This light-hearted rhyming tale can be read alone or with a cast of characters as a "Reader's Theater."

**Let My People Go-Cal** Bombay 2011-04-13 In the war-ravaged African nation of Sudan, slavery is a way of life. Islamic fundamentalists in the north capture women and children-many of them Christian-in the south and sell them to other northern Muslim as servants and concubines. There they live on table scraps and are forced to convert to Islam. Their stories are devastating, yet their capacity for hope is an inspiration to the world. Let My People Go is the gripping, heartrending, sometimes infuriating first person account of a 1997 mission to return Sudanese slaves to their southern homeland, buy them, and set them free in the name of the Lord. It is a story you will never forget.

**Let My People Go-Pat** McKissack 1998-10-01 The daughter of a free black man who worked as a blacksmith in Charleston, South Carolina, in the early 1800s recalls the stories from the Bible that her father shared with her, relating them to the experiences of African Americans.

**Let My People Go Surfing**-Yvon Chouinard 2016-09-06 In this newly revised 10th anniversary edition, Yvon Chouinard—legendary climber, businessman, environmentalist, and founder of Patagonia, Inc.—shares the persistence and courage that have gone into being head of one of the most respected and environmentally responsible companies on earth. From his youth as the son of a French Canadian handyman to the thrilling, ambitious climbing expeditions that inspired his innovative designs for the sport’s equipment, Let My People Go Surfing is the story of a man who brought doing good and having grand adventures into the heart of his business life—a book that will deeply affect entrepreneurs and outdoor enthusiasts alike. “This is the story of an attempt to do more than change a single corporation—it is an attempt to challenge the culture of consumption that is at the heart of the global ecological crisis.”—From the Foreword by Naomi Klein, bestselling author of This Changes Everything

**Let My People Go**-Pauline Peretz 2017-07-05 American Jews' mobilization on behalf of Soviet Jews is typically portrayed as compensation for the community's inability to assist European Jews during World War II. Yet, as Pauline Peretz shows, the role Israel played in setting the agenda for a segment of the American Jewish community was central. Her careful examination of relations between the Jewish state and the Jewish diaspora offers insight into Israel's influence over the American Jewish community and how this influence can be conceptualized.To explain how Jewish emigration moved from a solely Jewish issue to a humanitarian question that required the intervention of the US government during the Cold War, Peretz traces the activities of Israel in securing the immigration of Soviet Jews and promoting awareness in Western countries.Peretz uses mobilization studies to explain a succession of objectives on the part of Israel and the stages in which it mobilized American Jews. Peretz attempts to reintroduce Israel as the missing, yet absolutely decisive actor in the history of the American movement to help Soviet Jews emigrate in difficult circumstances.

**Let My People Go Surfing**-Yvon Chouinard 2005 The personal stories of the founder of Patagonia, Inc. describes his underprivileged childhood as an immigrant in southern California, early fame as a successful mountain climber, and company's dedication to quality and environmental responsibility. 75,000 first printing.

**Let My People Go!**-Steven Collins 2012-08-01 Historians and Bible scholars have a long history of speculation about the identity of the pharaoh at the time of the Israelite Exodus from Egypt. Indeed, we cannot help but wonder to which of Egypt’s great kings Moses said, ?Let my people go!? Some believe that the answer lies in comparing a selected biblical Exodus chronology (early or late) with a particular version of the Egyptian chronology (high, middle or low), thereby locating the Pharaoh of the Exodus at a point of chronological correlation. But this approach has always proved inadequate from a historiographical perspective. This detailed study reveals that the Exodus events as described in the Bible do, in fact, fit with precision into a corresponding segment of ancient Near Eastern history when sources from Egypt, Hatti, Mittani, Assyria, the Levant, and the biblical narratives are properly understood and superimposed.

**Let My People GO!: 21 Days Fasting and Prayers for Breakthrough and Deliverance**-J.E. Charles 2016-03-16 True freedom is the freedom to serve God. Matthew 17:21 declares "But this kind does not go out except by prayer and fasting" this scripture tells us that there are some spirits in a person, region, or nation that cannot be overcome without fasting. Many believers struggle with certain limitations that they cannot seem to break through. A revelation of the power of fasting will result in victories that would not be ordinarily obtained. Whoever the Pharaoh is that is confronting your destiny shall bow in the name of Jesus. A life of consistent fasting will cause many victories to manifest. God’s will is for every believer to live a life of victory with nothing being impossible.

**Let My People Go Surfing**-Yvon Chouinard 2016 As a child, Yvon Chouinard moved to Southern California with little English and less money. Today his company, Patagonia, earns more than \$600 million a year and is a beacon and benchmark for sustainable capitalism. This is the amazing story of a young man who found escape by scaling the world’s highest peaks, of an innovator who used his father’s blacksmith tools to fashion equipment that changed climbing forever, and of the entrepreneur who brought doing good and having a blast into the heart of a business.

**Let My People Go**-Sam Lipski 2018-11-01 For 50 years, until the Berlin Wall fell in 1989, the Soviet Union ran a campaign of repression, imprisonment, political trials and terror against its 3 million Jews. In Australia, political leaders and the Jewish community contributed significantly to the international protest movement which eventually triumphed over Moscow’s tyranny and led to the modern Exodus of Soviet Jews to Israel and other countries. Lipski and Rutland make this largely unknown Australian story come alive with a combination of passion, personal experience and ground-breaking research. “The struggle for the freedom of Soviet Jewry was one of the most powerful displays of strength and solidarity by the world Jewish community... even those intimately familiar with the struggle will be surprised to discover in Let My People Go how the Australian Jewish community and its leaders were among the campaign’s initiators, and how they saw it through to its successful conclusion. This is a unique testament to how a small group can play a big role in history.” - Natan Sharansky, Chairman Jewish Agency for Israel, Prisoner of Zion (1977-86)

**Let My People Go**-Tom Hess 1987-01-01

**Exodus and Liberation**-John Coffey 2014-02 Tracing a series of political crises in Anglo-American history from the 16th-century Reformation to the civil rights movement Coffey excavates the history of deliverance politics testifying to the powerful political appeal of the Exodus, the Jubilee and the biblical language of liberty.

**Let My People Go**-A. A. Allen 2012-03-01 I make no apology for the Bible! I make no apology for the way people shout and praise God in these meetings. I make no apology for the loud noise of hundreds of people clapping their hands in praise! People shout, sing, and dance in the Spirit in these meetings. I will not apologize for the way children of God who attend our meetings talk in tongues and prophesy! I have no apology for God’s Word! I cannot apologize for what God declared we ought to be receiving and enjoying today! Asa A. Allen was a controversial evangelist with a Pentecostal healing and deliverance ministry. He was associated with the “Voice of Healing” movement founded by Gordon Lindsay. Allen became one of the first to develop a national television ministry. His television programs frequently included excerpts from his “healing line” ministry.

**Let My People Go**-A. W. Tozer 2010-08-02 How God can use one person—limitations and all—to bring thousands to Himself Robert A. Jaffray was a giant among the pioneer missionary statesmen of the early 20th century. Heir to the Toronto Globe, one of Canada’s leading newspapers, he turned his back on wealth and power to serve in China. Responsible for an ever-growing work there, he simultaneously opened French Indochina to The Christian and Missionary Alliance. Later he orchestrated the missionary effort in Indonesia, today the largest Alliance field overseas. Jaffray was a missionary general. His keen administration, extensive writing, and incessant strategizing made him a natural leader. Aided by his wife, Minnie, he never let poor health—diabetes and a heart condition—deter him from his work for the Lord. Committed to missions and the people of Southeast Asia to the end, Jaffray died a Martyr in a Japanese prison camp during World War 2. His story serves as an example of how God can use one person—limitations and all—to bring thousands to Himself.

**Let My People Go!**-J. E. Douglas Sr. 2013-10 This is a new release of the original 1958 edition.

**Let My People Go**-Moses Chow 2007-09

**Let My People Vote**-Desmond Meade 2020 Desmond Meade survived a tough childhood only to find himself with a felony conviction. He further survived hardships that led him to the brink of suicide. Finding the strength to pull his life together, he graduated from law school and married. When his wife ran for state office, he was filled with pride—but not permitted to vote for her. He spearheaded a movement to restore voting rights to felons who had served their terms, and in November of 2018, Amendment 4 passed with 65% of the vote. Today, Desmond continues his justice work, including fighting back against new restrictions placed on Florida voters, restrictions that have been likened to Jim Crow laws. In this book he tells the story of his battles on all fronts, and of his undying belief in the power of a fully enfranchised nation.

**The Bible in History**-David W. Kling 2004-08-12 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity. But few of us have considered the precise nature of that influence in particular historical contexts. In this book, David Kling traces the fascinating story of how specific biblical texts have at different times emerged to be the inspiration of movements that have changed the course of history. By examining eight such pivotal texts, Kling elucidates the ways in which sacred texts continue to shape our lives as well as our history. Among the passages he discusses are: \* “Upon this rock I will build my church” (Matthew 16:18), which inspired the formation of the papacy and has served as its foundation for centuries \* “The righteous will live by faith” (Romans 1:17), which caught the imagination of Martin Luther and sparked the Protestant Reformation \* “Go to Pharaoh and say to him, ‘Thus says the Lord: Let my people go, so that they may worship me” (Exodus 8:1), which has played an important and diverse role in African American history from early slave spirituals through the modern civil rights movement and beyond \* “There is no longer Jew or Greek, there is no longer slave or free, there is no longer male and female; for all of you are one in Christ Jesus” (Galatians 3:28), which has been adopted by feminists as a rallying cry in the battle for women’s ordination Each of the historical episodes he explores—from the beginning of Christian monasticism to the emergence of Pentecostalism—is evidence of the dynamic interplay between Scripture and the social and cultural context in which it is interpreted. Kling’s innovative study of this process shows how sacred texts can give life to social movements, and how powerful social forces can give new meaning to Scripture.

**Joseph Smith’s New Translation of the Bible**-Kent P. Jackson 2004 This volume—the work of a lifetime—brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith’s day.

**The Responsible Company**-Yvon Chouinard 2013-10-06 The Responsible Company, by Yvon Chouinard, founder and owner of Patagonia, and Vincent Stanley, co-editor of its Footprint Chronicles, draw on the their 40 years' experience at Patagonia - and knowledge of current efforts by other companies - to articulate the elements of responsible business for our time. Patagonia, named by Fortune in 2007 as the coolest company on the planet, has earned a reputation as much for its ground-breaking environmental and social practices as for the quality of its clothes. In this exceptionally frank account, Chouinard and Stanley recount how the company and its culture gained the confidence, by step and misstep, to make its work progressively more responsible, and to ultimately share its discoveries with companies as large as Wal-Mart or as small as the corner bakery. In plain, compelling prose, the authors describe the current impact of manufacturing and commerce on the planet’s natural systems and human communities, and how that impact now forces business to change its ways. The Responsible Company shows companies how to reduce the harm they cause, improve the quality of their business, and provide the kind of meaningful work everyone seeks. It concludes with specific, practical steps every business can undertake, as well as advice on what to do, in what order. This is the first book to show companies how to thread their way through economic sea change and slow the drift toward ecological bankruptcy. Its advice is simple but powerful: reduce your environmental footprint (and its skyrocketing cost), make legitimate products that last, reclaim deep knowledge of your business and its supply chain to make the most of opportunities in the years to come, and earn the trust you’ll need by treating your workers, customers and communities with respect.

**Let My People Go**-Jerry A. Grunor 2005-10 As today’s events unfold in the world we live in, we should learn and remember, and we shall overcome all of our enemies if not, forgive them. The people of Israel have made a commitment that no country shall ever succeed in enslaving them again. The lore of revolt and the spirit of freedom will sustain the people of Israel and their children, as they become their own enemies as well. This is the story of one country and its people, their life as a struggle; their death heroic;m; their sacrifice sacred; their memory eternal. Because Jewish history through the ages has a rich record of martyrs who willingly laid down their lives for the principles of right and justice. Many were those who made the ultimate sacrifice in the defense of the Jewish faith and of the Jewish homeland, including those in the second century BCE. Let My People Go is based on actual correspondence, some of which was presented by Prime Minister Menachem Begin about Dov Gruner. Dov is author Jerry Grunor’s cousin, who fought with Mr. Begin in the early 1940s for the independence of Israel.

**Religion and Development in Southern and Central Africa: Vol 2**-Amanze, James N. 2020-01-19 This book is a result of a joint conference, which was held from 18th-22nd July 2017 under the theme Religion, Citizenship and Development - Southern African Perspectives." The theme of the conference was adopted in order to underline the importance and significance of religion in the socio-economic development of people in the world generally and in Southern and Central Africa in particular. The papers in the book are divided into two volumes. Volume one consists of papers which directly discuss religion and development in one form or another. The second volume contains papers that discuss religion and other pertinent issues related to development. The papers are grouped into sub-themes for ease of reference. These include Citizenship and Development, Migration and Development, Disability and Development, Pentecostal Churches and Development and Religion and Society. All in all, despite a divergence of sub-themes in volume two, all point to issues to do with the role of religion in development in Southern and Central Africa today.

**God’s Trombones**-James Weldon Johnson 2008 James Weldon Johnson was a leading figure of the Harlem Renaissance, and one of the most revered African Americans of all time, whose life demonstrated the full spectrum of struggle and success. In God’s Trombones, one of his most celebrated works, inspirational sermons of African American preachers are reimaged as poetry, reverberating with the musicality and splendid eloquence of the spirituals. This classic collection includes 'Listen Lord-A Prayer,' 'The Creation,' 'The Prodigal Son,' 'Go Down Death-A Funeral Sermon,' 'Noah Built the Ark,' 'The Crucifixion,' 'Let My People Go,' and 'The Judgment Day.'

**Let My People Go**-Linda W. Blankenship 2009-04-01 I have experienced the restoration of the Holy Spirit as He broke through the closed doors of painful forgotten memories. Thousands have been set free from generational and emotional bondages, addictions, incest, depression and etc. through the years by my Lord. You will read testimonies of many changed lives and what bound them. I share my experiences with the Holy Spirit and the Holy Angels. The destruction caused by betrayal and emotional affairs. Out of His presence in my life the Holy Spirits Supernatural flows to others.

**Let My People Go**-Eric R. Gokey 2021-03-26 If you are a Christian you will probably put this book down, but because you are a Christian you should definitely not put it down, you need to read it! If you are a feminist this book is for you. If you are against human trafficking this book is for you. If you are an environmentalist this book is for you. If you are against inequality this book is for you. If you are against injustice this book is for you. If you are an activist this book is for you. If you feel like you have no place on this earth this book is for you. If you think you are walking alone this book is for you. This book will connect the person that you are, with the person that you were created to be. This book is for you! And when you read it, you will understand. A better meaning to life.
