Loosely translated, Hygge—pronounced Hoo-ga—is a sense of comfort, togetherness, and well-being. "Hygge is about an atmosphere and an experience," Wiking explains. "It is about being with the people we love. A feeling of home. A feeling that we are safe." Hygge is the sensation you get when you're cuddled up on a sofa, in cozy socks under a soft throw, during a storm. It's that feeling when you're sharing comfort food and easy conversation with loved ones at a candlelit table. It is the warmth of morning light shining just right on a crisp blue-sky day. The Little Book of Hygge introduces you to this cornerstone of Danish life, and offers advice and ideas on incorporating it into your own life, such as: Get comfy. Take a break. Be here now. Turn off the phones. Turn down the lights. Bring out the candles. Build relationships.

Spend time with your tribe. Give yourself a break from the demands of healthy living. Cake is most definitely Hygge. Live life today, like there is no coffee tomorrow.
