds makes his blood run cold. A terrifying contagion has come to the unsuspecting city, an unstoppable plague that will spread like an all-consuming wildfire—lethal, merciless, hungry . . . vampiric. And in a pawnshop in Spanish Harlem an aged Holocaust survivor knows that the war he has been dreading his entire life is finally here . . .

No Bark All Bite (Crimebiters #4)-Tommy Greenwald 2019-01-29 From the author of the Charlie Joe Jackson series comes the fourth and

Death's Rival-Faith Hunter 2012-10-02 Jane Yellowrock is a shapeshifting skinwalker you don't want to cross—especially if you're one of the undead... For a vampire killer like Jane, having Leo Pellisier as a boss took some getting used to. But now, someone is out to take his place as Master Vampire of the city of New Orleans, and is not afraid to go through Jane to do it. After an attack that's tantamount to a war declaration, Leo knows his rival is both powerful and vicious, but Leo's not about to run scared. After all, he has Jane. But then, a plague strikes, one that takes down vampires and makes their masters easy prey. Now, to uncover the identity of the vamp who wants Leo's territory, and to find the cause of the vamp-plague, Jane will have to go to extremes...and maybe even to war.

Vampire Debt-Kelly St. Clare 2020-01-14
Vampire royals strategise at 2 am. Last week, I inherited every cent of the multi-billion-dollar Le Spyre estate. But tequila is far easier to swallow than the coincidence of my beloved grandmother's death. I'm over this supernatural game, yet walking away from Kyros isn't simple with the damn mate thing on the cards. The Indebted need my help. My grandmother deserves justice. And, uhm, the third blood exchange did something to me. It's official. I'm done playing by paranormal rules. I'm making my own--and playing to win. Because if I enter Ingenium on my terms, there's no turning back. Winning is the only option. If you can't get enough of books by Ilona Andrews, Linsey Hall, McKenzie Hunter, Patricia Briggs, Shayne Silvers, Jenna Wolfhart, and Dannika Dark, then roll the dice and get ready to play for your life. Next stop, Vampire Towers!

Who's the Biggest?-Delphine Chedru
2018-03-22 This book teaches pre-schoolers how to describe size simply by having them ask the question 'Who's the biggest?' to the pair of objects on every spread. The fun is in the reply; using evocative verbs, the book helps to conjure up some of the character of the object speaking: "I am!" trumpets the elephant', or "I am!" warns the hammer to the nail. Parents and guardians reading the book to toddlers will inevitably be drawn into the game, and will enjoy making their replies as expressive as possible. The skills being taught are basic mathematics, which Chedru turns into a fun and creative game that children will love playing. By requiring the reader to actively ask the question 'Who's the biggest?' on every page, the book encourages children to apply an enquiring mindset to the things they encounter.

Hell's Teeth-James Fahy 2016-03-22 New

Oxford. A third of the human population has been lost. The wars came, and they created a monster. The Pale, a subhuman, vampire-like drone. Then they lost control. In the thirty years that followed, humankind sought to rebuild itself within the walls of New Oxford. But society had become fractured - humans now lived incongruously among Genetic Others, themselves a group of many subspecies. The most dangerous of them all: the vampires. Somehow, these groups have managed a peaceful co-existence under the controlling government influence of the Cabal. But that is all about to change... When Phoebe Harkness receives a phone call in the middle of the night, things take a turn to the horrifying. Her supervisor at Blue Lab One, a high-security research facility, has gone missing. And all that is left behind: her teeth. Dr Harkness now finds herself in a race against time to stop further bloodshed and uncover the mystery behind the victims of this horrific crime. She must navigate the dark underworld of the vampire community, without becoming someone's prey herself... But she is not alone - on her side, against all odds, is

another vampire. Together they must fight for answers before it's too late... Hell's Teeth is the gripping first instalment of the urban gothic Phoebe Harkness series. It follows the young doctor as she stalks through the corrupt dystopia of New Oxford. James Fahy lives in the North of England, close to wild moors and adjacent to a haunted wind farm, with his extremely patient and long-suffering family and a very old cat named Gargoyle. When the cat dies, James plans to buy a raven and name it Quoth. He is the author of the Changeling fantasy series, following the adventures of Robin, a seemingly unremarkable boy who is swept up into a war between our world, and the Netherworld, a shadowy realm which lies beyond our own. In addition to fantasy, James also writes Science Fiction, Urban Gothic and Steampunk, for people old enough to know better. The Historian-Elizabeth Kostova 2010-06-24 In this internationally bestselling novel, the author of *The Swan Thieves* has 'refashioned the vampire myth into a compelling...late-night page-turner' - San Francisco Chronicle Late one night, exploring her father's library, a young woman finds an ancient book and a cache of yellowing letters addressed ominously to 'My dear and unfortunate successor'. Her discovery plunges her into a world she never dreamed of - a labyrinth where the secrets of her father's past and her mother's mysterious fate connect to an evil hidden in the depths of history. In those few quiet moments, she unwittingly assumes a quest she will discover is her birthright - a hunt for the truth about Vlad the Impaler, the medieval ruler

whose barbarous reign formed the basis of the Dracula myth. Deciphering obscure signs and hidden texts, reading codes worked into the fabric of medieval monastic traditions, and evading terrifying adversaries, one woman comes ever closer to the secret of her own past and a confrontation with the very definition of evil. Elizabeth Kostova's debut novel is an adventure of monumental proportions - a captivating tale that blends fact and fantasy, history and the present with an assurance that is almost unbearably suspenseful - and utterly unforgettable. 'Quite extraordinary....Kostova is a natural storyteller....She has refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner' - San Francisco Chronicle 'Filled with fascinating details of archaic vampire lore, the splendours of the Ottoman Empire and the beauty of the Romanian countryside' - Times Literary Supplement

Midnight Sun-Stephenie Meyer 2020-08-04 #1 bestselling author Stephenie Meyer makes a

triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. My Dog Is Better Than Your Dog (Crimebiters! #1)-Tommy Greenwald 2015-09-29 From the author of "Charlie Joe Jackson's Guide to Not Reading" comes a humorous and illustrated new series about a boy whose new dog may or may not be a crimefighting vampire. Jimmy Bishop loves doing 3 things: 1) Laughing at funny dog videos online, 2) watching his favorite show (Stop! Police!) on TV, 3) and reading his favorite vampire book

(Fang Goodness) over and over. His self-involved older sister and workaholic Mom think he needs to stop obsessing already! But when his Dad finally allows Jimmy to get a puppy before school starts, everything changes and Jimmy has something new to focus on: his amazing dog, Abby who seems to have some very unusual habits. She sleeps all day but is wired at night, and she runs from the garlic kelp biscuit made by Jimmy's strange new babysitter Mrs. Cragg. There's just something different about Abby. Could she possibly be...a vampire? Jimmy's best friend Irwin thinks Jimmy's being ridiculous, but then when Abby uncovers a real crime in progress and helps him become friends with an actual, human girl, even Irwin has to admit that perhaps Abby might have some super powers after all.

Tommy V Cancer-Tommy Donbavand

2017-07-21 On Thursday, 10th of March 2016, I returned home from a hospital appointment and broke the news to my wife and children. I had throat cancer. Stage four. Inoperable. Desperately needing some way to make sense of my situation, I set up a blog to chart my battle against the disease. I hoped it would allow me to understand more about this thing inside me, and what I would have to go through in terms of treatment to try to eradicate it. I also thought it might help other people who found themselves in similar circumstances. I made a promise to my readers to be open and honest all the way. I wouldn't hold anything back, no matter how unpleasant. Now, over a year later, I have adapted that blog into this book. It details my journey from when I first realised that something was wrong, through the intense courses of chemotherapy and radiotherapy, to where I am today. To say that journey was difficult is a vast understatement. The side effects of my treatment utterly kicked my arse, causing me to lose over half my bodyweight and fall seriously ill with double pneumonia and sepsis. Totally

unresponsive, I was rushed into intensive care where the doctors told my family that, if they couldn't stabilise me, I had approximately two hours left to live. One option was to put me into a medically induced coma, although the chances were high that I would never emerge from it. Imagine someone telling you that about your loved one as they lie there, unconscious and struggling to breathe. Cancer is an invader that affects more than just the patient. Everyone suffers - spouses, siblings, children, extended family, friends. Even, as I was to discover, strangers from all over the world. I was overwhelmed with the love and kindness of almost everyone who contacted me, but I also suffered terrible abuse at the hands of online trolls. I should warn you that parts of this book do not make for easy reading. I kept my promise to be honest, and wrote many of the blog entries when I was depressed and scared, certain I wouldn't live to see another dawn. I convinced myself that I would quickly perish, leaving my wife and two sons - then aged 9 and 17 - alone, and with no-one to protect them or provide for

them. I wouldn't get to see them grow up, develop into young men, and eventually have children of their own. The prospect terrified me. For those of you who followed my blog and read the posts as I uploaded them, you haven't seen everything. This book contains plenty of new content, including updates from when I was either in hospital or simply too ill to write. I also explain how I'm coping now, and the ways in

which my life has changed forever. Cancer is pure, unadulterated evil. I lost both of my parents to the disease (my dad less than a year before my story begins). And now the bastard had come for me. I was in for one hell of a fight.
