A Very New York

Christmas-Michael Storrings
2015-11-17 The experience of New York City at Christmas time has enthralled residents and visitors alike since Clement C. Moore wrote The Night Before Christmas in his house in the Chelsea neighborhood of Manhattan in 1823, inspiring tributes to the city in words and images. In A Very New York Christmas, Michael Storrings captures the magical landscape and excitement of the holiday

season in dozens of watercolors, which since 2003 have been turned into bestselling Christmas ornaments. Sold in major retail venues across the country, his limited edition ornaments have a worldwide fan base and sell out performances in such stores as Saks, Bloomingdale's, and Bergdorf Goodman. This year a special ornament will be produced to coordinate with the book. Portraying both famous traditions like Macy's Thanksgiving Day Parade, the lighting of the Christmas tree at Rockefeller Center, and the Metropolitan Museum of Art's Angel Tree to less well-known ones like the Christmas lights in Brooklyn's Dyker Heights, the Boys Choir of Harlem, and the Holiday Train show at The New York Botanical Garden, *A Very New York Christmas* crisscrosses Manhattan and the four outer boroughs to bring us a Christmas for all New Yorkers--whether residents or just fans. Including a delightful foreword from Cynthia Nixon (Miranda from *Sex and the City*) this jewel-like book combines festive quotations from literature and popular

culture with Storrings's charming watercolors of forty cherished New York holiday scenes making this a perfect gift and yuletide keepsake.

Christmas-Bruce David Forbes 2007-10-10 Written for everyone who loves and is simultaneously driven crazy by the holiday season, *Christmas: A Candid History* provides an enlightening, entertaining perspective on how the annual Yuletide celebration got to be what it is today. In a fascinating, concise tour through history, the book tells the story of Christmas—from its pre-Christian roots, through the birth of Jesus, to the holiday's spread across Europe into the Americas and beyond, and to its mind-boggling transformation through modern consumerism. Packed with intriguing stories, based on research into myriad sources, full of insights, the book explores the historical origins of traditions including Santa, the reindeer, gift giving, the Christmas tree, Christmas songs and movies, and more. The book also offers some provocative ideas for reclaiming the joy and meaning of this beloved, yet

often frustrating, season amid the pressures of our fast-paced consumer culture. DID YOU KNOW For three centuries Christians did not celebrate Christmas? Puritans in England and New England made Christmas observances illegal? St. Nicholas is an elf in the famous poem "The Night Before Christmas"? President Franklin Roosevelt changed the date of Thanksgiving in order to lengthen the Christmas shopping season? Coca-Cola helped fashion Santa Claus's look in an advertising campaign?
