Let's Celebrate Kwanzaa!-Arielle Phoenix 2019-11-06 'Let's Celebrate Kwanzaa', can be used and enjoyed by the whole family as an introduction to the Pan-Afrikan holiday, Kwanzaa. In this book, you will learn about the seven principles of Kwanzaa and how to apply them. These principles are emphasized and reinforced during Kwanzaa but can and should be used as a foundation for personal development, betterment, growth, knowledge and self-love. Kwanzaa is often misunderstood or assumed to be a religious holiday, but through the examples in this book it becomes apparent why all Africans (at home and abroad), regardless of religion, tribe or political stance can benefit from acknowledging, applying and teaching the next generation about the seven principles of Kwanzaa.

Lucky Go Happy-Van Der Merwe Paul 2014-10-21 It is easy to be happy, but there is a prerequisite. We first must understand how happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner: it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?
