My Hero Academia: Vigilantes, Vol. 7-Hideyuki Furuhashi 2020-06-02

Not everyone needs a license to fight for justice! In a superpowered society, there is nothing ordinary about evil anymore. Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. Not everyone can be a hero, however, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows, or for reasons known only to themselves? Whatever they fight for, they are called...vigilantes. Knuckleduster disappeared after saving his daughter Tamao, and for now, he's not letting anyone else know that he's back. That's just as well, since Koichi and Pop Step have their hands full getting ready for an all-out entertainment extravaganza—Captain Celebrity's final appearance in Japan at the Sky Egg stadium! Unfortunately, the high-speed villain from Osaka is also preparing to initiate a major catastrophe at the event. When the chips are down, Captain Celebrity and Koichi may not be the heroes we want, but are they the heroes we need?

My Hero Academia, Vol. 7-Kohei Horikoshi 2017-02-07 Midoriya has learned a few tricks from Gran Torino, but some things just have to be experienced to be understood. Even though he's not ready, when the League of Villains attacks in the town of Hosu, Midoriya rushes to help Ida, who is engaged in a life-and-death struggle with Hero Killer Stain. Stain has

some very particular ideas about heroes and their place in society—and he means to purge the world of every hero he can find! -- VIZ Media

have reached the practical portion of their final exam, but they didn't expect to have to beat their own teachers in order to pass! Paired with his archrival Bakugo, Midoriya has to try to take on none other than All Might himself. Working with Bakugo is one thing, but is giving everything he's got to beat All Might more than Midoriya can handle? And in a nearby arena, Yaoyorozu and Todoroki endure a similar struggle. Meanwhile, a sinister new adversary prepares to make a move... -- VIZ Media

My Hero Academia-Kohei Horikoshi 2016-05-03 What would the world be like if 80 percent of the population manifested superpowers called "Quirks"? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? The U.A. High sports festival is a chance for the budding heroes to show their stuff and find a superhero mentor. The students have already struggled through a grueling preliminary round, but now they have to team up to prove they're capable of moving on to the next stage. The whole country is watching, and so are the shadowy forces that attacked the academy...

Pop Step, and the mysterious Knuckleduster—have teamed up to protect their neighborhood (unofficially of course). But even petty criminals with Quirks can be dangerous, and taking them on shows Koichi that he'd better not underestimate them. As the scenario unfolds and villains arrive to shake things up, the U.A. students will have to find new ways to work with each other and make use of their Quirks. -- VIZ Media

In the end, Knuckleduster nearly had to kill Tamao to free her from the villainous entity possessing her. Now that he has achieved his goal and saved her, is Knuckleduster through with his life as a vigilante? -- VIZ Media
