Love Monster and the Last Chocolate-Rachel Bright 2015-12-15 When Love Monster comes home from vacation, he discovers a box of

chocolates on his doorstep. He knows he should share it with his friends, but what if there's none left for him after everyone has a piece? What if they take his favorite—the double chocolate strawberry swirl? And even worse—what if the only piece left is the coffee-flavored one? Ick! In the end, Love Monster learns that sharing with friends is the sweetest treat of all.

Love Monster and the Scary Something-Rachel Bright 2016-08-09 It's way past bedtime o'clock in Cutesville . . . but somebody can't sleep. The harder he tries to nod off, the more wide awake Love Monster is, and the later and darker and spookier it gets. When he hears a rustle rustle, then a creeeak, scuffle-shuffle BUMP, he's just sure there's a hungry, scary something on its way to get him. So Love Monster musters up his courage . . . and discovers that the something scary isn't so scary after all. It's just his friend coming to pay Love Monster a visit. Turns out Love Monster's pal couldn't sleep, either.

Love Monster and the Perfect Present-Rachel Bright 2014-10-14 Everyone in Cutesville is excited for the most special day of the year: Present Day! Love Monster goes on a hunt for the perfect gift for his special someone, but as it turns out, finding the perfect gift is not easy. And the only thing worse than a not-perfect present is no present at all. But Love Monster soon comes up with the idea for the best gift ever—one that comes straight from his furry heart.

The Love Monster-Missy Marston 2012 The Love Monster is the tall tale of one woman's struggle with mid-life issues. The main character, Margaret H. Atwood, has psoriasis, a boring job

and a bad attitude. Her cheating husband has left her. And none of her pants fit any more. Marston takes the reader on a hilarious journey of recovery. Hope comes in the form of a dope-smoking senior citizen, a religious fanatic, a good lawyer and a talking turtle (not to mention Christo and Jeanne-Claude, Warren Zevon, Neil Armstrong and a yogi buried deep underground). And, of course, hope comes in the form of a love-sick alien speaking in the voice of Donald Sutherland. More than an irreverent joyride, *The Love Monster* is also a sweet and tender look at the pain and indignity of being an adult human and a sincere exploration of the very few available remedies: art, love, religion, relentless optimism, and alien intervention.

Love Monster and the Last Chocolate-Rachel Bright 2015-12-15 When Love Monster receives a box of chocolates as a gift, he has second thoughts about sharing them with all of his friends.

Monster Love-Carol Topolski 2008-09-04 'I've kicked myself that I didn't do anything about it then. I've often thought, what if I had? Would she be alive now?' Charlotte, neighbour 'I wonder at how gullible I was...because when I asked them if I could see Samantha, just for the record, she said she was playing at the rec with her friends and I just went Oh, OK' Kaye, social worker 'You see it all the time in videos and that, but until you're in the room with them you don't really know what it means' Sharon, juror No one in the neighbourhood has seen the Gutteridges' little girl Samantha for months. But Brendan and Sheryllyn look happier than ever, so nothing is wrong. Is it? For the Gutteridges, Samantha was just a thing that threatened to worm its way into their perfect love. For everyone else, her story is the stuff of tabloid headlines. But this time it's not in a newspaper, it's happening right next door...

Love Monster and the Scary Something-Rachel Bright 2015-09-29 It's way past bedtime o'clock in Cutesville and Love Monster is the only one who's wide awake. Or is he? As the sounds of the night make his imagination run wild, will he be brave enough to stare his fears straight in the googly eye? A heart-poppingly empowering, edge-of-the-bed story, about how, sometimes, it's only when we face our fears, that we find out

there was nothing to be scared of, after all.

Mary's Monster-Lita Judge 2018-01-30 "Both timely and terrifying." —Gregory Macguire, *New York Times*-bestselling author of *Wicked Pairing* free verse with over three hundred pages of black-and-white watercolor illustrations, *Mary's Monster* is a unique and stunning biography of Mary Shelley, the pregnant teenage runaway who became one of the greatest authors of all time. Legend is correct that Mary Shelley began

penning *Frankenstein* in answer to a dare to write a ghost story. What most people don't know, however, is that the seeds of her novel had been planted long before that night. By age nineteen, she had been disowned by her family, was living in scandal with a married man, and had lost her baby daughter just days after her birth. Mary poured her grief, pain, and passion into the powerful book still revered two hundred years later, and in *Mary's Monster*, author/illustrator Lita Judge has poured her own passion into a gorgeous book that pays tribute to the life of this incredible author. A 2019 NCSS-CBC Notable Social Studies Trade Book A 2019 Amelia Bloomer Project Book This title has Common Core connections.

To Love a Monster-Marina Simcoe 2018-09-19 Deep in the wilderness of northern Canada a monster lurks. For years, he has fought an uphill battle for his humanity, only to lose it to the beast inside him at the end. When he attacks me in the woods then reluctantly helps me fight for survival, my strange journey to discover the troubled man who hides underneath the dreadful appearance and the gruff attitude begins. The more I get to know the man within the beast, the more reasons I find to appreciate the person I

think he is. Until I find out that the most terrifying thing about him is not his wild looks, not even his volatile temper, but his connection to the monster of my past. **THE MOST TERRIFYING IS THE BEAST INSIDE HIM.** To Love A Monster is a contemporary paranormal romance that contains graphic descriptions of intimacy, potential triggers, and some strong language: Monster swears. Intended for mature readers.

The Master and Margarita-Mikhail Bulgakov 2016-03-18 I first read Mikhail Bulgakov's The Master and Margarita on a balcony of the Hotel Metropole in Saigon on three summer evenings in 1971. The tropical air was heavy and full of the smells of cordite and motorcycle exhaust and rotting fish and wood-fire stoves, and the horizon flared ambiguously, perhaps from heat lightning, perhaps from bombs. Later each night, as was my custom, I would wander out into the steamy back alleys of the city, where no one ever seemed to sleep, and crouch in doorways with the people and listen to the stories of their culture and their ancestors and their ongoing lives. Bulgakov taught me to hear something in those stories that I had not yet clearly heard. One could call it, in terms that would soon thereafter gain wide currency, "magical realism". The deadpan mix of the fantastic and the realistic was at the heart of the Vietnamese mythos. It is at the heart of the present zeitgeist. And it was not invented by Gabriel Garcia Marquez, as wonderful as his One Hundred Years of Solitude is. Garcia Marquez's landmark work of magical realism was predated by nearly three decades by Bulgakov's brilliant masterpiece of a novel. That summer in Saigon a vodka-swilling, talking black cat, a coven of beautiful naked witches, Pontius Pilate, and a whole cast of benighted writers of Stalinist Moscow and Satan himself all took up permanent residence in my creative unconscious. Their presence, perhaps more than anything else from the realm of literature, has helped shape the work I am most proud of. I'm often asked for a list of favorite authors. Here is my advice. Read Bulgakov. Look around you at the new century. He will show you things you need to see.

My Sister is an Alien!-Rachel Bright 2010 Alfie is crazy about space. His favourite things are: 1. aliens, 2. rockets, 3. the moon - in that exact order. He doesn't really think much about anything else, until his new baby sister comes

along. Then he notices that she looks a bit funny, she talks funny and sometimes she smells funny and he realizes . . . she MUST BE AN ALIEN! Alfie knows he needs to be brave and take her back to the moon where she belongs - after all, she often cries for home - and that's when the adventure really starts. . . A positive, funny and charming take on the joys of a new sibling with gorgeous etched illustrations from a rising picture book star.

Women Who Love Monsters-Lori Perkins
2018-03-06 Hollywood has thrilled—and titillated—audiences with tales of women who love monsters since King Kong and The Creature from the Black Lagoon. Our love affair with the ultimate “others” continued as we made the acquaintances of Barnabas Collins, Swamp Thing, the Vampire Lestat, Hellboy, and Shrek. Most recently, the genre was celebrated and, ultimately, validated when The Shape of Water won the Academy Award for Best Motion Picture—a rare nod to the power and popularity of paranormal romance story-telling. It should come as no surprise that when ViceTV decided to do an episode on “Monsters Fantasies,” they came to Riverdale Avenue Books to interview some of those authors in an episode that aired in March 2018. Groggle's Monster Valentine-Diana Murray
2017-01-17 Groggle has been up all night making a Valentine's Day card. This isn't just any Valentine, though, and it has to be perfect—it's for Snarlina, his beast friend in the whole wide world. Searching in the dark forest, he finds just the right heart-shaped leaves. He collects some bog slime and squirts everything he wants to say in bold, gooey letters. Groggle's creation looks horribly good. But there's just one problem—gobble, crunch, crunch, slurp! He has a monster appetite! Groggle tries again, this time writing poem after poem to make sure he has some extras just in case. He picks skunk flowers, carefully ties on snake bows, and sprinkles shiny beetle glitter. He decorates each card with care. But . . . gobble, crunch, crunch, slurp! Groggle's monster impulses foil his efforts and he's run out of time. Will Groggle ever be able to give his toothsome, stomping, monstrous friend Snarlina a Valentine? Find out in this monster of a tale. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
