**The Animated Movie Guide**-Jerry Beck 2005-10-28 Going beyond the box-office hits of Disney and Dreamworks, this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history. Well-known films such as Finding Nemo and Shrek are profiled and hundreds of other films, many of them rarely discussed, are analyzed, compared, and catalogued. The origin of the genre and what it takes to make a great animated feature are discussed, and the influence of Japanese animation, computer graphics, and stop-motion puppet techniques are brought into perspective. Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Brief guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films with significant animation round out the volume.

**The Silent War**-Andreas Norman 2020-06-09 EVERY FAMILY HAS ITS SECRETS--SOME ARE WORTH KILLING FOR. As the head of Swedish Intelligence in Brussels, Bente Jensen has many enemies, even among those who ought to be her allies--such as Jonathan Green of MI6. In a city heaving with competing espionage agencies, he is the person she fears and distrusts most. She has good reason. They share a past. Green has been part of an MI6 conspiracy to hold, interrogate, torture, and kill its political prisoners in a safe house in Syria. This explosive information has been leaked to Bente by a conscience-stricken British operative. When it is clear she can expose this operation, MI6 uses its full arsenal of dirty tricks to shame her, disgrace her, destroy her relationships, and remove her from active service. But Green's private life has more in common with Bente's than he cares to admit. He is far from fireproof himself. Both spies will find themselves targets of the UK establishment's precisely calculated revenge. Like its highly acclaimed predecessor Into A Raging Blaze, Andreas Norman's new novel is a morally and politically complex international thriller. Its nail-biting plot and sympathetic characters show the tragic human consequences of private and public treachery.
