Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. Intimacy With God-Tonya Raby 2015-08 There is no greater intimacy than "Intimacy with God". Establishing an intimate relationship with God is one of the best relationships you could ever have. I was taught this by my late Grandmother, and have since established my own personal intimate relationship with God. However, it wasn't until I reached the mature age of 30 that I realized what intimacy with God truly was. It was during many trials and tribulations of my life that caused me to seek God with my whole heart and surrender my life to Him. Before I truly established intimacy with God, I had drifted so far from Him and was living a life that was displeasing to Him. One day when I was at my lowest, I began to reflect on the things that my Grandmother had instilled in me at a very early age. I found myself on my knees crying out to God for His help. I found a church home and started attending Bible study, reading the Bible for myself, and meditating on the Word of God, and obeying His Word. The Bible tells us in Proverbs 22:6, "Train up a child in the way he should go, and when he is old, he will not depart from it". In this her first book, Tonya Raby shares her personal testimony and some of her life's experiences while on her journey of establishing "Intimacy with God". She shares scriptures from what she calls her personal toolbox (the Bible) to better help you understand how you too can establish an "Intimate Relationship with God".

The Gospel According to Mamma-Annette Bridges 2014-05-14 The Gospel According to Mamma is a collection of twenty-one extraordinary lessons the author learned from her charming and captivating mamma. These "mamma teachings" are packed with sassy inspiration, practical insights and real-life anecdotes. Leaving Georgia with her mamma late one September night when her daddy was en route to end their lives marked the beginning of a lifetime of instruction. How to maintain faith in God and yourself, love the hell out of folks and be happy when there's no obvious reason to be are just a few of the messages you'll find in this book. PRAISE FOR THE GOSPEL ACCORDING TO MAMMA "Annette's first book is a winner! She picked the perfect subject - her irrepressibly joyous mother, who has given her daughter important and inspiring words of wisdom to cherish. If you yearn to help your daughter navigate life experiences with assurance and spunk, give her The Gospel According to Mamma." —Mary Jo Beebe, coauthor of Jesus' Healings and New Testament Healings "If only there were more mothers like Annette Bridges' mamma: always encouraging, always believing the best of her children, a 'steel magnolia' whose motherly advice is based on the Bible and common sense. Remembering events in her own past, Annette gives us 21 valuable life lessons based on the wisdom of her indefatigable Southern mamma."—Renee Corley, former editor at UPI's religionandspirituality.com "Once you get to the end of reading about Mamma and her wonderful lessons, you will walk away a little wiser. Annette puts life in perspective. She lives a fulfilling life, just as her Mamma taught her. Whether to find your faith, believe in your self or master the ability to see the good in others, Mamma lessons help you find the positive. There is much to learn from these strong and inspiring women." —SingleMom.com "A look into the heart and soul of Annette Bridges. It could be anyone's story, but it couldn't be told any better." —Bob Belcher, Managing Editor, Corsicana Daily Sun "For anyone who has ever had a mother (and you know who you are), synthesizing that experience can leave many of us speechless. It is 'good news' that Annette Bridges is at no loss for words. She liberally shares her mom's gospel in deep drafts of down-to-earth good sense and faith, liberally laced with Southern humor." —Susan J. Cobb, author of Virgin Territory: How I Found My Inner Guadalupe "Irresistibly heartfelt. Perfect for all mothers and daughters, past, present and future!" —Jennifer Bridges, author's daughter and Ph.D. student "I have been hearing stories about Nellie, Annette's Mamma for the last 25 years. Annette makes you feel like you are sitting down with her in her ranch house or on that beach she talks about going to while she shares her Mamma with you from her perspective, with the insights she has gained over her lifetime. I hope you enjoy getting to know Nellie and Annette, 2 Georgia peaches transplanted to Texas. I love the way Annette brings the Bible into her daily life and shares it with us so that we can feel the love of God that is so present today in her life and illustrates how the Bible can show us how to go in ours. Way to go Girlfriend... you finally did it! You wrote a book and it's a winner! I can't wait to share this with my family and friends!" —Kathy Glover, friend to both Annette and her mamma

Letterbox-Paul Davies 2012-04-01 At approximately 09.00hrs on the 15th June 1996, an unassuming white lorry was parked on Corporation Street in the city centre of Manchester, England; it contained over 3000 pounds of high explosive. At 11.15hrs the same day, Manchester witnessed the detonation of the largest device on the British mainland since the second World War ... The Irish Republican Army claimed responsibility for the attack. Based around actual events, LETTERBOX tells the story of Liam Connor, an ordinary boy brought up in Manchester by a seemingly ordinary family. He goes to the local school, loves football and has a best friend called Sean ... an ordinary life! Unbeknown to Liam, his father, Michael Connor, harbors a dark historic secret, following a life a lot less ordinary ... as a furtive, yet high ranking soldier within the IRA. As a result of extraordinary circumstances, Liam's innocent and carefree world is shattered when he is exposed to the truth about his family's heritage and then learns about the tragic death of his father at the hands of the SAS. Consumed with both hate and the need to seek retribution, Liam is taken to Ireland where he is intensively trained to become a highly skilled and efficient soldier within the Irish Republican Army ... He is 16 years old! Some years later, following the drug-induced death of his beloved sister, Liam is given the opportunity to exact his revenge on those he believed should truly be blamed for the tragedies in his life ... The British Government! Thus, on the 15th June 1996, it was Liam's responsibility to drive the bomb laden lorry into the unsuspecting city of Manchester and let the voice of the IRA be clearly heard ... And listened to!!

The First Cut Is the Deepest-La'shonda Presha 2017-03-31 This book is a detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts, experiences, tragedies, and/or various pains incurred). Unfortunately, people will inevitably incur hurts and pains in life, which most are beyond their own control. One simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the

effects of the hurt. Oftentimes, people ignore the hurt. They try to live their lives as if the hurt never occurred. Many are oblivious to their deep hurt because they've mastered the art of disguising the pain. The problem ensues when the severely wounded people interact with others, then they subsequently inflict others with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of healing. The purpose of this book is to aid in identifying and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in some regard. Oftentimes, people need healing to recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their mental anguish, ultimately forsaking the need and opportunity to heal. It's the lack of healing that causes people to hurt others or live unhappy lives. This book was written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.

He Walks with Dragons-Stanley S. Thornton 2013-04-30 "He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy

finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

God and Me for Little Ones-Mary Gross Davis 2016

Duck Butts-John P. Van Dusen 2012-09-07 John was once described by a friend as a man who looked like he had a party going on in his head all the time. In *Duck Butts: Seasons With God* he invites you to that party. In this, his first collection of writings, he shares his somewhat askew humor with short essays like *If I Were the Pope*. He takes us on an imaginative flight in *Astronaut*, and then brings us soberly back home with *Walking For Groceries*. Within these pages you'll also find experiments in poetry and a few song lyrics, some of which have forgotten melodies and have come to stand as statements that punctuate a journey of faith and grace. This book can be read straight through but also allows the reader to go slow and experience the change of seasons. John's voice can be irreverent, silly, and painfully honest but always returns to grace--as all seasons with God do.

It is a story about change and about making dreams come true. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. Doing Time with God: Stories of Healing and Hope in Our Prisons-MR Bill Dyer 2013-09-30 True crime stories provide the foundation of this prison memoir. Bill Dyer was robbed and shot at an ATM. In *Doing Time with God*, you go into prison with him and other victims of violence to meet with convicted felons who will be facing their worst and greatest realizations, before they are released. Nothing is predictable when victims and offenders come together and share their stories of the true crimes that have devastated their lives...and reshaped them. Victim-survivors remember their losses and feel their pain; Offenders come face-to-face with the hurt they have caused, and open wounds from their own past. Walls of defensiveness and fear are knocked down by empathy and compassion, vulnerability and tears. Raw emotions flow. The way to peace is often intense, turbulent, and heartbreaking. Even when it's not pretty, the journey is beautiful in its honesty... miraculous in the way it unfolds...divine in how it transforms lives. *This Amazing Process Opens the Heart, Touches the Soul, and Renews the Mind*

Dire Means-Geoffrey Neil 2009 Warning: Don't read if your heart is weak! A vigilante uses an ingenious new method to end homelessness in a coveted beach city. Miraculous Me-Ruth Pendergast Sissel 2014-04-01 What thoughts crossed your mother's mind the first time she saw you? What dreams did your father hold in his heart? Told from the perspective of a baby in utero whose parents are seeing the ultrasound picture for the first time. A colorful and inspiring way to instill the message that we are each wonderfully treasured and made. Fun Fact: In early spring 2013, while putting socks on her newest daughter's feet, the author Ruth spoke out loud, "Look at those toes, where will they go?" In a moment of sheer inspiration, she grabbed her eldest daughter's Tinkerbell notebook, and between folding laundry and scrambling eggs, wrote the manuscript for this book.

Thoughts Are Things-W. Moon 2013-09 "Thoughts Are Things: Daily readings for children and their families" is a collection of daily devotionals for elementary and middle school-aged children and their families. The lessons in "Thoughts are Things" are simple and spiritual. Certain themes are repeated throughout the year, each in a unique way to appeal to a young and beginning reader. Simple, witty drawings accompanying each daily thought help illustrate the concepts. Throughout its varied and lively messages the book repeats and affirms a number of core themes: 1.Our mind is our most valuable asset. 2.A willingness to take action makes the difference between success and wishful thinking. 3.While I am responsible for me, service to others is among life's greatest rewards. 4.God is a mystery that offers many gifts, chief among them wisdom. Each day the reader is offered three distinct items written at a level that is appropriate for an elementary or middle-school reader: a concept for the day, a reading that expounds on that day's concept and a repetitive affirmation which your child will quickly memorize and is encouraged to recite aloud after completing that day's reading. "I am smart, happy and healthy. My parents love me. God has given me many gifts. I can do anything I want to if I make a plan, concentrate and work toward it every day." All of the theology in these 366 days emanates from those four simple sentences. Gratitude. Responsibility. The power of the mind. The importance of God. The need for action. Positive thinking. Unconditional love. In addition to Christian theology, *Thoughts are Things* draws on the works of Greek and Roman philosophers, Native American teachers and some of the greatest American thinkers. It even includes the influence of a football coach or two. All humans, but especially children, are susceptible to the impact of repetitive teaching and suggestion. The best time to introduce a program of positive life skills is long before a child's daily exposure to the dampening effect of worldly pessimism. While it is written in a way that is accessible and enjoyable for beginning readers, these daily readings are provocative enough to bring parents-and all adults-back to them year after year.
