which allows them the freedom to immerse themselves into their role completely. The performer's stage presence magically inspires the audience. They seem to have the power to influence the emotions and moods of the people in the room by sheer will. Audiences crave performers who offer great inspiration and entertainment. I believe smart performers and musicians who want to win in today's overcrowded marketplace must become master entertainers, persuaders, and communicators. The stage is your 'money-maker'; I will teach you Stage Star Power and how to be the most memorable band at every show you play. ABOUT PAGE -When I was 5 years old, my mother always told me that happiness was the key to life. When I went to school, they asked me what I wanted to be when I grew up. I wrote down 'happy.' They told me I didn't understand the assignment; I told them they didn't understand life.- - John Lennon I wrote this book for all the bands that work hard, never seem to get a break, are misunderstood, and want to take back control of their career. You... You've invested massive amounts of time,

money, energy, sweat equity, and self-esteem into your 'Band's Brand'. Starting with forming your band, no small feat all by itself. To make it work, you have to find competent, compatible players all with the same goal in mind. It doesn't get any easier after that. Now you have to rent a place for practicing. Followed by composing, rehearsing, performing, and recording, then marketing and everything in between, you know the drill and the costs involved. It's disheartening when the audience just doesn't react the way you expect them to, and you're always wondering, - Why don't they 'get it'?- I'm sure you've seen many lackluster, unimaginative, uninspiring and incoherent shows by well-intentioned but clueless bands at your local Venues. Every one of their random songs quickly starts to sound and visually look the same. There isn't a cohesive band -Live Stage Show Performance, - just individual members self-absorbed and into their own thing. Don't get grouped in with these nondescript bands. Your band's -Live Stage Show Performance- is the most critical component other than the music itself. It's your 'money-

I teach -Artist Development- and -Live Stage Show Performance.- Developing you as an artist and your -Live Stage Show Performance- is the key. Executing these strategies will open up the audience and unlock your career. I'll show you how to be the most entertaining and professional band performing on any given show. By following these easy to learn stage fundamentals and concepts your band's courage, confidence and composure will be self-evident. You'll notice the change right away. You'll have command of the stage and maximum communication with the audience. Read on and demystify your stage performance and let me help you have successful shows all the time. *For over 10 years (2000 to 2010), I owned a -Live- 300 seat original music showcase bar/Venue. On average, I saw 3-5 bands per night, 20+ per week, 80+ per month, 12 or about a thousand per year, 10 years; you get the picture. I've worked with a lot of bands. I became an expert on what works and what doesn't work

from the stage, including sound and lights. Over the years I've helped all kinds of bands/performers create, achieve, and execute an entertaining professional show. I want to help your band be successful, too. All the Best... Billy Savino

Love Is the Word and the Time Is Now-Nigel Shindler 2014-09-18 Albert Einstein, the creator of both the Special and General Theories of Relativity, spent his golden years in search of the answer to the question; what is the nature of everything? The "Unified Field Theory" represents the quest to discover how everything is related in the universe; "Love Is the Nature of Existence" answers that question. The Jew determines how the rest of nature behaves; that includes you, your neighbor across the street, every molecule, as well as every atom. . Once anybody realizes this truth, he also becomes acquainted with the fact that he is no different from anything else; which would necessarily include the stars in the sky, not to mention the galaxies that spin around one another within the furthest dimensions of space. Be here, be now, believe in Love; nothing in existence is, can, or ever will be, beyond, behind, or outside, the truth. In other words, when there is no relativity, there can be no beginning or end within the confines of the Truth. Time, hence, can neither progress nor recede, but remains static,

constant. Those who have achieved Self-realization describe the experience as living in the moment. Once it is recognized that time is non-existent, then it can be concluded that space cannot exist also; the elimination of time eradicates the possibility of space; then what is left? The answer is nothing; or nothingness, or, as He is more commonly referred to, God. Norman Mailer, the highly regarded novelist, journalist, playwright, among numerous other things, once described evil as God in exile; his description is absolutely one hundred percent correct. The Jew represents God's love, the way He connects with mankind. Man can choose to ignore, disregard, defame, defile, or eliminate the possibility of him having the chance to make an impression on the lives of others; on the other hand, The Lord, in all His wisdom, for the benefit of mankind, can extract him from the human population on Earth; either way, evil will then rule, and man will ruin himself as a consequence. Power is derived through understanding; the possibilities for humanity are now endless; that which mankind once described as
