Record Breakers!-Dorling Kindersley Publishing Staff 2018-08-02 Amazing facts about people, animals, Earth, and space pack this fantastic kids' book of world records. It's the perfect gift book for children aged 9-11. Record Breakers brings you the first, fastest, longest, largest, biggest, and best records in the world. Track the longest shark migration (20,000 km/12,400 miles); visit the coolest place on the planet (Vostok Station, Antarctica: a chilling -89.2oC/-128.6oF); see how plane pioneer Chuck Yeager first broke the sound barrier, and much more. The greatest human achievements are showcased, from pioneering inventors to modern feats of engineering, technology, transport, and sport. But there's far more than just people power in the book, there are also records about animals, plants, and our amazing natural world, Earth, and space. Find out all about the best of everything in Record Breakers - an entertaining and educational book for all the family.

Record Breaker!-Robin Stevenson 2013-03-01 It's 1963, and Jack's family is still reeling from the AIDS death of his baby sister. Adrift in his own life, Jack is convinced that setting a world record will bring his father back to his senses and his mother back to life. But world events, including President Kennedy's assassination, threaten to overshadow any record Jack tries to beat, from sausage eating to face slapping. Nothing works, and Jack is about to give up when a new friend suggests a different approach that involves listening to, not breaking, records.
