Mycorrhizal Symbiosis-Sally E. Smith 2010-07-26 The roots of most plants are colonized by symbiotic fungi to form mycorrhiza, which play a critical role in the capture of nutrients from the soil and therefore in plant nutrition. Mycorrhizal Symbiosis is recognized as the essential work in this area. Since the last edition was published there have been major advances in the field, particularly in the area of molecular biology, and the new edition has been fully revised and updated to incorporate these exciting new developments. Over 50% new material Includes expanded color plate section Covers all aspects of mycorrhiza Presents new taxonomy Discusses the impact of proteomics and genomics on research in this area

Number the Stars-Lois Lowry 2009-10-19

Monster, Vol. 6-Naoki Urasawa 2015-10-20 Johan is a cold and calculating killer with a mysterious past, and brilliant Dr. Kenzo Tenma is the only one who can stop him! Conspiracy and serial murder open the door to a compelling, intricately woven plot in this masterwork of suspense. Tenma learns that ten years ago, a woman lived in an old apartment house in downtown Prague with twin children, above a sign with three frogs. The neighbors also tell him about the Czech secret police and a questionable fire. Could the twins have been Johan and Anna? Meanwhile, Suk, a young detective in the Prague Police Department, meets a beautiful young woman named Anna in a bar. Suk also crosses paths with Tenma as a new terror looms over them. BKA chief inspector Lunge, now convinced of Johan's involvement in the serial murders, comes to Prague to find out what Johan really is. He learns that an agent of the Czech secret police created the strange picture book The Nameless Monster, which seems to have deeply affected Johan in his childhood. Lunge manages to locate the "Red Rose Mansion" that inspired the author of the book. There, behind a thickly plastered wall, he discovers an old door and the true horrors that lay behind it!

Tokyo Ghoul: Past-Shin Towada 2017-04-18 Before the steel frame incident in the 20th Ward, there were reports of Ghouls lurking among the masses in Tokyo, carefully stalking their prey. This novel covers the events that occurred before the opening act of Tokyo Ghoul—a time when Kaneki was still human, the Kirishimas still lived together, and Rize enjoyed her feasts. -- VIZ Media

Black Lagoon-Rei Hiroe 2012-11-13 Roanapur turns into a war zone when Balalaika and Hotel Moscow team up with the Triad to hunt down the psychotic Romanian killers Hansel and Gretel. The bloody climax leaves Rock scarred by the grim reality of the underworld he's become a part of, but there's no rest for the wicked. A terrorist organization makes a move against the Triad, and the crew of the Black Lagoon once again gets pulled into the line of fire as an echo of the past comes back to haunt the present. Cock the hammer, it's time for action! -- VIZ Media

Fist of the Blue Sky-Horie Nobu 2004-03 It is just before World War II and Kasumi Kenshiro hides as a quiet, absent-minded professor teaching literature at a small women's college in Tokyo. Once the 62nd Grand Master of Kohuto Shinken, "God Fist of the North Star," and known as Yan Wang, or "the king of Death" who preserved the peace in the City of Devils, a fighter of thugs and drug dealers, Kasumi now seeks anonymity and a quiet life until the death of his lover, and former brothers, forces him to return to Shanghai to fulfill his destiny and avenge the deaths of his associates.

Fist of the North Star

King of Wolves-Buronson 2005 "Iba, a bright-spirited young historical scholar, disappears while on a lone expedition to study the ancient Silk Road ... A year later, his girlfriend Kyoko discovers that Iba is not only alive but is a warrior-slave under the reign of Genghis Khan in 13th century Mongokia"--P. [4] of cover.

Jojo's Bizarre Adventure: Part 3--Stardust Crusaders, Vol. 6-Hirohiko Araki 2018-02-06 A multigenerational tale of the heroic Joestar family and their never-ending battle against evil! The legendary Shonen Jump series is now available in deluxe editions featuring color pages and newly drawn cover art! Jojo's Bizarre Adventure is a groundbreaking manga famous for its outlandish characters, wild humor and frenetic battles. As our heroes close in on where they think Dio is, the enemies they fight become more and more dangerous. Trapped in the desert, they face a liquid foe that can pierce steel and attacks any vibration. If they move, they die! Can they find the Stand user before he turns them into Swiss cheese?!

INCIDENTS IN THE LIFE OF A SLAVE GIRL-Harriet Jacobs 2017-10-06 "Incidents in the Life of a Slave Girl" was one of the first books to address the struggle for freedom by female slaves; explore their struggles with sexual harassment and abuse; and their effort to protect their roles as women and mothers. After being overshadowed by the Civil War, the novel was rediscovered in the late 20th century and since then hasn't been out of print ever. It is one of the seminal books written on the theme of slavery from a woman's point of view and appreciated worldwide academically as well. Excerpt: "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course..." Harriet Jacobs (1813–1897) was an African-American writer who was formerly a fugitive slave. To save her family and her own identity from being found out, she used the pseudonym of Linda Brent and wrote secretly during the night.

GIGANT Vol. 2-Hiroya Oku 2020-06-23 MY GIRLFRIEND IS LARGER THAN LIFE For Rei, the impossible already happened when he met PaPiCo, a gorgeous porn star and the subject of his every fantasy. The fact that she's wound up with the power to grow to truly gigantic proportions is only the tip of an ever-stranger iceberg. The world sees a new anomaly every day, all of them orchestrated by a mysterious website called "E.T.E." It offers its users the opportunity to vote on how the world will end, one disaster at a time. Can Rei's budding, forbidden romance survive this weird apocalypse?

The Walker's Guide to Outdoor Clues and Signs Their Meaning and the Art of Making Predictions and Deductions-Tristan Gooley 2014-05-08 Readers may be familiar with such things as natural weather forecasting, basic tracking and natural navigation, but this guide will reveal intriguing new lessons, including telling the time and date using the stars and detecting which animals are around by listening to birdsong.

The Zones of Regulation-Leah M. Kuypers 2011 "... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.

Aposimz-Tsutomu Nihei 2019-06-18 The 200,000 KM diameter artificial celestial body of APOSIMZ. Most of its volume is its core space, which is covered by a superstructural shell. Fifty centuries ago, the people who lost a war against the core lost their right to reside legitimately in APOSIMZ, and were left behind on the extremely cold surface. They face the spreading Frame disease. And aggressive automatons which appear frequently on the ruins level. Yet even so, somehow people survive.

Forming-Jesse Moynihan 2011 An eon-spanning comedy, Forming details the spawning of worlds, and the trajectory of consciousness on Earth.

When a fight between Superman and Mongul crashes into a small Northwestern town, Naomi begins to uncover the last time a super-powered person visited her home-and how that might tie into her own origins and adoption. Follow Naomi's journey on a quest that will take her to the heart of the DC Universe and unfold a universe of ideas and stories that have never been seen before. Join writers Brian Michael Bendis and David Walker and breakout artist Jamal Campbell in Wonder Comics' massively ambitious new series and star...Naomi. Collects NAOMI issues #1-6.

Blade of the Immortal Deluxe Volume 2-Hiroaki Samura 2021-02-23 A cursed, seemingly immortal warrior aids a young girl in her quest for revenge, as the students of a brutal new sword school tear a bloody path across Japan.

Fist of the North Star-Buronson 1983

Berserk-Kentaro Miura 2017-07-18 Guts, the Black Swordsman, and his companions have finally broken free of the monster-infested wilderness and arrived at the port city of Vritannis. But the band finds out all too quickly that humans can be just as monstrous as the nightmarish creatures and apostles they battled in the forest. As Schierke and Isidro face off against pirate slavers, Farnese's power-hungry family tries to force her once again under the yoke of their political ambitions. The group's only hope is to find a ship out of the city, but even if they manage to secure a vessel, will everyone be free to leave?

We Want to Do More Than Survive-Bettina Love 2019 A path to educational justice for all students - one that encourages teachers, parents, and their communities to adopt the rebellious spirit and bold and creative methods of abolitionists Educator Bettina Love argues that the U.S educational system is maintained by and profits from the suffering of children of color. Reformers offer survival tactics in the forms of test-taking skills, acronyms, grit labs, and character education which she calls the Education Survival Complex. To dismantle the educational survival complex and to achieve educational freedom--not reform--educators, parents, and community leaders must approach education through the imagination, determination, boldness and urgency of an abolitionist. Drawing on her experiences as a student and teacher, Love highlights young community leaders, artists and activists who are advocating for social change and inclusion. She persuasively argues that educators must teach students about racial violence, oppression, and how to make sustainable change in their communities through radical civic initiatives and movements. She concludes by showing how young leaders are expanding our ideas of civic engagement and intersectional justice by using the playbook of abolitionists like Ella Barker, Bayard Rustin, and Fannie Lou Hamer.

Mediocre-Ijeoma Oluo 2021-01-21

Planetes-Makoto Yukimura 2003-10-07 Follows the lives of three interplanetary space debris collectors--Hachimaki, who dreams of owning his own spaceship; Yuri, who lost his wife in a space travel accident; and Fee, who has left her husband and young son on Earth to join the crew.

Antifa-Mark Bray 2017-08-29 The National Bestseller "Focused and persuasive... Bray's book is many things: the first English-language transnational history of antifa, a how-to for would-be activists, and a record of advice from anti-Fascist organizers past and present."--THE NEW YORKER "Insurgent activist movements need spokesmen, intellectuals and apologists, and for the moment Mark Bray is filling in as all three... The book's most enlightening contribution is on the history of anti-fascist efforts over the past century, but its most relevant for today is its justification for stifling speech and clobbering white supremacists."--Carlos Lozada, THE WASHINGTON POST "[Bray's] analysis is methodical, and clearly informed by both his historical training and 15 years of organizing, which included Occupy Wall Street...Antifa: The Anti-Fascist Handbook couldn't have emerged at a more opportune time. Bray's arguments are incisive and cohesive, and his consistent refusal to back down from principle makes the book a crucial intervention in our political moment."--SAN FRANCISCO CHRONICLE In the wake of tragic events in Charlottesville, VA, and Donald Trump's initial refusal to denounce the white nationalists behind it all, the "antifa" opposition movement is suddenly appearing everywhere. But what is it, precisely? And where did it come from? As long as there has been fascism, there has been anti-fascism — also known as "antifa." Born out of resistance to Mussolini and Hitler in Europe during the 1920s and '30s, the antifa movement has suddenly burst into the headlines amidst opposition to the Trump administration and the alt-right. They could be seen in news reports, often clad all in black with balaclavas covering their faces, demonstrating at the presidential inauguration, and on California college campuses protesting far-right speakers, and most recently, on the streets of Charlottesville, VA, protecting, among others, a group of ministers including Cornel West from neo-Nazi violence. (West would later tell reporters, "The anti-fascists saved our lives.") Simply, antifa aims to deny fascists the opportunity to promote their oppressive politics, and to protect tolerant communities from acts of violence promulgated by fascists. Critics say shutting down political adversaries is anti-democratic; antifa adherents argue that the horrors of fascism must never be allowed the slightest chance to triumph again. In a smart and gripping investigation, historian and former Occupy Wall Street organizer Mark Bray provides a detailed survey of the full history of anti-fascism from its origins to the present day — the first transnational history of postwar anti-fascism in English. Based on interviews with anti-fascists from around the world, Antifa details the tactics of the movement and the philosophy behind it, offering insight into the growing but little-understood resistance fighting back against fascism in all its guises.

Fist of the North Star - 1984

Berserk Deluxe Volume 1-Kentaro Miura 2019 Volume 1: His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Volume 2: The evil Count uses his dark powers to transform a defeated guard captured into an inhuman horror to combat Guts, the Black Swordsman. Puck, Guts' pint-sized fairy sidekick, is captured when he attempts to stop an old doctor's execution, and he is given as a gift to the count's daughter, a sweet girl in a gilded cage, imprisoned by her father in her own room. Guts, determined to make mincemeat of the Count, assaults the castle and carves a swath of blood-soaked destruction through the Count's minions. Volume 3: Guts, the feared Black Swordsman, finishes his desperate battle with the monstrous Count, cutting and blasting him to gory scraps when the presence of the Count's daughter makes the monster hesitate. But Guts won't even have the time to clean his gigantic sword when the Count's dying pleas activate the Behelit, summoning the five God Hands, demon lords of immeasurable power. Guts' journey so far has been a long road of pain and death, but that's a walk in the park compared to fighting his way out of Hell itself!

A New Course in Reading Pali-James W. Gair 2017-01-01 This book is intended and serve as an introduction to the reading of Pali texts. For that purpose, it uses authentic readings especially compiled for the purpose drawn largely from Theravada canonical works, both prose and poetry. The reading are in Roman script, and carefully graded for difficulty, but they have also been selected so that each of them is a meaningful and complete reading in itself, so as to introduce some basic concepts and ways of thought of Theravada Buddhism. This book thus offers and opportunity to become acquainted with the ways in which the teachings of the Buddha are embodied in the language, a sense that it impossible to determine from English translations. The book contains 12 lessons. Each of them has three parts: (1) a set of basic readings and an accompanying glossary, (2) grammatical notes on the forms in the less, and (3) a set of further readings with its own glossary. The further readings introduce no new grammatical points, but reinforce ones already presented and give further practice in them. The work concludes, fittingly, with the Buddha's first sermon, The Dhammacakkappavattana Sutta. A cumulative glossary and index to the grammar is also provided. The text has been used successfully in its preliminary form at several universities, but it may also be used for self-study.

Hit the Drum-Sarah Tantillo 2019-06-03 The first state charter school law was passed in Minnesota in 1991. The idea that teachers, parents, and other community members could launch these independent public schools of choice proceeded to spread rapidly across the country. Within two decades, many charter schools had long waiting lists and parents willing to march on their behalf. By 2017, more than 6,900 charter schools were operating in 44 states plus DC, serving 3.2 million children. In spite of the controversy that often swirls around them, charter schools have dropped strong roots into the field of education. HIT THE DRUM is a page-turning narrative that gives an insider's perspective to explain how this transformation happened. It tells the engaging stories of several dozen unsung heroes and heroines—many of them classroom teachers—who decided to change their lives in order to join this grassroots movement which has dramatically altered the landscape of public education in America. If you are interested in education reform or how social movements grow and spread—or if you want to understand more about why we have the kinds of schools we do and how schools might look in the future—this book is a must-read.TABLE OF CONTENTSINTRODUCTIONPART I: FIRST STEPSChapter 1: Seeing What's Possible: Day One at North Star AcademyChapter 2: A Nation at Risk and Time for ResultsChapter 3: Where Did the Idea of Chartering Come From?Chapter 4: Preparing the Field and Planting the SeedsChapter 5: California and Michigan and the Early ChallengesChapter 6: "All Choice Is Good and More Choice Is Better": Two WarriorsChapter 7: The PioneerChapter 8: "Who's Going to Help People Start These Things?"Chapter 9: "We Had Nothing to Lose"Chapter 10: From Small Schools to Charter Schools in ChicagoChapter 11: How to Make the Most of a Crisis: The DC StoryChapter 12: A Pot of Meatballs Among FriendsChapter 13: Herding Cats, Part IPART II: SCALING UP: QUANTITY VS. Red Dead Redemption-Matt Margini 2020-07-07 First garnering both dismissal and intrigue as "Grand Theft Horse," Rockstar Games' 2010 action-adventure Red Dead Redemption was met on its release with critical acclaim for its open-world gameplay, its immersive environments, and its authenticity to the experience of the Wild West. Well, the simulated Wild West, that is. Boss Fight invites you to find out how the West was created, sold, and marketed to readers, moviegoers, and gamers as a space where "freedom" and "progress" duel for control of the dry, punishing frontier. Join writer and scholar Matt Margini as he journeys across the broad and expansive genre known as the Western, tracing the lineage of the familiar self-sufficient loner cowboy from prototypes like Buffalo Bill, through golden age icons like John Wayne and antiheroes like Clint Eastwood's "Man with No Name," up to Red Dead's John Marston. With a critical reading of Red Dead's narrative, setting, and gameplay through the lens of the rich and ever-shifting genre of the Western, Margini reveals its connections to a long legacy of mythmaking that has colored not only the stories we love to consume, but the histories we tell about America.
