Joker: Death of the Family eBook: Snyder, Scott, Greg
The imagery in the Death of the family is quite a stretch, even for the joker. The Joker has done some bad things, to say the least. However, when reading DotF, Joker seems to lose all the traits that make him likable, gone are the over-the-top traps, gone is the corny humor. Instead, these are replaced by a extremely dark Joker, some may like it.

The Joker: Death of the Family by Scott Snyder
The Joker: Death of the Family is larger by a couple of issues compared with the first crossover arc, the Night of the Owls. Not to be confused with the main Batman: Death of the Family story written by Snyder and drawn by Capullo, Joker: Death of the Family (JDotF) is a mashup of issues that spans across several bat-related titles, Nightwing, Batgirl and Suicide Squad to name a few.

The Joker: Death of the Family review | Batman News
16/10/2013 · Death of the Family is a great Joker story when viewed as a 5-part saga from the Batman title, but as an epic crossover event it's a mess.

The Joker: Death Of The Family
Death of the Family seems more like the comic books I read when I was a kid, although far more adult in its portrayal of violence, the psychotic and sexuality. The basic story is that The Joker has returned to Gotham after a year's hiatus. The backstory is that he escaped from Arkham Asylum and cut the skin from his own face.

Batman: Death of The Family's JOKER is Still The Darkest
17/06/2020 · The DCEU's take on The Joker has provided viewers with some genuinely heinous and insane antics, but comic fans will know that was all child's play compared to horrors the character got up to 2012's Batman: Death of the Family, a story line so horrific that Warner Bros. likely wouldn't touch it with a ten foot Batpole. A warning to the squeamish: it's about to get gross.

members of the Bat Family titles He goes after them and plays mind games with them and puts them through hell.

The Killingest Joke: Joker in BATMAN: DEATH OF THE FAMILY

03/03/2014 · Many might believe that JOKER: DEATH OF THE FAMILY refers to Joker's capture and destruction of the Batfamily. While this is true to an extent, I would argue that the most important family being destroyed, in fact, is that of Batman and Joker, who have always shared a strange love-hate relationship.

The Joker is a supervillain who appears in American comic books published by DC Comics. The Joker was created by Bill Finger, Bob Kane, and Jerry Robinson and first appeared in the debut issue of the comic book Batman on April 25, 1940. Credit for the Joker's creation is disputed; Kane and Robinson claimed responsibility for the Joker's design while acknowledging Finger's writing ...
