**Teaching Religious Education Creatively**-Sally Elton-Chalcraft

2014-11-20 Teaching Religious Education Creatively offers a brand new approach for the primary classroom and is crammed full of innovative ideas for bringing the teaching of RE to life. It helps teachers understand what constitutes a healthy curriculum that will encourage children to appreciate and understand different belief systems. Perhaps most importantly, it also challenges teachers to understand RE as a transformatory subject that offers children the tools to be discerning, to work out their own beliefs and answer puzzling questions. Underpinned by the latest research and theory and with contemporary, cutting-edge practice at the forefront, expert authors emphasise creative thinking strategies and teaching creatively. Key topics explored include: What is creative teaching and learning? Why is it important to teach creatively and teach for creativity? What is Religious Education? Why is it important for children to learn 'about' and 'from' religion? How can you teach non-biased RE creatively as a discrete subject and integrate it with other curriculum areas? Teaching Religious Education Creatively is for all teachers who want to learn more about innovative teaching and learning in RE in order to improve understanding and enjoyment and transform their own as well as their pupil's lives.

**Global Citizenship Education**-Lynn Davies 2005

**Hinduism in the Modern World**-Brian A. Hatcher 2015-10-05 Hinduism in the Modern World presents a new and unprecedented attempt to survey the nature, range, and significance of modern and contemporary Hinduism in South Asia and the global diaspora. Organized to reflect the direction of recent scholarly research, this volume breaks with earlier texts on this subject by seeking to overcome a misleading dichotomy between an elite, intellectualist "modern" Hinduism and the rest of what has so often been misleadingly termed "traditional" or "popular" Hinduism. Without neglecting the significance of modern reformist visions of Hinduism, this book reconceptualizes the meaning of "modern Hinduism" both by expanding its content and by situating its expression within a larger framework of history, ethnography, and contemporary critical theory. This volume equips undergraduate readers with the tools necessary to appreciate the richness and diversity of Hinduism as it has developed during the past two centuries.

**Seasons of Splendour**-Madhur Jaffrey 1995 Collection of traditional tales about gods and heroes in Hindu mythology, arranged in sequence as they might be told at religious festivals during the course of a Hindu calendar year.

With each page packed full of delightful sea creatures to discover and enjoy, this is a lyrical and engaging way to learn about the life cycle of a coral reef.

**Lesbian and Gay Studies and the Teaching of English**-William J. Spurlin 2000 This international collection of essays presents a contemporary overview of issues of sexual identity as they relate to teaching and learning in English from elementary through university levels. Coming from teachers in classrooms in India to North America to South Africa to Europe, the essays theorize lesbian, gay, and transgendered positions in the

classroom, offer pedagogical strategies for teaching lesbian and gay studies, and examine the broader social and political contexts that shape classroom discourse and practices. Following the introduction by the editor, the 16 essays are: (1) "Cruising the Libraries" (Lee Lynch); (2) "When the Cave Is a Closet: Pedagogies of the (Re)Pressed" (Edward J. Ingebretsen, S.J.); (3) "Blame It on the Weatherman: Popular Culture and Pedagogical Praxis in the Lesbian and Gay Studies Classroom" (Jay Kent Lorenz); (4) "On Not Coming Out: or, Reimagining Limits" (Susan Talburt); (5) "(Trans)Gendering English Studies" (Jody Norton); (6) "The Uses of History" (Lillian Faderman); (7) "'What's Out There?' Gay and Lesbian Literature for Children and Young Adults" (Claudia Mitchell); (8) "Creating a Place for Lesbian and Gay Readings in Secondary English Classrooms" (Jim Reese); (9) "Shakespeare's Sexuality: Who Needs It?" **A Pebble for Your Pocket**-Thich Nhat Hanh 2006-04-09 Drawn from Thich

Nhat Hanh's Dharma talks given to young people, *A Pebble for Your Pocket* presents the basic teachings of the Buddha in accessible and modern language. Combining the stories and mediation practices from the previous edition of *A Pebble for your Pocket* with those collected in *Under the Rose Apple Tree* plus several new stories, this completely revised edition is written in a conversational style, and is comprised of Buddhist parables, and stories from the author's own childhood experiences. They elucidate principles of Buddhism and mindfulness practice, and give the young reader and their parents concrete advice on handling difficult emotions such as anger, from which the title - a pebble for your pocket - is taken. Written in a highly accessible style that doesn't rely on lot of jargon or difficult vocabulary requiring breaks for explanation, Thich Nhat Hanh emphasizes the importance of the present moment through vivid metaphors, original allegories, and colorful stories. Young readers will learn about handling anger, living in the present moment, and "interbeing" — the interconnectedness of all things. Thich Nhat Hanh offers various practices that children can do on their own or with others that will help them to transform anger and unhappiness and reconnect to the wonders of nature and the joy of living in the present moment. This revised edition contains teachings and stories that the whole family can enjoy, as well as practices such as transforming anger in the family, instructions on how to invite the bell, breathing and sitting meditation, touching the Buddha inside, and others. This revised edition of *A Pebble for your Pocket* remains a unique and classic title in a market with few other substantial offerings on this topic. It's teachings on spirituality and awareness are thought provoking on a child's level. This significantly expanded version includes all stories and practices previously published in *Under the Rose Apple Tree* plus 3 never before published stories. With 10 b/w illustrations by Philippe Ames and Nguyen Thi Hop. Ages 6-13. (Second graders and up)
