Lisa Heffernan 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

**The Hungover Cookbook**-Milton Crawford 2012-09-24 The morning after - the drilling headache, the waves of nausea, the paranoia, the guilt, the shame - yes, it's the dreaded HANGOVER. We are all familiar with the general misery. What are less well known are the nuances of the hungover states. According to P.G. Wodehouse there are six different types of hangover that can bring the high-spirited reveller to his or her knees, and each requires a very specific remedy. The Hungover Cookbook is a witty self-help manual that helps the morning after drinker to identify the nature of your hangover and tailor the treatment accordingly. With delicious and restorative recipes - from Milton's zingy knickerbocker glory to his irresistible tahini and tomato toast, the English Breakfast tortilla to Mexican ranch-style eggs - The Hungover Cookbook invites you to transform dealing with a hangover into a subtle, multi-faceted and enjoyable art instead of merely chucking a 'full English' at it.
