Ramadan Moon-Na'ima B.

Robert 2015-03-15 Ramadan, the month of fasting, doesn't begin all at once. It begins with a whisper And a prayer And a wish. Muslims all over the world celebrate Ramadan and the joyful days of Eid-ul-Fitr at the end of the month of fasting as the most special time of year. This lyrical and inspiring picture book captures the wonder and joy of this great annual event, from the perspective of a child. Accompanied by Iranian inspired illustrations, the story follows the waxing of the moon from the first new crescent to full moon and waning until Eid is heralded by the first sighting of the second new moon. Written and illustrated by Muslims, this is a book for all children who celebrate Ramadan and those in the wider communities who want to understand why this is such a special experience for

Muslims.

The Warrior Diet-Ori
Hofmekler 2007 Along with
the many benefits of leisure-
class living comes obesity and
its attendant ailments. InThe
Warrior Diet, Ori Hofmekler
looks not forward but
backward for a solution--to the
primal habits of early cultures
such as nomads and hunter-
gatherers, the Greeks, and the
Romans. Based on survival
science, this book proposes
not ordinary dietary changes
but rather a radical yet
surprisingly simple lifestyle
overhaul. Drawing on both
scientific studies and
historical data, Hofmekler
argues that robust health and
a lean, strong body can best
be achieved by mimicking the
classical warrior mode
of cycling—working and eating
sparingly (undereating)
during the day and filling up

at night. Specific elements from the Warrior Diet Nutritional Program (finding ideal fuel foods and food combinations to reduce body fat) to the Controlled Fatigue Training Program (promoting strength, speed, and resilience to fatigue through special drills), literally reshape body and mind. Individual chapters cover warrior meals and recipes; sex drive, potency, and animal magnetism; as well as personalizing the diet for women. Featuring forewords by Fit for Life author Harvey Diamond and Fat That Kills author Dr. Udo Erasmus, The Warrior Diet shows readers weary of fad diets how to attain enduring vigor, explosive strength, a better appearance, and increased vitality and health.

Kitab Al-Iman-Salman Hassan Al-Ani 1999

My First Muslim Potty Book-Yousfa Janjua 2020-02
You're a big kid now so you should know. Big kids use the potty when they need to go.

Muslims, big or small, must wash properly after they poo or pee. Rhyme along and you'll learn and see! This book, written in rhyme, serves as a gentle and fun introduction to potty training and Islamic toilet etiquette for little Muslims and Muslimahs. It aims to introduce and normalize "Muslim potty training," which includes istinja, to your child. Istinja is the act of cleaning oneself with water and then wiping oneself dry after using the bathroom. Muslims do this to keep themselves physically and spiritually clean and pure or in a state of Tahara.

The Little Girl Says Alhamdulillah-Rabia Gelgi
2016-07-12 A little girl likes to play, search. She have a small kitty who follows her anywhere she goes. She loves birds, flowers, moon, sea and everything else. She is a muslim girl who thinks that we have many things in our life to say "Alhamdulillah".

Sahih Muslim- 1973 Sahih Muslim is a collection of

sayings and deeds of Prophet Muhammad (pbuh) (also known as the sunnah). The reports of the Prophets sayings and deeds are called ahadith. Muslim lived a couple of centuries after the Prophet's death and worked extremely hard to collect his ahadith. Each report in his collection was checked for compatibility with the Quran, and the veracity of the chain of reporters had to be painstakingly established. Muslims collection is recognized by the overwhelming majority of the Muslim world to be one of the most authentic collections of the Sunnah of the Prophet (pbuh). Muslim (full name Abul Husain Muslim bin al-Hajjaj al-Nisapuri) was born in 202 A.H. and died in 261 A.H. He travelled widely to gather his collection of ahadith, including to Iraq, Saudi Arabia, Syria, and Egypt.

Layla and Zayd Learn About Ramadan-The Sincere Seeker 2020-04-20 The most significant and longest-lasting inheritance a parent can gift their child is a proper Islamic upbringing and knowledge of Islam. Ramadan plays a significant role in Islam and a Muslim's life, so kids need to learn about it early on. Layla & Zayd Learn About Ramadan by The Sincere Seeker Kids Collection introduces Ramadan to your children with a fun storyline about a brother and sister's first Ramadan experience. Along the way, they learn what Ramadan is about and why Muslims fast. The siblings decide to try fasting this year and the story goes on from there. The purpose of this book is to not only to introduce Ramadan to your kids but to get them excited and to look forward to Ramadan and fasting. Parents should encourage their children to fast even at a young age for a few hours a day during Ramadan to begin to understand and appreciate the significance of the Holy month of Ramadan and to better prepare them for long

hours of fasting in the future. This book aims to spark your child's interest in Ramadan

R Is for Ramadan-

2019-03-05 A fun alphabet primer celebrating the month-long Muslim observance of fasting and spiritual awareness. Ramadan is a

month-long observance when Muslims all over the world spend more time with each other, emphasize charitable works, fast, pray, and break their daily fast each night together. It's a time meant to focus on things such as sharing, empathy, compassion, generosity, and selflessness. These ideals are wonderfully illustrated here in Greg Paprocki's inimitable style for each of the 26 letters of the alphabet. Greg Paprocki works full-time as an illustrator and book designer. In addition to illustrating several Curious George books, he's provided illustrations for a number of books for Gibbs Smith, including A Is for Atom, S Is for Santa, B Is for Boo, and The Big Book of Superheroes. He began his career as an advertising art director after studying fine art and graphic design at the University of Nebraska.

Contemporary Bioethics-

Mohammed Ali Al-Bar
2015-05-27 This book discusses the common principles of morality and ethics derived from divinely endowed intuitive reason

through the creation of al-fitr' a (nature) and human intellect (al-'aql). Biomedical topics are presented and ethical issues related to topics such as genetic testing, assisted reproduction and organ transplantation are discussed. Whereas these natural sources are God's special gifts to human beings, God's revelation as given to the prophets is the supernatural source of divine guidance through which human communities have been guided at all times through history. The second part of the book concentrates on the objectives of Islamic religious practice - the maqa' sid - which include: Preservation of Faith, Preservation of Life, Preservation of Mind (intellect and reason), Preservation of Progeny (al-nasl) and Preservation of Property. Lastly, the third part of the book discusses selected topical issues, including abortion, assisted reproduction devices, genetics, organ transplantation, brain death and end-of-life aspects. For each topic, the current medical evidence is followed by a detailed discussion of the

ethical issues involved.
