Christ & Krishna-Bhakti Marga 2019-12-01 At the core of most religions lies a transcendent being, someone out of the ordinary that challenges our

limited human mind to expand to unknown heights. It is the presence of this being that gives people hope, proof even, that God is real. Through these individuals, God becomes something tangible, experiential and not just an abstract idea. Volume 2 of the Christ & Krishna set highlights and dives deep into the lives of two such extraordinary beings, namely Jesus Christ and Sri Krishna. Using the stories of the Bhagavatam and the Bible, the author draws comparisons and similarities in their lives and teachings, bringing clarity to the nature of God, His relationships with His devotees and His impact on the world. Through the window of these lives, we can clearly see Divine purpose, Divine power and Divine Love in action. Reading this book will inspire real devotion, not to an idea, or an institution, but rather to the essence and core of all spiritual paths: God Himself.

Secrets of Living : Eternal Fountain of Inspiration in Bhagavad Gita-Rajeev Sachdev 2011-05-10 Secrets of Living is based on the teachings of Bhagawad Gita, one of the most widely read books in the world. In today's busy life, we hardly get any time to meditate deeper into the meaning and purpose of life. We tend to take certain things for granted such as our status, wealth, educational achievements, etc.and also presume that they will be given to us in our next birth. But scriptures do not endorse this view. All our possessions, or the lack of them, are the result of our karma in the previous births. We rewrite our destiny everyday for our future births. Hence we should decide our actions in accordance with the teachings of our scriptures and not allow our materialistic aspirations to distort our

understanding and conduct in this world. Also one should not wait till the old age to start reading the scriptures. The right age to read scriptures is as early as one gets the consciousness so as to minimize the loss of deep, illuminating thoughts which an insightful reading of Bhagavad Gita entails and hence, engage in righteous actions. The divine wisdom of Lord Krishna, encapsulated in the Bhagavad Gita, is addressed to each and every individual to help solving perplexing problems and progress towards a brighter future.

The Agni and the Ecstasy: Collected Essays of Steven J. Rosen-Steven J. Rosen 2012-06 The Agni and the Ecstasy compiles essays that the renowned scholar of Vaishnavism, Steven J. Rosen, has published throughout his 25-year writing career. Ranging from commentary on transcendental philosophy and scriptures such as the Bhagavad Gita, to personal reminiscences of prominent spiritual figures and devotional music, there is virtually no topic on which he does not shed illumination. This book is an excellent introduction to Rosen's work, whether one is a newcomer or a long-time reader. " There is something in this book for everybody. If one leans toward academia and intellectual approaches to spirituality, one will appreciate the articles included here that are informative, well-researched, and conveyed with an authoritative tone. On the other hand, if the reader prefers essays that entertain and arouse emotions - that speak to one's internal spiritual quest and a personal search for answers - then there are also pieces that address those particular needs." --from the Introduction by Steven J. Rosen "Having imbibed the compassionate spirit of Srila Prabhupada, his beloved guru, and having dedicated his life to uplifting humanity through transcendental knowledge, Satyaraja is specially

empowered to reach our hearts. We can rejoice upon the release of this volume of his collected articles." --from the Foreword by His Holiness Radhanath Swami Steven J. Tales of Krishna-Narayan Sharma 2014-10-28 Lord Vishnu is the perpetuator of all life forms and non-living things, in this world. Probably, no other incarnation of Lord Vishnu has been so thoroughly read, written about and enacted as Krishna. This book is a compendium of the tales of Lord Krishna's life. It starts with this birth and ends at the point when He leaves this immortal world, after completing all ethereal tasks. ħ ħ These tales have enthralled the readers of all tastes and backgrounds. His name, if chanted, brings peace and prosperity. His leelas, if read or watched, make readers wiser, learned and devotional. Such is the power of Krishna! ħ ħ He arrived to demolish the demons and removed chaos from Aryavrat. He gave the Divine Sermon in the form of Geeta, to Arjuna (during the end of the Mahabharata War). Lord is truly a lotus-he undertook all actions of the ethereal world like a true yogi but did not involve himself in its pleasures and agonies.

Ashwatthama's Redemption: The Rise of Dandak-Gunjan Porwal 2018-09-12 Over a hundred years after the Mahabharata War, an ancient power threatens to destroy the new Age of Men, by establishing the Age of Terror of the asuras, long believed to be extinct. The only hurdle in its path is Guru Dronacharya's son, the mighty but accursed warrior Ashwatthama, who lost all his powers following Lord Krishna's curse, and who unwittingly finds himself drawn into the quest of the lost bow of Lord Rama—the Kodanda. As ghosts of the distant past return to haunt him, and the line between friends and enemies blurs, Ashwatthama must fight his inner demons to emerge victorious. He undertakes a perilous journey—across the vast plains of the Ganges, to the snow-capped peaks of the Himavant—where the price of failure is a fate worse than death, and death

is a privilege not granted to Ashwatthama. Is this all part of Lord Krishna's great plan? Will Ashwatthama be able to regain his lost glory?
