Check out Louie Giglio's other bestselling science devotional, How Great Is Our God: 100 Indescribable Devotions About God and Science.

The Indescribable and the Undiscussable-Dan Bar-On 1999-01-01 Serious difficulties arise when people try to make sense of their feelings, behavior, and discourse in everyday life and, especially, after traumatic experiences. Two groups of impediments are identified: the "indescribable" is demonstrated by a group of pathfinders working through their different maps of mind and nature; by individuals trying to understand and integrate a first heart attack into their previous life experiences. The "undiscussable" is highlighted in the intergenerational transmission of traumatic experiences in the families of Holocaust survivors and Nazi perpetrators. By providing a unique way of looking at life experiences, embedded in a variety of social contexts, this book suggests a new psychosocial theoretical framework which can be used by both laymen and professionals when confronted by troublesome issues that require acknowledgement.

Indescribable-Louie Giglio 2011-11-01 Putting this powerful message into print for the first time, visionary pastor Louie Giglio and songwriter Matt Redman team up to write a heart-stirring book about the mysteries of God's creation. Indescribable takes readers on a journey through the vastness of outer space and into the depths of the soul. Modern science allows viewers to see farther into space than ever before, and every step draws them closer to the God who breathed each star into existence. In Indescribable, the authors intertwine devotional insights with remarkable scientific facts that awaken both mind and spirit. As Giglio and Redman write, God turnswonderers into worshipers. Above all, Indescribable is a call to worship—an invitation to know and be known by the God of all creation and to become more passionate worshipers of Jesus Christ.

The Indescribable God-Barry D. Smith 2012-10-05 The God of classical Christian faith is radically transcendent--utterly beyond understanding and words. So if God is to be known it must be in the luminous darkness of unknowing. Drawing on a wide range of primary sources--biblical, patristic, and medieval--Barry D. Smith identifies and explores seven ways of expressing the otherness of God in classical Christian thinking. By allowing historical theologians to speak for themselves, he shows how an aversion to ontotheology long precedes postmodernism. The book first lays out the Old Testament and New Testament foundations for subsequent Christian reflections on divine transcendence. These were the teachings that the early church assumed and, with the assistance of Greek philosophy, further refined with their own set of apophatic conceptual tools. The main focus of the book is a sevenfold exposition of that theological refinement. Smith concludes by looking towards possible future theological developments within this apophatic tradition. Drawing on the theological methodology of historic Christianity, he indicates how a synthesis of the biblical teaching on the otherness of God with philosophical traditions other than those inherited from Greek philosophy is also possible.

Indescribable Faith-Jenna Wright 2018-05-24 Indescribable Faith By: Jenna Wright Emberline Winston has been on her own for a while. An orphan born of the Christian faith, she lives in a world where the government has outlawed her religion. All followers of Christ are persecuted, forced to renounce their religion, or be put to death by the Eternal Flame Agency (EFA). So, she runs, and hides—a heavy burden to bear, but worth it. Nothing will shatter her faith. Emberline's life changes drastically when fellow Christian Thomas Yale offers her a chance to join the I AM Faithful (IAF), a resistance dedicated to spreading the word of Christ and providing sanctuary to all His followers. She cautiously agrees to join him, his family, and the cause, thankful for the opportunity to fulfill God's will. But the threat of the EFA is constant. Will they ever be safe?

Indescribable for Little Ones-Louie Giglio 2021-03-09 From bestselling author and beloved pastor Louie Giglio, Indescribable for Little Ones introduces young children to God's amazing creation. Kids will be in awe as they discover that everything, from the ants on the ground to the stars in the sky, was made by God. The Hibbert Journal-Lawrence Pearsall Jacks 1958 A quarterly review of religion, theology, and philosophy.

Indescribable Joy-Joel Dison 2013-04-04 Who would not want more joy in their life? How about joy that is indescribable? For the Christian, however, joy is more than just something we wish to have and experience. According to Galatians 5:22, joy is a part of the fruit of the Spirit. That means joy should be a natural outpouring of the Holy Spirit's work in our lives. Why is it, then, that even Christians are often hungry for more joy in our lives? Why are we constantly searching for joy? Could it be that we really do not understand joy and so are searching for it in all the wrong places? Too often we focus on things that bring us temporary happiness and not on things that bring us true joy. The result is that the world is full of people who are rich and famous, but eminently miserable. At the same time, there are those whose circumstances should make them miserable and yet they have joy. Could it be that we have the wrong concept of what it means to be joyful? The book of Philippians is all about joy. Indescribable Joy, therefore, will take you through this letter to the church at Philippi in search of the joy principles contained therein. In reading this book, you will discover how focusing on others rather than yourself will actually increase the joy in your life. Because true joy comes from God, you will learn that working towards your own sanctification will actually improve the level of joy in your life. Indescribable Joy will teach you how to stop seeking those things that bring temporary pleasure and start working on those things that naturally produce sustainable joy. Perhaps in reading this book, you too can find Indescribable Joy.

An Indescribable Unknown-WK & JC 2013-10 The story begins were a young human female enters The Forbidden, a training agency for a wide variety of scientific human species. The species are created from humans and a few animals' DNA. They look human, but they're not completely . . . human. She enters deep into The Forbidden until she feels a warm hand in hers. She travels with the mysterious stranger through his home until she returns to safety. Three weeks after the encounter, she spots the stranger at her friend's school play. One of her friends is waiting for her there, and he talks to the stranger as if they've known each other for years. She goes home very confused. Her friend misses his brother, who just disappeared. He cannot believe he just left, causing so much chaos in their household. He travels on a journey to The Forbidden and back, chasing after empty promises of stability until he discovers a higher being that gives you anything for so little in return. His older brother searches for clues, facts, beings--anything to find the missing brother. He finally finds him, but he cannot process the thought of him being used and treated like a dog. He searches high and low for answers until he finally discovers the hidden secret. In the meantime, the mysterious stranger fights through his own personal battles, but as time grows little, he struggles to keep his fear under control. He knows his contract won't last forever, and when it expires, he knows his master will sell him back to the one person he fears most . . .

Indescribable Love-Dylan watson Throughout humans history, love provide the strength to overcome. Love is something thats as natural as breathing air, yet complex as learning a new language. It's not impossible to understand but it's definitely hard to do. Thats why a lot of people are lonely or constantly in and out of relationships.
