When a frightening, mysterious call comes in to David's House, Millie discovers a little blonde girl in the alley. Mystery surrounds the girl as Mike and Millie notice her regal ways and a song she sings in a foreign language. Who is she, and why was she in the alley? Where is her mother? Is she the missing Polish princess who may be the legal heir to the throne? All of these questions are answered with a surprise twist. Love's True Destiny-P. L. Byers 2016-01-21 Isabella Walsh was alone in the world. Working full-time and attending the local college, her life was difficult but happy. Until the night she witnessed a police officer execute her boss, forcing her to leave the only place she called home in order to save her own life. Finally, exhausted from months of running, Isabella settles in a small town, but soon realizes the men searching for her have found her once again. Gathering what strength she has left, she fights back, only to collapse in a wooded area, cold, exhausted, and alone. Ethan Shay, a former member of the army's elite Special Forces unit, is happy with the quiet life he has chosen to lead. Finding a broken and bleeding unconscious woman was not something he anticipated, but finding her in the woods and knowing that someone had badly beaten her brings out his natural instinct to protect. Shocked at her vehemence that he not call the police, Ethan takes her home to give her time to recover. When she finally tells him her story, it quickly becomes clear that it will take more than just his resources to help her. As they work together to uncover the mystery surrounding Isabella, they learn that the political ramifications of what she witnessed were only the beginning of what was truly happening. To stay alive, Isabella and Ethan will have to figure out how deeply her secrets go and whom, if anyone, they can trust. The decisions they make going forward could be costly, including whether or not they should stay together and forge a relationship they both desperately want. It's only when the bullets start to fly that their true relationship is put to the test.

Sweet Talker-Robin Bielman 2019-09-05 He likes to be in control... It's like this: I'm the hottest restaurateur on the west coast. I work hard, play hard, and love my family. I'm also the guy on the receiving end of some unwelcome fixation. Then Pascale Nichols walks back into my life, and I forget about everything but her. They say lightning never strikes twice, but she's the one that got away. She's also, I soon discover, the one my family secretly hired to protect me. Am I mad? Hell, yes. Am I game to play along? You bet. She's in over her head... Everyone knows and loves Ethan AuPrince. With his sexy-as-sin dimples and crazy likeability, he's always the center of attention. I've been tasked with protecting celebrities, bigwigs, and high-ranking officials, but when I come face-to-face with the man I spent one incredible summer with, I'm in trouble. A careless mistake on my last assignment cost me, and now Ethan is looking at me like he wants to devour me, not cooperate with my subtle instructions while I work under the guise of his restaurant manager. My reputation is at risk. His safety is on the line. But worse, we're falling in love again.
