**The Science Book**-DK 2015-02-02 Discover 80 trail-blazing scientific ideas, which underpin our modern world, giving us everything from antibiotics to gene therapy, electricity to space rockets and batteries to smart phones. What is string theory or black holes? And who discovered gravity and radiation? The Science Book presents the fascinating story behind these and other of the world's most important concepts in maths, chemistry, physics and biology in plain English, with easy to grasp "mind maps" and eye-catching artworks. Albert Einstein once quoted Isaac Newton: "If I have seen further than others, it is by standing on the shoulders of giants." Follow context panels in The Science Book to trace how one scientist's ideas informed the next. See, for example, how Alan Turing's "universal computing machine" in the 1940s led to smart phones, or how Carl Linnaeus's classifications led to Darwin's theory of evolution, the sequencing of

the human genome and lifesaving gene therapies. Part of the popular Big Ideas series, The Science Book is the perfect way to explore this fascinating subject. Series Overview: Big Ideas Simply Explained series uses creative design and innovative graphics along with straightforward and engaging writing to make complex subjects easier to understand. With over 7 million copies worldwide sold to date, these award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

**Chapter Two is Missing-**Josh Lieb 2019-10-29 "Very few books are this entertaining to read. Even fewer are literally an active crime scene. Please help find Chapter 2. Without it, this book is nothing." -John Oliver, host of HBO's *Last Week Tonight* **Chapter Two is Missing** is a hilarious picture book mystery starring a hopelessly lost narrator, an unqualified detective, and a very sneaky janitor, who are all surprised to discover that second chapter of the very book of which they are a part is--gasp--missing! Do not be alarmed, but the second chapter of this book appears to be missing! It was here a minute ago, but now it seems to have simply walked off. Not only that, but some of the punctuation has gone topsy-turvy, a bunch of letter Ms are hiding in Chapter 5, and Chapter 45 appears to be from another book entirely! The narrator is going to need some assistance getting things in order, especially with the unhelpful detective who keeps butting in and that shifty janitor lurking about. Luckily he has you--the reader--to help! From Emmy winning comedy writer and producer Josh Lieb, **Chapter Two is Missing** is a hilarious whodunit, an irreverent look at storytelling, and perfect for fans of *Snappy the Alligator (Did Not Ask to Be in This Book)* and *The Book With No Pictures*.
