## **Jesus My Valentine**-Henrietta Hunter

2019-05-07 The greatest gift the world has is God's love for us. The love God has for us precipitated God sending us Jesus to bring us back into a loving fellowship with him. With all the hate, evil, and pain that exist in the world, humanity cannot forget the power of love and the sovereignty of God. God is love, and since God is sovereign, love still reigns not only in the hearts of men and women but in the heart of God, and it is inextricably interwoven within our salvation story. Our Christian salvific story is one of love; it is a narrator of love. We were made to love and made to be loved. We were made in the image of God, and God being love denotes we were made to love, be loved, and desire a relationship with those we love. God desires a relationship with us because he loves us. The love of the Father is manifested through the deeds of Jesus Christ in the Father's desired to be back in relationship

with his creation. The love God has for his creation must be dramatize and visualized in how we love one another and relate to those we love. God's will need to be done on earth as it is in heaven. Henrietta Hunter's Jesus My Valentine explores how interconnected the love we experience in our personal lives (i.e. romantically, platonically) to our love for God. She demonstrates this by outlining how the love and passion that the lover in Songs of Solomon possesses for his love is an extended analogy to God's love for us and how God's people ought to pursue him as their lover. Her work calls readers to experience God's love through the way we experience love with others; reciprocally, the way readers experience love with one another is the same way readers are to experience being in love with God. Henrietta introduced the magnitude of love on a horizontal level, which is eye level, a level reader can grasp and then raise our spiritual conscious to above-eye level, which is a vertical love. Jesus My Valentine argues both are necessary to truly make Jesus our valentine. It is when Jesus become our valentine that we come to know true love and the true meaning of true love, realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible. Henrietta's journey within Jesus My Valentine takes us from the historicity of Valentine's Day to the evolution of how we contemporarily celebrate Valentine's Day. She matriculates from a historical view of Valentine's Day to a theological view of Valentine's Day, moving from an anthropocentric (human) view of love to a theocentric (God) view of love. Jesus My Valentine calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus. Henrietta

outlines how readers are to love Jesus and make him their valentine in very practical ways. If you asked Henrietta how to make Jesus your valentine? According to this text, she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife. It is a love that comes from a knowledge that is only generated by living together, by responding to each other's daily interests and by the needs, and by listening and being present.

makers since the epics of the Sixties, it is often forgotten that between the advent of motion pictures in the 1890s and the close of the "silent" era at the end of the 1920s, some of the longest, most expensive and most watched films on both sides of the Atlantic were focused on the Life and Passion of the Christ. Drawing upon rarely seen archival footage and the work of both the era's most important directors (e.g. Alice Guy, Ferdinand Zecca, Sidney Olcott, D.W. Griffith, Carl Dreyer, and C.B. DeMille) and others who have been all but forgotten, this collection of essays offers a representative survey of the Silents of Jesus, illustrating the ways in which the earliest films and those which followed were influenced by a multiplicity of factors. Written by leading scholars in biblical and early film studies this collection explores the ways in which the Silents of Jesus were shaped not only by the performing and visual arts of the nineteenth century and the technological challenges and opportunities of a new medium and industry, but also by the artistic, theological and ideological predilections of studios and directors, and the expectations of audiences as the genre evolved. Taken together, the essays collected here offer a seminal treatment of the genesis and early evolution of the cinematic Jesus.

**A Sudden Glory**-Sharon Jaynes 2012-08-21 Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your "daily life" as you enter the sanctuary of God's presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you

live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. **A Gift of Love**-Dr. Martin Luther King, Jr. 2012-11-06 The classic collection of sixteen sermons preached and compiled by Dr. King As Dr. King prepared for the Birmingham campaign in early 1963, he drafted the final sermons for Strength to Love, a volume of his best-known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. Having been arrested for holding a prayer vigil outside Albany City Hall, King and Ralph Abernathy shared a jail cell for fifteen days that was, according to King, "dirty, filthy, and ill-equipped" and "the worse I have ever seen." While behind bars, he spent uninterrupted time preparing the drafts for classic sermons such as "Loving Your Enemies," "Love in Action," and "Shattered Dreams," and continued to work on the volume after his release. A Gift of Love includes these classic sermons, along with two new preachings. Collectively they present King's fusion of Christian teachings and social consciousness, and promote his prescient vision of love as a social and political force for change.

Yet most people remember it mainly as a children's story found in picture books and heard in Sunday school classes. But this tragedy really took place—and widely overlooked is Jesus' stunning prophecy that the final days of planet Earth would be just as it was in the days of Noah. His point? That there would be striking parallels between Noah's day and the end times—with warnings of God's imminent judgment upon the world. Is Jesus' prophecy now being fulfilled? And if yes, how then should we respond? As It Was in the Days of Noah explores the similarities between the two periods, such as the rapid rise in evil and
