Big Pumpkin-Erica Silverman 2011-08-09 A little bat uses brains over brawn in this not-so-scary Halloween picture book. The witch has grown the biggest pumpkin ever, and now she wants to

make herself a pumpkin pie for Halloween. But the pumpkin is so big she can't get it off the vine. It's so big the ghost can't move it, either. Neither can the vampire, nor the mummy. It looks as if there'll be no pumpkin pie for Halloween, until along comes the bat with an idea to save the day. How can the tiny bat succeed where bigger and strong spooky creatures have failed? You'll be surprised!

Halloween Fun-Judith Hoffman Corwin 1983 A wide variety of holiday activities, including party hints and projects.

Origami for Halloween-Robyn Hardyman 2016-07-15 Even though for many kids Halloween is most associated with trick-or-treating, this holiday hasn't always been about candy! In fact, it's a very old holiday, and a lot of its traditions have lasted many years. Readers will enjoy learning about Halloween's roots while making origami projects to decorate for today's

celebrations. A ghost, witch's hat, bat, and jack -o'-lantern are just some of the great paper-folding crafts readers can try by following clear, concise instructions. Full-color photographs guide them through each step and show off the spooky, completed origami!

Halloween-Laura Marsh 2012 Introduces the traditions associated with Halloween, from visiting pumpkin patches and bobbing for apples to picking out costumes and trick-or-treating.
