The Master and Margarita-Mikhail Bulgakov 2016-03-18 I first read Mikhail Bulgakov's *The Master and Margarita* on a balcony of the Hotel Metropole in Saigon on three summer evenings in 1971. The tropical air was heavy and full of the smells of cordite and motorcycle exhaust and rotting fish and wood-fire stoves, and the horizon flared ambiguously, perhaps from heat lightning, perhaps from bombs. Later each night, as was

my custom, I would wander out into the steamy back alleys of the city, where no one ever seemed to sleep, and crouch in doorways with the people and listen to the stories of their culture and their ancestors and their ongoing lives. Bulgakov taught me to hear something in those stories that I had not yet clearly heard. One could call it, in terms that would soon thereafter gain wide currency, "magical realism". The deadpan mix of the fantastic and the realistic was at the heart of the Vietnamese mythos. It is at the heart of the present zeitgeist. And it was not invented by Gabriel Garcia Marquez, as wonderful as his *One Hundred Years of Solitude* is. Garcia Marquez's landmark work of magical realism was predated by nearly three decades by Bulgakov's brilliant masterpiece of a novel. That summer in Saigon a vodka-swilling, talking black cat, a coven of beautiful naked witches, Pontius Pilate, and a whole cast of benighted writers of Stalinist Moscow and Satan himself all took up permanent residence in my creative unconscious. Their presence, perhaps more than anything else from the realm of literature, has helped shape the work I am most proud of. I'm often asked for a list of favorite authors. Here is my advice. Read Bulgakov. Look around you at the new century. He will show you things you need to see.

Get Well Soon-Jennifer Wright 2017-02-07 "A humorous book about history's worst plagues from the Antonine Plague, to leprosy, to polio and the heroes who fought them In 1518, in a small town in France, Frau Troffea began dancing and didn't stop. She danced herself to her death six days later, and soon thirty-four more villagers joined her. Then more. In a month more than 400 people had died from the mysterious dancing plague. In late-nineteenth-century England an eccentric gentleman founded the No Nose Club in his gracious townhome a social club for those who had lost their noses, and other body parts, to the plague of syphilis for which there was then no cure. And in turn-of-the-century New York, an Irish cook caused two lethal outbreaks of typhoid fever, a case that transformed her into the notorious Typhoid Mary and led to historic medical breakthroughs. Throughout time, humans have been terrified and fascinated by the plagues they've suffered from. Get Well Soon delivers the gruesome, morbid details

of some of the worst plagues in human history, as well as stories of the heroic figures who fought to ease their suffering. With her signature mix of in-depth research and upbeat storytelling, and not a little dark humor, Jennifer Wright explores history's most gripping and deadly outbreaks."--
