28 Boys-Ashleigh Giannoccaro 2017-03-19
Underneath these gang tattoos beats a heart three times a year. I'm a slow puncture death, a murderer, a rapist, and a number. I killed my best friend. Death doesn't stalk me, it walks ahead of me by twenty-eight paces. I went home after I sold my soul to the devils. I thought life would begin, I was a free man, instead within days the bullets fly and my last hope dies with the slain. There is nothing left to live for in this world. I belong to the 28s, I'll always belong to the 28s. The woman across the road judges me, she hates me, and takes every opportunity to let

me know it. Yet, somehow, when grief etched our names down in the book of the dead, we dared be bold enough to find love. I'm not a good man, and I'm not pretty. I come from the Cape Flats where my life was reduced to a prison cell number. In all this ugliness I found beauty, innocence, and forgiveness. I can't forgive myself for the crimes I've committed, but I'll die trying to earn hers. In a world where nothing matters, she does.

She turns to an old flame believing he is at the root of Tim's problems and as the couple rekindles their love, Tim's troubles deepen. Faye pours out her sorrows in letters to a friend, and slowly, shocking family secrets and interwoven relationships reveal themselves. Heart Seasons-Dianna Donnely 2016-12-16

Have you ever felt like God was whispering to you? I have! One sunny day in the spring of 2012, I was sitting in my favorite comfy chair, writing in my journal. From out of the blue, I began experiencing a sensation I had never felt before. I felt a calming warmth in my heart and all of a sudden, I started writing down ideas on the blank pages in my notebook, one after the other, that just came to me. I was getting inspiration to tell a story from my personal journals. The first thing I wrote down was its title, "Heart Seasons." It would be a fictional story based on different seasons from my own real life and each season of the novel would be defined by the colors of the rainbow. Come join me on my "Journey of Miracles." Lilly Marie Eastbrook Rhodes A theme that runs throughout "Heart Seasons" is Lily's love of nutritious foods and cooking. After a spontaneous life threatening medical crisis suffered by the author, a new vision for future books was revealed. She has discovered two new

life passions, in addition to writing, cooking and baking, and excitingly, they are food photography and blogging. Coming in the future, using a combination of her passions, Dianna Donnelly has already begun preparing to create and publish a series of recipe books. Following her love of healthy wholesome foods, and a healthy happy lifestyle, they will be named "Real Food Meals Recipes." Until her first recipe book is published, please visit her website to view step-by-step instructions along with color pictures and recipe cards for printing favorites. Find them at: realfoodmeals.com Now, you are invited to enjoy the spiritual and inspirational, fiction based on real life story that is "Heart Seasons: The Rainbow Revelation."

Nuggets of Gold-James McNeil 2016-05-05 Two things never change. First, most people have a dream. We want to change the world, to succeed, or to build something that's never been seen before. In addition, we are already feeling the hustle and bustle of life. As a result, many people

have given up on their dreams. They've accepted the life of the "good enough." "Nuggets of Gold" is designed to motivate the person "on the go" while never slowing him or her down. It has 101 chapters, each with a nugget of wisdom and a short write-up about it. The reader can complete an entire chapter very quickly and then get on with his or her day.
