<b>Je T'Aime, Me Neither</b> -April Lily Heise 2013-05-30 Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if je t'aime still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: une aventure. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.
