I love this tree-Anna Claybourne 2017-03-28
'Close to my house, there's a beautiful, huge, spreading tree. I see it every day. We walk past it on the way to school, and hear the wind rustling through it at night. How long has that tree been standing there? If the tree wasn't there any more, I would miss it all the time. But it's not just me - so many animals depend on it too...' 'I love this tree' is a book which looks at the life of an old living deciduous tree and through it explores the amazing life of a tree and the creatures that inhabit it. Using a mixture of photos and artwork the book shows how the tree has changed and how it acts as a habitat for other life. This beautiful book explores how important trees are to the planet. Packed with information and pictures it provides a wealth of information about trees and their importance and inspires a love of these amazing plants.

Orb-Gary Tarulli 2011-11 Three months outbound from Earth and the starship Desio approaches its planetary destination, her crew eager to commence a mission of scientific discovery. Kyle Lorenzo, however, has a personal reason for being on board--an inner conflict that will ultimately propel him to explore not only of the furthest reaches of an enigmatic ocean world but the nebulous recesses of his inner psyche. During the long and isolating interstellar journey a physical relationship develops between Kyle and the ship's physician, Kelly Takara. That part is easy. Understanding the reasons for avoiding the emotional commitment desired by Kelly is harder. So, too, is trying to penetrate the mind of Larry Melhaus, the mission's brilliant and reclusive physicist - a failure to communicate made exponentially more troublesome when the scientist's disturbing behavior begins to threaten the crew. While Kyle struggles to comprehend himself and Melhaus, the ship's crew, led by their strong-willed commander, Bruce Thompson, attempt to fathom a planet where none of the precepts of science seem to apply. A world where every preconceived notion of what constitutes life must be re-examined and challenged. Two journeys: One inward, one outward. Culminating at the same destination.

The Tree Lady-H. Joseph Hopkins 2013-09-17
Unearth the true story of green-thumbed pioneer and activist Kate Sessions, who helped San Diego grow from a dry desert town into a lush, leafy city known for its gorgeous parks and gardens. Katherine Olivia Sessions never thought she'd live in a place without trees. After all, Kate grew up among the towering pines and redwoods of Northern California. But after becoming the first woman to graduate from the University of California with a degree in science, she took a job as a teacher far south in the dry desert town of San Diego. Where there were almost no trees. Kate decided that San Diego needed trees more than anything else. So this trailblazing young woman singlehandedly started a massive movement that transformed the town into the green, garden-filled oasis it is today. Now, more than 100 years after Kate first arrived in San Diego, her gorgeous gardens and parks can be found all over the city. Part fascinating biography, part inspirational story, this moving picture book about following your dreams, using your talents, and staying strong in the face of adversity is sure to resonate with readers young and old.
