

# [DOC] Hostage

Getting the books **hostage** now is not type of inspiring means. You could not without help going in imitation of ebook accrual or library or borrowing from your friends to right of entry them. This is an categorically simple means to specifically get lead by on-line. This online notice hostage can be one of the options to accompany you taking into consideration having additional time.

It will not waste your time. take on me, the e-book will certainly reveal you new event to read. Just invest little period to right to use this on-line message **hostage** as with ease as evaluation them wherever you are now.

**Taken Hostage**-David Farber 2009-01-10 On November 4, 1979, Iranian militants stormed the United States Embassy in Tehran and took sixty-six Americans captive. Thus began the Iran Hostage Crisis, an affair that captivated the American public for 444 days and marked America's first confrontation with the forces of radical Islam. Using hundreds of recently declassified government documents, historian David Farber takes the first in-depth look at the hostage crisis, examining its lessons for America's contemporary War on Terrorism. Unlike other histories of the subject, Farber's vivid and fast-paced narrative looks beyond the day-to-day circumstances of the crisis, using the events leading up to the ordeal as a means for understanding it. The book paints a portrait of the 1970s in the United States as an era of failed expectations in a nation plagued by uncertainty and anxiety. It reveals an American government ill prepared for the fall of the Shah of Iran and unable to reckon with the Ayatollah Khomeini and his militant Islamic followers. Farber's account is filled with fresh insights regarding the central players in the crisis: Khomeini emerges as an astute strategist, single-mindedly dedicated to creating an Islamic state. The Americans' student-captors appear as less-than-organized youths, having prepared for only a symbolic sit-in with just a three-day supply of food. ABC news chief Roone Arledge, newly installed and eager for ratings, is cited as a critical catalyst in elevating the hostages to cause célèbre status. Throughout the book there emerge eerie parallels to the current terrorism crisis. Then as now, Farber demonstrates, politicians failed to grasp the depth of anger that Islamic fundamentalists harbored toward the United States, and Americans dismissed threats from terrorist groups as the crusades of ineffectual madmen. Taken Hostage is a timely and revealing history of America's first engagement with terrorism and Islamic fundamentalism, one that provides a chilling reminder that the past is only prologue.

**Hostage**-Robert Crais 2012-08-01 Jeff Talley left his high-stress job as a frontline negotiator with the LAPD's SWAT unit when he failed to prevent a man from killing his family and then himself. Talley takes the chief-of-police job in a sleepy, affluent suburb, but he is soon plunged back into the high-pressure world he left behind when three young men, fleeing a robbery, burst into a home and take the family hostage. For Talley, the nightmare has barely begun. Because this isn't just any house. It belongs to an accountant who launders money for LA's renegade Mafia family - and they don't want the police involved...

**Hostage at the Table**-George Kohlrieser 2011-01-06 George Kohlrieser—an international leadership professor, consultant, and veteran hostage negotiator—explains that it is only by openly facing conflict that we can truly progress through the most difficult business challenges. In this provocative book, he reveals how the proven techniques and psychological insights used in hostage negotiation can be applied successfully to any personal or business relationship. Step by step, he outlines the seven key factors that anyone can use to remove the blocks that stand in the way of resolving tough problems and shows how business leaders, in particular, can develop and access the skills they need to create trust and a positive mind-set in their companies.

**Hostage**-Willo Davis Roberts 2016-08-09 When eleven-year-old Kaci interrupts burglars in the process of robbing her house, she and her nosy elderly neighbor Mrs. Banducci are kidnapped and held hostage by the desperate and ruthless criminals.

**Hostage**-Guy Delisle 2017 HOW DOES ONE SURVIVE WHEN ALL HOPE IS LOST? In the middle of the night in 1997, Doctors Without Borders administrator Christophe Andre was kidnapped by armed men and taken away to an unknown destination in the Caucasus region. For three months, Andre was kept handcuffed in solitary confinement, with little to survive on and almost no contact with the outside world. Close to twenty years later, award-winning cartoonist Guy Delisle (Pyongyang, Jerusalem, Shenzhen, Burma Chronicles) recounts Andre's harrowing experience in Hostage, a book that attests to the power of one man's determination in the face of a hopeless situation. Marking a departure from the author's celebrated first-person travelogues, Delisle tells the story through the perspective of the titular captive, who strives to keep his mind alert as desperation starts to set in. Working in a pared down style with muted colour washes, Delisle conveys the psychological effects of solitary confinement, compelling us to ask ourselves some difficult questions regarding the repercussions of negotiating with kidnappers and what it really means to be free. Thoughtful, intense, and moving, Hostage takes a profound look at what drives our will to survive in the darkest of moments.

**Hostage**-David Jacobsen 1991 The author recounts his seventeen-month ordeal as a hostage in Lebanon and discusses his release in exchange for weapons and the failure of America's anti-terrorism and hostage-rescue policies

**Hostage Negotiations**-California. Legislature. Assembly. Committee on Criminal Justice 1978

**Hostages and Hostage-Taking in the Roman Empire**-Joel Allen 2006-05-08 This 2006 book examines hostage-taking in ancient Rome, which was a standard practice of international diplomacy. Hundreds of foreign hostages, typically adolescents, were detained as the empire grew in the Republic and early Principate.

**Hostage**-Glen Dixon 1986

**Communication in Crisis and Hostage Negotiations**-Arthur A. Slatkin 2005 Communication in Crisis and Hostage Negotiations was written as a practical guide for law enforcement and emergency service workers who frequently encounter people in public crises. Material is drawn from over thirty years of practical experience in psychological counseling, crisis intervention, and hostage negotiations, and it is intended as a sourcebook for basic and advanced communication techniques and strategies. The book's focus is on the approaches, stratagems, difficult circumstances and communicating reflectivity to advance the course of the negotiations in the best interests of all concerned.

**Hostage**-George F. Maher 1977 A comprehensive overview of hostage, barricade, & suicide situations is presented. Tactical plans, methods of training, and equipment are discussed, along with the theory and practical application of negotiation techniques. Chapter one introduces hostage situations and covers policies regarding such situations, police responses, the use of psychological assistance, the theory of negotiation, and the role of the negotiator. The planning and formation of a police hostage negotiating team are discussed in the second chapter. Topics such as departmental policy and the negotiating team, the choosing of candidates, and training are detailed. Suggestions for role playing, negotiating at the scene, and methods for critiquing an actual incident are

outlined. Chapter three discusses tactical approaches to hostage situations, including methods for familiarizing officers with policy, duties of the first officer, responsibilities of the superior officer, police activity, command post functions, dealing with the media, preparations for moving hostages, and preparations for an extended session. Subsequent chapters treat team equipment, including electronic equipment and vehicles; the psychology of dealing with the subject, which covers street psychology, drug use by the subject, transference, and credibility; and team training.

**Hostage**-Eric Jacobsen 1990

**The Church Held Hostage**-Pastor Alfred a. Dingle Sr 2010-11 We must be reminded that there are forces outside the church warring against us. These forces at times can be and are merciless and treacherous. But we are informed through the word of God that we are more than conquerors in Christ Jesus. It is not just the outside forces which attack the church that present obstacles to the church that we want to emphasize and recognize, but primarily the inside forces that corrode and erode the infrastructure of the small church. It is tragic enough to deal with trouble from outside of the church, but it's worse when those who should work for the well-being of the church become part of the problem and not part of the solution. It's not the circumstances of life that people have little or no control over that directly holds the small church hostage, but it's the circumstances in life that people have a reasonable amount of, or a lot of control of, that holds the small church hostage. Through these writings, awareness, and enlightenment will come to this devastating quagmire that plagues many of our churches. We will no longer continue to be in danger of being The Church Held Hostage.

**Negotiating Hostage Crises with the New Terrorists**-Adam Dolnik 2008 This book is about the role of negotiation in resolving terrorist barricade hostage crises. While there are many trained crisis negotiators around the world, almost none of them has ever had contact with a terrorist hostage-taking incident. Further, the entire training program of most hostage negotiators focuses on resolving crises that do not take into consideration issues such as ideology, religion, or the differing sets of strategic objectives and mindsets of ideological hostage takers. This is especially true with regard to the terrorists of the "new" breed, who have become less discriminate, more lethal, and more willing to execute hostages and die during the incident. Further, many of the paradigms and presumptions upon which the contemporary practice of crisis negotiation is based do not reflect the reality of the "new terrorists." The main focus of this book is on the detailed reconstruction and analysis of the two most high-profile cases in recent years, the Moscow theater and the Beslan school hostage crises, with a clear purpose of drawing lessons for hostage negotiation strategies in the future.

**Hostage Heart**-Eileen Nauman 1987

**Hostage Trail**-Jon Sharpe 1984 A merciless Montana winter, bloodthirsty Blackfeet, and an enraged grizzly keep Skye Fargo from the woman he wants!

**Humanity Held Hostage**-Rose Assier Parvin 1995

**The Seneca Hostage**-Carter A Vaughan 1980-06

**U.S. Policy Options to the Hostage Crisis in Lebanon**-Bruce Hoffman 1989 Like a nightmare from which one cannot awaken, Lt. Col. William Higgins' execution has again underscored the power that a handful of Middle Eastern terrorists holds over the United States. The legacy of one presidency destroyed by its inability to free American diplomats held hostage in Teheran and another tarnished by its futile attempt to trade arms for the hostages in Lebanon is a constant reminder of America's failure to loosen terrorism's grip. With the question of response and reprisal being debated with increasing fervor throughout the country as a result of the grisly

gallows scene depicted on news broadcasts and the terrorists threatening to execute more hostages if their demands are not met, what should President Bush do? There are no easy answers, but a review of the problems that past presidents have faced in replying to terrorist acts and provocations suggests several approaches.

**The ISIS Hostage**-Puk Damsgard 2018-05-08 In a tense and riveting narrative, The ISIS Hostage details freelance photographer Daniel Rye's 13-month ordeal at the hands of the Islamic State after he was captured in Syria, and the misery inflicted upon him, and 19 other hostages, by their guards. This compelling account also follows Daniel's family and the nerve-wracking negotiations with his kidnappers. It traces their horrifying journey through impossible dilemmas, and offers a rare glimpse into the secret world of the investigation launched to locate and free not only Daniel, but also the American freelance journalist and fellow hostage James Foley. Written with Daniel's full cooperation and based on interviews with former fellow prisoners, jihadists, and key figures who worked behind the scenes to secure his release, The ISIS Hostage reveals for the first time the torment suffered by the captives and tells a moving and terrifying story of friendship, torture, and survival.

**An Giall ; The Hostage**-Brendan Behan 1987

**Hostage to Khomeini**-Robert Dreyfuss 1980

**The World Held Hostage**-Desmond McForan 1986

**The Guerrilla and the Hostage**-John E. Olson 1994

**Alistair MacLean's Hostage Tower**-John Denis 1983-03 Criminals seize and threaten to blow up the Eifel Tower if they are not payed thirty million dollars

**Hostage**-Paul Chandler 2012-10-25 On 23 October 2009, British couple Paul and Rachel Chandler were kidnapped from their sailing boat in the archipelago of the Seychelles. Their yacht, Lynn Rival, was recovered six days later by naval forces, abandoned off the central Somali coast. After the attack, Paul and Rachel were taken first onto a previously hijacked merchant ship and then to Somalia, where they were held for over a year, enduring threats and intimidation while their captors tried to extort millions of dollars from their family. In this remarkable book, the Chandlers recount their terrifying ordeal, revealing the inspiring and poignant story behind the dramatic headlines. At the heart of their survival was their unshakeable belief in each other and their determination to survive, making Hostage an unlikely love story; for Paul and Rachel, death, at times, seemed preferable to being separated.

**Hostage Situations**-Cecil Pearson 2015-09-29 An introductory guide for those seeking professional development in the issues of hostage situations. Includes cases studies and suggested checklists. This title is appropriate for criminal justice, criminal investigation, and homeland security programs. It is also suited for programs in emergency management, corporate security, psychology, emergency medical services and healthcare, police academy programs, and continuing professional development.

**Hostage**-Guy Delisle 2017-05-02 How does one survive when all hope is lost? In the middle of the night in 1997, Doctors Without Borders administrator Christophe André was kidnapped by armed men and taken away to an unknown destination in the Caucasus region. For three months, André was kept handcuffed in solitary confinement, with little to survive on and almost no contact with the outside world. Close to twenty years later, award-winning cartoonist Guy Delisle (Pyongyang, Jerusalem, Shenzhen, Burma Chronicles) recounts André's harrowing experience in Hostage, a book that attests to the power of one man's determination in the face of a

hopeless situation. Marking a departure from the author's celebrated first-person travelogues, Delisle tells the story through the perspective of the titular captive, who strives to keep his mind alert as desperation starts to set in. Working in a pared down style with muted color washes, Delisle conveys the psychological effects of solitary confinement, compelling us to ask ourselves some difficult questions regarding the repercussions of negotiating with kidnappers and what it really means to be free. Thoughtful, intense, and moving, *Hostage* takes a profound look at what drives our will to survive in the darkest of moments.

**The First Hostage**-Joel C. Rosenberg 2015-12-29 What if the Islamic State captured the most valuable hostage in history? "The president of the United States . . . is missing." With these words, New York Times journalist J. B. Collins, reporting from the scene of a devastating attack by ISIS terrorists in Amman, Jordan, puts the entire world on high alert. The leaders of Israel and Palestine are critically injured, Jordan's king is fighting for his life, and the U.S. president is missing and presumed captured. As the U.S. government faces a constitutional crisis and Jordan battles for its very existence, Collins must do his best to keep the world informed while working to convince the FBI that his stories are not responsible for the terror attack on the Jordanian capital. And ISIS still has chemical weapons . . . Struggling to clear his name, Collins and the Secret Service try frantically to locate and res-cue the leader of the free world before ISIS's threats become a catastrophic reality.

**The Three Hostages**-John Buchan 1995 This early (1924) spy adventure is one of five Buchan novels featuring the heroic Richard Hannay. Hannay is called out of retirement to rescue the kidnapped offspring of three highly placed British citizens. Hannay soon uncovers a global syndicate supporting a single man who has notions of world domination. The story suffers from exaggerated descriptions of its characters. For instance, the kidnapper, Medina, is not just a good shot, he's the best shot in England next to the King. The British are portrayed as wonderful people, but other races fare less well. Yet the story is undoubtedly good fun and is enhanced by the modulated voice and subtle characterizations of British actor Edmund Dehn. For large suspense collections.

**Crisis Negotiations**-Michael McMains 2014-09-19 Leading authorities on negotiations present the result of years of research, application, testing and experimentation, and practical experience. Principles and applications from numerous disciplines are combined to create a conceptual framework for the hostage negotiator. Ideas and concepts are explained so that the practicing negotiator can apply the principles outlined.

**The General's Hostage**-A. C. Fox 2016-07-07 Two powerful men. Two bitter enemies. One chance at love. Tav Cyrdath, a powerful wind adept and a brilliant general, leads the last free humans in a war against the Boa Visk, monsters who have enslaved most of humanity. But when the man who rules Illunvia refuses to surrender, Tav is forced to take the city by sword and magic. Victorious, he intends to execute the human traitor who has done so much harm by defying him. But when the defeated ruler, Duric Darmain, begs him to spare the citizens of Illunvia, Tav finds himself overcome by sudden mercy. He takes the man as a hostage instead, intending to use him in a trap against the monsters who have set this war in motion. Duric is defeated, broken...and yet Tav can't get his enemy out of his mind. But how could he ever feel this way about a man who has betrayed all Tav stands for? Duric knows he was only a puppet ruler for the Boa Visk, yet he has done all he can to shield his people from the cruel overlords. Now he is a prisoner, fallen from power, hated and scorned as a traitor. And yet the enemy general begins to treat him with a curious respect and eventually even kindness. He dares not trust again, but this one-time enemy makes him want to yield his heart as hostage, even as he struggles to conquer the fears he can't escape... Magic can heal wounds, but hearts must be mended with love. Both men have deep scars. Both have seen dark times. But the chance at love exists...if only they can embrace it before the Boa Visk return. Keywords: m/m romance, fantasy romance, gay fantasy, LGBT sword and sorcery, enemies to lovers, gay romance

**Medieval Hostageship c.700-c.1500**-Matthew Bennett 2016-09-13 This volume explores the issues of taking, using and being hostages in the Middle Ages. It brings together recent research in the areas of hostages and hostageships, looking at the act of hostage-taking and the hostages themselves through the lenses of political and social history. Building upon previous work, this volume in particular critically examines not only the situations of

hostages and hostageships but also the broader social and political context of each situation, developing a more complete picture of the phenomenon.

**HOSTAGE OF PASSION**-Diana Hamilton 2020-02-01 A man named Francisco visits Sarah at her office. He's a man with black eyes and a sharp gaze who is overflowing with charm. However, he arrogantly demands that she tell him where her father is. He claims that her father seduced and ran off with his eighteen-year-old sister! There has to be a mistake. Sarah lies her way out of the situation and visits the one place her father might be—Andalusia. But Francisco secretly follows her there and then whisks her away to his castle...

**Hostage Lands**-Douglas Bond 2006-01 As they translate the ancient script on recently unearthed Roman tablets, fifteen-year-old British farm boy Neil and his Latin teacher delve into the story of Rusticus, a centurion saved from massacre by Caedmon, a Celt who has witnessed Christians being martyred in Rome.

**Empire's Hostage**-Marian L. Thorpe 2017-07-15 In the second book in the *Empire's Legacy* series, *The Empire* and the northern people have been at war for over a year, but a truce is finally at hand. As part of this treaty, Lena, now a Guardswoman on the Wall, is asked to stand as hostage, to go north to live and learn among the people of Linrathe. But not everyone there will welcome her. As Lena learns more of the history of both her land and the north, a new threat emerges, one that will test her loyalty to its limits, and in the end, demand a price she could not have envisioned.

**Index: Foreign Broadcast Information Service**- 1991

**The Hostage**-Larry Weinberg 1994 Paul Spire flies to Brazil to visit his parents, and ends up a hostage to the ruthless Senhor and his men. He has to escape and then face the dangers of the Amazon jungle.

**Children Held Hostage**-Stanley S. Clawar 2014-08-07 Demonstrating that children can and are being used by parents in the divorce battle, *Children Held Hostage* is based on in-depth research involving over 1,000 families. The authors show how parents' negative actions show up in court proceedings where children testify or are questioned by mental health professionals. They address the problem of programmed and brainwashed children by explaining how to identify a child alienated by one parent against the other, prove it in court, and then find a solution that works and that a court will buy into.

**Terrorism and the Media**-Brigitte Lebens Nacos 1994 Over the last fifteen years, incidents of terrorism have become increasingly common. Until recently, however, Americans believed that such violent acts would not occur on American soil. The 1993 bombing of the World Trade Center and the 1995 bombing of the Oklahoma City Federal Building were rude awakenings. In this important, up-to-date study, Brigitte L. Nacos contends that terrorists are very successful at exploiting the vital links among the news media, public opinion, and decision making - a pattern which the author calls a calculus of violence. She demonstrates that terrorism works because media coverage influences the American public to support government responses that protect the victims of terrorism, most of all hostages, at the expense of the national interest. In a new Preface for the paperback edition, Nacos includes important recent events, showing how right-wing radio talk shows, *Penthouse*, and *The New York Times* all played pivotal roles in articulating the causes of terrorists such as the Michigan Militia and the Unabomber.
