**Switched on Pop**-Nate Sloan 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples. André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

**LONELY PLANET DINOSAUR ATLAS**-Lonely Planet 2017-10-17 Travel back in time 150 million years. Open the gatefolds to reveal lost prehistoric lands and the dinosaurs that once roamed them. Uncover the latest dinosaur discoveries and read fascinating stories about how these ancient creatures lived - and who dug them up. Lift the flaps to unearth photographs of life-size fossils and measure yourself against enormous bones, teeth, and claws! Featuring stylish and iconic illustrations by James Gilleard.

**How Airports Work**-Lonely Planet Kids 2018-09-18 This interactive, lift-the-flap book takes kids behind-the-scenes to uncover the hidden secrets of the airport—from a peek inside the cockpit to the hustle and bustle of departures. Full color. 1/4.

**Bare Bones**-Bobby Bones 2016-05-17 #1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of The Bobby Bones Show, one of the most listened-to drive time morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting The Bobby Bones Show at 105.9 KLAZ. Bobby's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to explore the world, and the good values that shaped him. In this funny, poignant memoir told in Bobby's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, Bare Bones is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.

**Cities**-Lonely Planet Kids 2020-05 In this fun introduction to cities, find out all about different styles of homes, types of transport, places to visit, emergency services and much more. With bright, bold illustrations and easy-to-read text throughout, this book provides an engaging and unique first look at cities for very young children.

**How Cities Work**-James Gulliver Hancock 2016-11-01 From the sewers to the skyscrapers, this book takes younger readers to the heart of the city. Perforated flaps let you see what's going on behind closed doors, and big gatefolds reveal what's going on under the street, plus other surprising city spaces. With illustrations from James Gulliver Hancock, it's the city like you've never seen it before!

**Atlas of Monsters & Ghosts**-Lonely Planet 2019-07-16 Children will join monster hunter Van Helsing in this globetrotting adventure to find the world's ghouls, goblins, dragons, witches, and more. Kids will discover where each ghost or monster has been spotted, their super-scary characteristics and, of course, how to beat them during a chance encounter!

**This Book Is a Planetarium**-Kelli Anderson 2017-09-26 Never has humble paper had such radical ambitions. Defying every expectation of what a book can be, this pop-up extravaganza transforms into six fully functional tools: a real working planetarium projecting the constellations, a musical instrument complete with strings for strumming, a geometric drawing generator, an infinite calendar, a message decoder, and even a speaker that amplifies sound. Artist Kelli Anderson contributes enlightening text alongside each pop-up, explaining the scientific principles at play in her constructions and creating an interactive experience that's as educational as it is extraordinary. Inspiring awe that lasts long after the initial pop, This Book Is a Planetarium leaves readers of all ages with a renewed appreciation for the way things work—and for the enduring magic of books.

**The Heart is a Lonely Hunter**-Carson McCullers 2000 A quiet, sensitive girl searches for beauty in a small, but damned Southern town.

**Build Your Own Dinosaur Museum**-Lonely Planet Kids 2018-10

**The Lonely Planet Kids Amazing World Atlas**-Deborah Murrell 2014-10-01 For kids aged 8+ Finally Lonely Planet has made the atlas kids have been waiting for! 160 pages of illustrated maps, engaging infographics, mindblowing photography and a large dose of humour Touches on popular culture, sports and school life, this is the book that will bring the world to life for kids aged 8 and up

**Wintering**-Katherine May 2020-02-06 THE NEW YORK TIMES BESTSELLER 'A beautiful, gentle exploration of the dark season of life and the light of spring that eventually follows' Raynor Winn, bestselling author of 'The Salt Path' 'A peaceful rebuff to life in fast-forward' Guardian Wintering is a poignant and comforting meditation on the fallow periods of life, times when we must retreat to care for and repair ourselves. Katherine May thoughtfully shows us how to come through these times with the wisdom of knowing that, like the seasons, our winters and summers are the ebb and flow of life. 'Every bit as beautiful and healing as the season itself' Elizabeth Gilbert 'Absolutely beautiful' Cheryl Strayed, author of Wild

**Wild Things**-Lonely Planet Kids 2019-04-01 Let your imagination run wild with over 100 magical outdoor adventures in this fantastical activity book. Track dragons, brew witches' potions, build snow unicorns, discover trolls, and bring tree monsters to life and lots more as you get creative, learn new skills and take a giant leap into the world of Wild Things!

**PARIS CITY TRAILS**-Lonely Planet Kids 2016-06-03 This is a book about Paris that's seriously streetwise. Featuring 19 colourful themed trails that take young explorers to the heart of the city from the comfort of their own home. Readers aged 7 and up will discover mind-blowing facts and uncover some of the city's best-kept secrets as they journey through the book and follow the trails. Find out where Paris keeps its historic underpants, how to paint the Eiffel Tower, where you can ride on a dodo and loads more.

**Open**-Andre Agassi 2010 He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game. Coaxed to swing a racket while still in the crib, forced to hit hundreds of balls a day while still in grade school, Agassi resented the constant pressure even as he drove himself to become a prodigy, an inner conflict that would define him. Now, in his beautiful, haunting autobiography, Agassi tells the story of a life framed by such conflicts. Agassi makes us feel his panic as an undersized seven-year-old in Las Vegas, practicing all day under the obsessive gaze of his violent father. We see him at thirteen, banished to a Florida tennis camp. Lonely, scared, a ninth-grade dropout, he rebels in ways that will soon make him a 1980s icon. By the time he turns pro at sixteen, his new look promises to change tennis forever, as does his lightning fast return. And yet, despite his raw talent, he struggles early on. We feel his confusion as he loses to the world's best, his greater confusion as he starts to win. After stumbling in three Grand Slam finals, Agassi shocks the world, and himself, by capturing the 1992 Wimbledon. Overnight he becomes a fan favorite and a media target. Agassi brings a near-photographic memory to every pivotal match, and every public relationship. Alongside vivid portraits of rivals, Agassi gives unstinting accounts of his brief time with Barbra Streisand and his doomed marriage to Brooke Shields. He reveals the depression that shatters his confidence, and the mistake that nearly costs him everything. Finally, he recounts his spectacular resurrection and his march to become the oldest man ever ranked number one. In clear, taut prose, Agassi evokes his loyal brother, his wise coach, his gentle trainer, all the people who help him regain his balance and find love at last with Stefanie Graf. With its breakneck tempo and raw candor, Open will be read and cherished for years. A treat for ardent fans, it will also captivate readers who know nothing about tennis. Like Agassi's game, it sets a new standard for grace, style, speed and power.

**Pop-Up London**-Jennie Maizels 2012 Presents pop-ups that follows the river Thames as it winds through the capital of England showcasing Buckingham Palace, the London Eye, and the Saint Paul's Cathedral galaxy.

**American Book Publishing Record**- 2002

**Love Picture Book Project**-Lonely Planet Kids 2020-12-15 Introduce children to the wonderful ways love is expressed in different cultures and countries across the globe. From gifting lunch boxes in Japan to adorning brides with beautiful henna designs in India, writing someone a loving poem on Sinterklaas in the Netherlands or lighting a lantern on the Chinese New Year, Love Around The World shows the ways family and friendship are celebrated around the world. This colorful, 32-page book fully explores the themes of family and friendship all around the world. With beautifully-written words by Alli Brydon and exquisite illustrations by Wazza Pink, children will be taken on a journey to a wide variety of cultures and different ways of life. From Wales to Iran to Japan, love is, after all, a universal language. About Lonely Planet Kids: Lonely Planet Kids - an imprint of the world's leading travel authority Lonely Planet - published its first book in 2011. Over the past 45 years, Lonely Planet has grown a dedicated global community of travellers, many of whom are now sharing a passion for exploration with their children. Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture, sociology, geography, nature, history, space and more. We want to inspire the next generation of global citizens and help kids and their parents to approach life in a way that makes every day an adventure. Come explore!

**The Daredevil's Guide to Outer Space**-Anna Brett 2019 Following The Daredevil's Guide to Dangerous Places, our intrepid adventurers Eddie and Junko explore our Solar System and beyond in their awesomely futuristic spaceship. Kids will touch down on Venus, take a selfie with a Martian rover, fly through Saturn's rings and try to outrace a comet, before heading off into outer space to explore stars, supernovas and giant black holes. A humorous, educational adventure, with fascinating insights into our universe. A humorous, educational adventure, with fascinating insights into our solar system. Contains a mixture of stunning photographs and colourful illustrations. Kids can check read-outs and display screens for destination details.

**Seek and Find Cities**-Kate Baker (Editor) 2019 Join travellers Cat and Bird as they explore the world in this fun search-and-find book. With every page, there's a new busy city scene to discover: a carnival in Rio, a funfair in Paris, a treasure-filled souk in Morocco. In each place there are souvenirs to find, people to meet and landmarks to visit. Keep your eyes peeled to spot each one!
