Your Move-Jonathan Kay 2019-10 Board games are among our most ancient and beloved art forms. During the rise of digital media, they fell from prominence for a decade or two but today they are in a new golden age. They're ingeniously designed, beautiful to look at, and exhilarating to play. Games are reclaiming their place in our culture, as entertainment, social activity, and intellectual workout equipment. Alone among all art forms, games require their audience (called "players") to participate. If nobody's playing, there is no game. As a result, games can tell far more about us than our TV shows, movies or music ever could. How does The Game of Life illustrate our changing attitudes about virtue? How does a World War II conflict simulation game explain the shortcomings of a failed novelist? Each chapter of Your Move examines one game, and what it reveals about our culture, history, society, and relationships. The book's two co-authors bring the perspectives of a writer who plays, and a player who writes. Before Jonathan Kay began his distinguished career as an author and commentator, he had a passion for games, and in recent years he has rediscovered them. Meanwhile, Joan Moriarity's career has been spent designing, developing, distributing, art directing, recommending and teaching board games and, recently, writing about them for a wider audience. With its short, punchy essays, and dozens of beautiful photographs of the games themselves, every chapter will be a worthwhile read in itself, and the book overall will leave you inspired to discover the truths of your own inner and outer world through play, whether you're a seasoned veteran or a total newcomer.

The Eight-Katherine Neville 2015-07-21 The "fascinating" #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly "Game" still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare

Up to You-Andy Stanley 2010-04-14 You Can Have the Life You Want You're on the brink of life! Sure, you've had one for a while now, but the teen years are the prime time to define the rest of your life. But how, realistically, can you secure a regretless future in the face of so many major, life-changing decisions? Now, by asking just one simple question, you'll make the best decision every time. And a bright future—one with no lumps in your throat, sinking sensations in your chest, or weight on your shoulders—will be yours! From dating dilemmas to career aspirations, you can confidently chart a successful course in every area of your life. But no one else will do it for you. It's entirely up to you. Yesterday You made a choice. Today It's no big deal. Tomorrow You're wondering, What was I thinking?! Now, by asking just one simple question, you can avoid regret before it defines your life. This powerful question will enable you to navigate your way to the life you've always wanted. Many consider this the best question ever. You are about to find out why! It's your life. And life is full of choices. What kind of choices will you make? It's up to you! Story Behind the Book After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15 he read, "Be very careful, then, how you live—not as unwise but as wise." It was there that Andy discovered what he considers to be the best question ever, and it is presented here in this book for teen readers. The goal is for the younger generation

to grasp the power of this question, and as they face major (and minor) life decisions, they will make them with confidence. As they move forward making sound decisions every time, they'll guarantee themselves a future with no regrets!

The Altman Close-Josh Altman 2019-04-09 Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just down the street. Josh wants to put those principles, and the techniques for applying them, in your hands. Learn them and
