Dingle Dangle Scarecrow- 2006

Dingle Dangle Scarecrow- 2006

I'm a Dingle Dangle Scarecrow-Annie Kubler

Book of Rhymes-Adam Bradley 2017-06-27 The definitive account of rap and hip hop as forms of American poetry "Bradley is a visionary critic, skillful and wise.... Book of Rhymes is a tour de force, brilliantly renovating hip hop criticism as [lit] rescues the forgotten vanguard of American poetry." --Henry Louis Gates, Jr. Rap may be the most revolutionary development in poetry over the past forty years, yet its originality is hidden in plain sight. Often overshadowed by the beat, bluster, and hype surrounding the music, lyrics are the heart of hip hop. Book of Rhymes explores America's least-understood poets by unpacking their complex craft and according them the respect they deserve as lyricists. Examining the language and techniques of hip hop's most memorable artists, literary scholar Adam Bradley argues that a new world of rhythm and rhyme awaits us if we put aside preconceptions and encounter rap with new ears and new eyes. Updated to reflect nearly a decade of the genre's evolution, Book of Rhymes remains the definitive work on the poetry of hip hop.

Nursery Rhyme Collections- 2015-07-01

10 Hooting Owls-Ed Allen 2017-01-06 Follow the owls in this fun counting book-all the way back to the nest! Keep a look-out on every page for hidden numbers to find. Kids will have loads of fun learning to count backwards with dancing owls, skating owls, and even owls at the movies!

The American Body in Context-Jessica R. Johnston 2001 The body is a physical entity and a symbolic artifact. It is both created in the world of nature and also physically reconstructed by a culture. The body is both an internal, subjective environment and simultaneously an object for others to observe and evaluate. Bodily practices, woven within a dense web of social relationships, are then both individual and collective- the individual body expresses

cultural values, rules, and regulations in the daily routine of living.p The American Body in Context: An Anthology is an interdisciplinary investigation of these body relationships, examining the American historical and contemporary constructions of the body. Through readings and exercises, this new book allows readers to explore interrelationships between the individualized and the constructed nature of embodied experiences. This comprehensive text draws together a wide variety of analyses and demonstrates the interdependence between the individual and the structural (re)productions of embodied experiences in the U.S.p This is an excellent text for courses in American studies, American society, cultural and social anthropology, and gender studies.p

I Am the Music Man- 2018-03 Rhyming, cumulative text adapted from a classic nursery song introduces six musical instruments, while glimpses through die-cut windows hint at who is playing each one.

Dig Dig Digging-Margaret Mayo 2012-11-26 A mighty machine-filled fun read for brilliant boys! Get ready to dig, scoop, lift and tip! See a whole host of bright and colourful vehicles hard at work in this bestselling story. The action-packed pages are full of exciting vehicles, including diggers, fire engines, tractors, cranes and lots, lots more. With bright, bold artwork, fun rhyming text and lots of sound words to read aloud, this story is perfect for sharing with machine-mad boys.

She Will be Coming Round the Mountain- 2013 This favourite traditional children's song, which is sung in schools and preschools around the country (and sometimes in the car on family holidays!), receives the Topp Twins/Jenny Cooper treatment in the style of the bestsellers There's a Hole in My Bucket and Do Your Ears Hang Low?.

I Don't Believe in Dragons-Anna Walker 2010 Everyone in Miss May's class believes in dragons-except for Jack. When the other children join in the game of imagining a dragon at school, Jack refuses to play along. Is there anything that can convince him to change his mind?

Row, Row, Row Your Boat-David Ellwand 2011-04-22 In this traditional nursery rhyme, a group of teddy bears row merrily down the stream. On board pages.

Round and Round the Garden- 2018-10 This award winning series has been specifically designed for babies. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

Eloise Wilkin's Poems to Read to the Very Young-Eloise Wilkin 2001 A collection of short poems on various subjects, by Robert Louis Stevenson, A.A. Milne, Christina Rossetti, and other authors. On board pages.
