The Piano Lesson-August Wilson 2019-08-06 Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as Ma Rainey's Black Bottom, Joe Turner's Come and Gone, and the Pulitzer

Prize-winning Fences. In his second Pulitzer Prize-winner, The Piano Lesson, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

The Pianist-Wladyslaw Szpilman 2011-12-08 The bestselling memoir of a Jewish pianist who survived the war in Warsaw against all odds. 'We are drawn in to share his surprise and then disbelief at the horrifying progress of events, all conveyed with an understated intimacy and dailiness that render them painfully close... riveting' OBSERVER On September 23, 1939, Wladyslaw Szpilman played Chopin's Nocturne in C-sharp minor live on the radio as shells exploded outside - so loudly that he couldn't hear his piano. It was the last live music broadcast from Warsaw: That day, a German bomb hit the station, and Polish Radio went off the air. Though he lost his entire family, Szpilman survived in hiding. In the end, his life was saved by a German officer who heard him play the same Chopin Nocturne on a piano found among the rubble. Written immediately after the war and suppressed for decades, THE PIANIST is a stunning testament to human endurance and the redemptive power of fellow feeling. 'The images drawn are unusually sharp and clear... but its moral tone is even more striking: Szpilman refuses to make a hero or a demon out of anyone' LITERARY REVIEW
